MARQUIS STEIN

Asleep at the Wheel Macmillan

This is your wakeup call. *Asleep at the Wheel* is a compilation of very real, relevant, and heart felt stories that are guaranteed to give you the tools and formula you need to take back control of your life.

The Wheel of Fortune Routledge

NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 18 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The Real Book of Real Estate Corwin Press

“Jordan has come to dominate the world Tolkien began to reveal.” —The New York Times on *The Wheel of Time*® series Explore never-before-seen insights into the *Wheel of Time*, including: - A brand-new, redrawn world map by Ellisa Mitchell using change requests discovered in Robert Jordan's unpublished notes - An alternate scene from an early draft of *The Eye of the World* - The long-awaited backstory of Nakomi - 8 page, full color photo insert Take a deep dive into the real-world history and mythology that inspired the world of Robert Jordan's *The Wheel of Time*®. *Origins of The Wheel of Time* is written by Michael Livingston, Secretary-General of the United States Commission on Military History and professor of medieval literature at The Citadel, with a Foreword by Harriet McDougal, Robert Jordan's editor, widow, and executor of his estate. This companion to the internationally bestselling series delves into the creation of Robert Jordan's masterpiece,

drawing from interviews and an unprecedented examination of his unpublished notes. Michael Livingston tells the behind-the-scenes story of who Jordan was, how he worked, and why he holds such an important place in modern literature. The second part of the book is a glossary to the “real world” in *The Wheel of Time*. King Arthur is in *The Wheel of Time*. Merlin, too. But so are Alexander the Great and the Apollo Space Program, the Norse gods and Napoleon's greatest defeat—and so much more. *Origins of The Wheel of Time* provides exciting knowledge and insights to both new and longtime fans looking to either expand their understanding of the series or unearth the real-life influences that Jordan utilized in his world building—all in one, accessible text. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Wheel Within a Wheel Arsenal Pulp Press

In this book, Richard W. Bulliet focuses on three major phases in the evolution of the wheel and their relationship to the needs and ambitions of human society. He begins in 4000 B.C.E. with the first wheels affixed to axles. He then follows with the innovation of wheels turning independently on their axles and concludes five thousand years later with the caster, a single rotating and pivoting wheel. Bulliet's most interesting finding is that a simple desire to move things from place to place did not drive the wheel's development. If that were the case, the wheel could have been invented at any time almost anywhere in the world. By dividing the history of this technology into three conceptual phases and focusing on the specific men, women, and societies that brought it about, Bulliet expands the social, economic, and political significance of a tool we only partially understand. He underscores the role of gender, combat, and competition in the design and manufacture of wheels, adding vivid imagery to illustrate each stage of their development.

God Loves Hair Simon and Schuster

The nation's #1 real estate broker and charismatic costar of Bravo's *Million Dollar Listing New York* shares his secrets on how to be successful. In the ten years since moving from Sweden to New York City, with no experience in real estate and no contacts, Fredrik Eklund has transformed himself into the best seller in the most competitive real estate market on the planet. In *The Sell*, Eklund leverages his years of experience to create the go-to manual for self-promotion and sales. At the core of the book are chapters tied to Eklund's 10-step program for “selling anything to everyone,” and he shares his secrets on everything from personal authenticity and looking your very best to crafting the perfect sales pitch, negotiating with savvy, and closing deals promptly and efficiently . . . lest they slip away. Whether you're just starting a job as a sales rep at Verizon, navigating your career as an executive or entrepreneur, or hitting your stride closing big transactions as a banker at

Goldman Sachs, *The Sell* will show you how to improve your game and radically increase the money you're bringing home. *The Sell* is a vital resource for anyone who wants to have an impact in his or her personal and professional life, with a razor-sharp focus on selling: selling yourself—or your brand—no matter your background.

Knife of Dreams John Wiley & Sons

In *The Third Wheel*, love is in the air—but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's middle school has turned his world upside down. As Greg scrambles to find a date, he's worried he'll be left out in the cold on the big night. His best friend, Rowley, doesn't have any prospects either, but that's a small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves Rowley the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love. 'Writing *The Third Wheel* has been a lot of fun because there's so much humor to be mined in the world of middle school romance. When the dust settles at the end of the seventh book, the Wimpy universe will be changed in a way that will surprise fans of the series.' says author, Jeff Kinney.

Integrity Selling for the 21st Century Red Wheel/Weiser

An American classic—and Pulitzer Prize-winning story—that shows the ultimate bond between child and pet. No novel better epitomizes the love between a child and a pet than *The Yearling*. Young Jody adopts an orphaned fawn he calls Flag and makes it a part of his family and his best friend. But life in the Florida backwoods is harsh, and so, as his family fights off wolves, bears, and even alligators, and faces failure in their tenuous subsistence farming, Jody must finally part with his dear animal friend. There has been a film and even a musical based on this moving story, a fine work of great American literature.

