The Oxford Handbook of
Sikh Studies innovatively
combines the ways in

which scholars from fields
as diverse as philosophy,
psychology, religious
studies, literary studies,
history, sociology,

anthropology, political science, and economics have integrated the study of Sikhism within a wide range of critical and postcolonial perspectives on the nature of religion, violence, gender, ethno-nationalism, and revisionist historiography. A number of essays within this collection also provide a more practical dimension, written by artists and practitioners of the tradition. The Handbook is divided into eight thematic sections that explore different 'expressions' of Sikhism.

Historical, literary, ideological, institutional, and artistic expressions are considered in turn, followed by discussion of Sikhs in the Diaspora, and of caste and gender in the Panth. Each section begins with an essay by a prominent scholar in the field, providing an overview of the topic. Further essays provide detail and further treat the fluid, multivocal nature of both the Sikh past and the present. The Handbook concludes with a section considering future directions in Sikh

Studies.

The Japji is by far the best-known work of Guru Nanak (1469-1539) - poet, philosopher, historian, composer, First Sikh Guru and founder of the Sikh faith. Many Sikhs recite its sacred verses daily. Its title derives from the root "jap-" meaning to recite or chant. Dr. Rupinder Singh Brar provides in this book a compelling new translation with commentary. This book also examines its core concepts, and presents the Japji as a condensed

summary of Guru Nanak's philosophy. This translation and commentary is published to celebrate the 550th anniversary of Guru Nanak's birth (1469-2019).

Guru Nanak's Call of the Soul

Penguin Random House India Private Limited
Guru Nanak, the founder of the Sikh religion, walked the earth to restore love and humanity lurking in the doldrums. His early communion with the Ultimate drew him to far-fetched places to

inculcate the scent of unity and equality among people. He sang the divine praises along the way and persuaded people towards the spiritual essence of the Lord. He made an intriguing manifestation that the Lord is One and there exists no other besides Him. Most of what Nanak professed was apparently derived from the Ultimate. As mentioned in the Janamsakhis, he often directed his companion Mardana to play on his rabab as he vividly sang

the Bani or Divine Word descending upon him from the skies. With an unrelenting desire to spread enlightenment among the masses, he became an itinerant preacher to eradicate the upsurge of erroneous beliefs and the moss of differences propelled by caste and creed. This exquisitely illustrated book explores the life of Guru Nanak at length and offers an insight into his timeless teachings which are marvelously ingrained in his divine hymns - the Japji, Asa di Var and

Barah-maha.

 About the Book This volume illustrates, compares and discusses as to how Guru Nānak with his transcendental exposition, sharp skill, argumentative capability and common poetic language further enriched, explained, simplified, modernized and expressed various theological and philosophical concepts elucidated in Upaniṣads

for the understanding and adaptation of a common man. Upaniṣads are “breath of eternal” and hymns of Guru Nānak are “a divine song of life”. Guru Nānak’s exuberance of love and search for God and godly people was not confined to any religion or religious institution. He revolted against the ritualistic mind of a brāhmaṇa. He was essentially a man of God whose love and quest for search for the Ultimate Truth knew no limits. In the pursuit of this search he enjoyed a reach to the

state of void meaning a state where there is no distinction between the object and the subject – the knower and the known. He was a protagonist of Bhakti tradition and stressed more on bhakti or devotion to God. He taught the Sahaja-Patha or Sūrata Śabada Yoga that easily takes one straight to the Lord by spontaneous concentration of mind. Both hymns of Guru Nānak and Upaniṣads explain that the real aim of human life is to attain

liberation from the repeated coming and going in incarnations, which can be attained by adequate karma, knowledge and disciplined meditation. About the Author Born in a small town of Chamkaur Sahib, Kanta Arora, MA, LLB, PhD, spent her childhood within the premises of Ghari, where Sri Guru Gobind Singh had sacrificed his two sons. This had left a profound influence of Guru Nānak’s teaching on her. Having done graduation and post-graduation from the

Punjab University, she joined Govt of India and held various positions in Finance and Accounts Dept of different ministries. After superannuation, she became a regular student of theology and made a comparative study of religions and consciousness studies and got her PhD for the thesis “Philosophy of Life: A Study in the Light of Bani (Hymns) of Guru Nanak and Upanishads” from the Department of Sanskrit of Dayalbagh Educational Institute (Deemed

University). She has participated in many national seminars, and international conferences organized by the Center for Conscious Studies, University of Arizona, USA.