Making Major Sales Schiffer Pub Limited

Unicycle. One wheel! Bicycle. One more wheel! Tricycle? Nope! Steamroller! One more wheel! In this novelty concept book with a moving multi-wheel cover, readers spin their way through a tale of two animal friends competing to find the vehicle with more wheels. Simple text and expressive artwork make this counting book an absolute delight for toddlers learning to count from one to ten. A new and often unexpected vehicle appears on each spread, from rollerskates to a jet. Readers won't be able to guess what's on the next page! A final spread expands to reveal a train with "all the wheels" and the two friends celebrating together.

The Yearling Sourcebooks, Inc.

"A touching poetic exploration of budding sexuality, the mysticism of religion, and family dynamics. Shraya's text and Neufeld's illustrations capture the confusion, innocence, and delusions of adolescence bang on." -Brian Francis, author of *Fruit I am often mistaken for a girl*. Not just because I like to wear dresses or makeup. I don't mind. My parents are from India and here is not quite home. School isn't always safe and neither is my body. But I feel safe in my love for God. And God loves hair. First published to acclaim in 2011, Vivek Shraya's first book, now published by Arsenal Pulp Press for the first time, is a collection of twenty-one short stories following a tender, intellectual, and curious child of Indian origin as he navigates the complex realms of sexuality, gender, racial politics, religion, and belonging. Told with the poignant insight and honesty that only the voice of a young mind can convey, *God Loves Hair* is a moving and ultimately joyous portrait of youth that celebrates

diversity in all shapes, sizes, and colors. A Lambda Literary Award finalist in the category of children's books. The stories are accompanied by the award-winning full-color illustrations of Juliana Neufeld. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. He is also author of *She of the Mountains*.

Heart and Sell Good Press

Millions of readers remember *The Goal*, the landmark business novel that sets forth by way of story the essential principles of Eliyahu Goldratt's innovative methods of production. Now, from the AGI-Goldratt Institute and Jeff Cox, the same creative writer who co-authored *The Goal*, comes *VELOCITY*, the book that reveals how to achieve outstanding bottom-line results by integrating the world's three most powerful continuous improvement disciplines: Lean, Six Sigma, and Goldratt's Theory of Constraints. Used by the United States Navy and United States Marine Corps to dramatically improve some of the most complex, logistically vast supply chains in the world, the *VELOCITY APPROACH* draws on the strengths of all three disciplines to deliver breakthrough performance gains. In physics, speed with direction is velocity; in business, the application of *VELOCITY* means your organization can achieve operational speed with strategic direction to outmaneuver competitors, gain loyalty with customers, and rapidly build sustainable earnings growth -- in as little as one or two business quarters. Dee Jacob and Suzan Bergland, two principals of AGI, have been teaching the concepts, techniques, and tools of *VELOCITY* to major corporations, including Procter & Gamble, ITT, and Northrop Grumman, for years. Now they unlock the door for you to see how to apply their insights and methods to your organization -- be it business, not-for-profit, manufacturing, or service based -- in order to shorten lead times, slash inventories, reduce production variability, and increase sales. Writer Jeff Cox returns with the vivid, realistic style that made *The Goal* so readable yet so edifying. Thrust into the presidency of the subsidiary company where she has managed sales and marketing, Amy Cieolara is mandated by her corporate superiors to implement Lean Six Sigma (LSS) in order to appease a key customer. Assigned to help her is LSS Master Black Belt Wayne Reese, installed as her operations manager. But as time goes on and corporate pressure mounts, Amy finds she has to start thinking for herself -- and learning from everyone around her -- and she arrives at the series of steps that form the core of the *VELOCITY APPROACH*. *VELOCITY* offers keen insight into the human and organizational factors that so often derail growth while teaching you proven, practical techniques for restarting and revving up the internal engines of your company to reach new levels of success. Colorful characters, believable situations, and everything from dice games to AGI's "reality tree" techniques make this business novel a vital resource for everyone seeking to deliver business improvement in these challenging economic times -- and far into the future.

The Third Wheel: Diary of a Wimpy Kid (BK7) Storey Publishing

Praise for *Exceptional Selling* "Thull's leading-edge thinking makes this book extraordinary. This straightforward guide to communicating across all cultures with credibility and respect will give you a significant competitive advantage in a complex and crowded global marketplace." —Guenter Lauber, Vice President, Siemens Energy & Automation, Inc., EA Systems "Exceptional Selling may be one of the most important books written on sales and marketing communications for high stakes sales. It shows you how to stand apart from your competition, communicate with great clarity, and position your solution as the most compelling choice for the long term." —Rob Mancuso, Senior Vice

President, Investors Financial Services Corp. "Thull has taken consultative and collaborative sales to new heights. The knowledge in this book is priceless. The trust and respect created by the diagnostic process is a must-have for success here in Asia and around the globe. It enables us to differentiate ourselves early and achieve long-lasting success." —Tay Chong Siew, Major Customer Director, North Asia, BOC Gases "Having achieved exceptional success by working with Thull and implementing the strategy and process in his first two books, I'm astounded that his leading-edge thinking is captured in yet more detail in another brilliant book. The conversation examples of his powerful diagnostic approach will bring even greater success to our organization. Truly exceptional!" —Alberto Chacin, Director of On Demand Services LAD, Oracle USA "Exceptional Selling is a dramatic departure from the vast majority of sales books. It scares me to see all the ways in which we can self-sabotage our sales opportunities-but that's only chapter one. Throughout the book, Thull describes compelling examples of how to succeed in a cluttered marketplace." —Steven Rodriguez, Senior Vice President, Ceridian Corporation "Thull has again extended the concepts and thinking he developed in *The Prime Solution* and *Mastering the Complex Sale*. This is an essential read for anyone working to understand his customers in a complex world." —Wayne Hutchinson, Vice President of SalesMarketing and Consulting, Shell Global Solutions International B.V.

Velocity Avery

Why, for many centuries, was the wheel abandoned in the Middle East in favor of the camel as a means of transport? This richly illustrated study explains this anomaly. Drawing on archaeology, art, technology, anthropology, linguistics, and camel husbandry, Bulliet explores the implications for the region's economic and social development during the Middle Ages and into modern times.

Born a Crime Random House

A triumphant memoir by the former editor-in-chief of French Elle that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Where the Crawdads Sing Gower Publishing Company, Limited

Double and triple your sales—in any market. The purpose of this book is to give you a series of ideas,

methods, strategies, and techniques that you can use immediately to make more sales, faster and easier than ever before. It's a promise of prosperity that sales guru Brian Tracy has seen fulfilled again and again. More sales people have become millionaires as a result of listening to and applying his ideas than from any other sales training process ever developed.

Product-Led Growth Open Road Media

Over 350 color photos illustrate the American spinning wheel from 1775-1900, with substantial sections on fancy European wheels and accessories. Sections on Shaker wheels, patent wheels, famous makers, chair wheels, Irish castle wheels, double flyer wheels, and an appendix of 1000 makers and their marks. The pictured items are from important private collections that have never been seen before.

The Readers of Broken Wheel Recommend Odd Dot

Run your company. Don't let it run you. Most business owners started their company because they wanted more freedom—to work on their own schedules, make the kind of money they deserve, and eventually retire on the fruits of their labor. Unfortunately, according to John Warrillow, most owners find that stepping out of the picture is extremely difficult because their business relies too heavily on their personal involvement. Without them, their company—no matter how big or profitable—is essentially worthless. But the good news is that entrepreneurs can take specific steps—no matter what stage a business is in—to create a valuable, sellable company. Warrillow shows exactly what it takes to create a solid business that can thrive long into the future.

The Great Hunt Simon and Schuster

"Wheel Within a Wheel" is a book about a bicycle n the new freedom it gave to women in America. It is a classic by Frances Willard, the founder of the WCTU and well-known suffragette. In the book, she gives insight into both the profound impact of the bicycle at the turn of the century and how it changed the lives of women.

The Wheel Columbia University Press

New York Times and USA Today Bestseller! Katarina Bivald's *The Readers of Broken Wheel Recommend* is a sweet, smart, and uplifting story about how books find us, change us, and connect us. Once you let a book into your life the most unexpected things can happen: Like the bestselling historical novel and Netflix film *The Guernsey Literary and Potato Peel Pie Society*, *The Readers of Broken Wheel Recommend* is a heartwarming reminder of why we love books. Broken Wheel, Iowa, has never seen anyone like Sara: Sara traveled all the way from Sweden just to meet her book-loving pen pal Amy, but when she arrives she finds Amy's funeral guests just leaving. The residents of Broken Wheel are happy to look after their bewildered visitor—there's not much else to do in a dying small town that's almost beyond repair. You certainly wouldn't open a bookstore. And definitely not with Sara the tourist in charge. You'd need a vacant storefront (Main Street is full of them), books (Amy's house is full of them), and...customers. The bookstore might be a little quirky. Then again, so is Sara. But Broken Wheel's own story might be funnier, more eccentric and surprising than she thought. If you liked big-hearted books like *The Storied Life of A. J. Fikry* or *Eleanor Oliphant Is Completely Fine*, you will love *The Readers of Broken Wheel Recommend*. Praise for *The Readers of Broken Wheel Recommend*: "The Readers of Broken Wheel Recommend is a warm and slyly funny look at small towns and romance..."—New York Journal of Books "A

heartwarming tale about literature's power to transform."—People "What begins as an unlikely international friendship based on a mutual love of books becomes a sweet and soulful discovery of America. Quirky, unpredictable, funny, and fresh—a wonderful book."—Nickolas Butler, internationally bestselling author of *Shotgun Lovesongs* and *Beneath the Bonfire* International Bestseller Indie Regional Bestseller National Indie Bestseller #1 Indie Next Pick

Head First Statistics One World

Critically acclaimed when it was first published, Natalie Babbitt's *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* decades later. Now a major motion film available on streaming, featuring stars Alexis Bledel, Ben Kingsley, and

Sissy Spacek! What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. This title has Common Core connections.

The Psychology of Selling Penguin

A comprehensive introduction to statistics that teaches the fundamentals with real-life scenarios, and covers histograms, quartiles, probability, Bayes' theorem, predictions, approximations, random samples, and related topics.