The True Name books catalog

Guru Nanak was born 550 years ago, during a period of political and religious turmoil in India. Tension between Hindus and Muslims had escalated, leading to a greater polarization of the two religions. Guru Nanak created a synthesis of

Hinduism and Islam with the belief that God is one. He advocated a casteless society based on truth, brotherhood and equality. He spent twenty-three years travelling not only in India but also in Tibet, Ceylon and the Central Asian countries of Arabia, Iraq and Iran, preaching the truth as he had perceived it and showing mankind the path to salvation. This book, part of the Spiritual Masters series, tells the fascinating story of a unique messiah who showed a gentle,

peaceful, humanistic path to religion. The world has a greater need for Nanak's message and teachings now than ever before.

This book examines three closely related questions in the process of canon formation in the Sikh tradition: how the text of

the Adi Granth came into being, the meaning of gurbani, and how the Adi Granth became the Guru Granth Sahib. The censure of scholarly research on the Adi Granth was closely related to the complex political situation of Punjab and brought the whole issue of academic freedom into sharper focus. This book addresses some of these issues from an academic perspective. The Adi Granth, the sacred scripture of the Sikhs, means 'first religious book' (from the word 'adi'

which means 'first' and 'granth' which means 'religious book'). Sikhs normally refer to the Adi Granth as the Guru Granth Sahib to indicate a confession of faith in the scripture as Guru. The contents of the Adi Granth are commonly known as bani (utterance) or gurbani (the utterance of the Guru). The transcendental origin (or ontological status) of the hymns of the Adi Granth is termed dhur ki bani (utterance from the beginning). This particular understanding of

revelation is based upon the doctrine of the sabad, or divine word, defined by Guru Nanak and the succeeding Gurus. This book also explores the revelation of the bani and its verbal expression, devotional music in the Sikh tradition, the role of the scripture in Sikh ceremonies, and the hymns of Guru Nanak and Guru Arjan.

Sikhism, Its Philosophy

and History [New Delhi] : Orient Longmans
Guru Nanak was born on 15 April 1469, on the day of Kartik Purnima in a village named Talwandi. The tradition of Guru and disciple is very ancient in India. The place of Guru is considered to be even higher than God. It is only through the Guru that one attains worldly knowledge, and only through the Guru does one realize the enlightenment of how to attain God. Guru Nanak was born at a time when there was no central

organized power in India. Foreign invaders were engaged in looting the country. In the name of religion, superstitions and rituals were spread all around. In such a difficult times, Guru Nanak proved to be a great philosopher & thinker of Sikhism. Guru Nanak won the hearts of people with his melodious simple voice. In a very simple language the message of Ek Onkar was explained to the whole world that all humans are brothers of each other. God is the Father of all, then how can we be high

and low despite being the children of one Father? In order to clear all these misconceptions, he implemented the teachings in his own life and became an ideal by propagating religion all around. He set an example of social harmony and gave the true message of humanity.

'He who regards all men as equals is religious.'
Insightful, compassionate and benevolent, Guru Nanak Dev was a scholar,

teacher, mentor and guide. Both a man of God as well as of the people, he believed that religion was a means of bringing everyone together and upheld the equality of all human beings, whatever their caste, beliefs or gender. Unusually spiritual even as a child, Guru Nanak stood up bravely against the social and religious rituals of the times. He travelled far and wide, in India and beyond, for more than 20 years to spread the message of peace and humanity. His sermons,

songs and stories are recorded as hymns in the Guru Granth Sahib, the holy book of Sikhism, the faith he founded. This book brings together the extraordinary life of Guru Nanak and his most important sayings and beliefs. From his steadfast pursuit of truth and equality, and his love for all, you too can learn to be a little bit like Guru Nanak.
