NATHANIEL TYLER

The Worst Princess Monstruo Rosa

Three-Eyed Frog grew up in a polluted place. She jumped up high to find out what was going on. She soon discovered she wanted to change THINGS... Will she manage on her own? A story that gives us hope that we can find solutions in common.

Captive Embraces Nubeocho

Wherever we live in this world—whether our country is rich or poor—water is vital to our survival on this planet. This book follows the daily lives of children in Peru,Mauritania, the United States, Bangladesh, Ethiopia, and Tajikistan, and explores what water means to them.Where does it come from? How do they use it? With the growing threat of climate change affecting all our lives, this book invites discussion on the ways different countries and cultures value this most precious of our planet's natural resources.

The Last Tree Turtleback

A collection of crime stories by authors including John Mortimer, Ellis Peters, Charlotte Armstrong, Ralph McInerny and G.K. Chesterton.

Brave Chicken Little Nubeocho

Enjoy this great comic from DC's digital archive!

Old Gods Almost Dead Penguin

An entertaining yet creative way to address and celebrate diversity among young children. Like a multicolor pencil palette, what defines human beings is their uniqueness and their diversity. Vega and her colored pencils were inseparable. Together they created the most impressive drawings that were later exposed in the best museum in the world: the refrigerator at home. Vega used all the colors you can imagine for her drawings: red, yellow, blue, gold... At school, Vega was immersed in one of her new creations when her friend Alex stopped by, and peered into the box of pencils Vega had on her table. "Can you lend me the skin-colored pencil, please?" he asked. Skin-colored? Vega and Alex wondered why there is such a color in the box. With curiosity and creativity they will explore the diversity of skin tones of people who are part of their daily lives and they will discover that the "skin-color" can have a thousand shades and not just one.

Rainbow Hat Scholastic Inc.

The acclaimed, bestselling rock-and-roll biographer delivers the first complete, unexpurgated history of the world's greatest band. The saga of the Rolling Stones is the central epic in rock mythology. From their debut as the intermission band at London's Marquee Club in 1962 through their latest record—setting Bridges to Babylon world tour, the Rolling Stones have defined a musical genre and experienced godlike adulation, quarrels, addiction, legal traumas, and descents into madness and death while steadfastly refusing to fade away. Now Stephen Davis, the New York Times bestselling author of Hammer of the Gods and Walk This Way, who has followed the Stones for three decades, presents their whole story, replete with vivid details of the Stones' musical successes and personal excesses. Born into the wartime England of air-raid sirens, bombing raids, and strict rationing, the Rolling Stones came of age in the 1950s, as American blues and pop arrived in Europe. Among London's most ardent blues fans in the early 1960s was a short blond teenage guitar player named Brian Jones, who hooked up with a lorry driver's only son, Charlie Watts, a jazz drummer. At the same time, popular and studious Michael Philip Jagger—who, as a boy, bawled out a phonetic version of "La Bamba" with an eye-popping intensity that scared his parents—began sharing blues records with a primary school classmate, Keith "Ricky" Richards, a shy underachiever, whose idol was Chuck Berry. In 1962 the four young men, joined by Bill Perks (later Wyman) on bass, formed a band rhythm and blues band, which Brian Jones named the "the

Rollin' Stones" in honor of the Muddy Waters blues classic. Using the biography of the Rolling Stones as a narrative spine, Old God Almost Dead builds a new, multilayered version of the Stones' story, locating the band beyond the musical world they dominated and showing how they influenced, and were influenced by, the other artistic movements of their era: the blues revival, Swinging London, the Beats, Bob Dylan's Stones-inspired shift from protest to pop, Pop Art and Andy Warhol's New York, the "Underground" politics of the 1960s, Moroccan energy and European orientalism, Jamaican reggae, the Glam and Punk subcultures, and the technologic advances of the video and digital revolution. At the same time, Old Gods Almost Dead documents the intense backstage lives of the Stones: the feuds, the drugs, the marriages, and the affairs that inspired and informed their songs; and the business of making records and putting on shows. The first new biography of the Rolling Stones since the early 1980s, Old Gods Almost Dead is the most comprehensive book to date, and one of the few to cover all the band's members. Illustrated throughout with photos of pivotal moments, it is a celebration of the Rolling Stones as an often courageous, often foolish gang of artists who not only showed us new worlds, but new ways of living in them. It is a saga as raunchily, vibrantly entertaining as the Stones themselves.

Three-Eyed Frog Gateway to Healthcare Management

Examines the many forms of wildlife that can be displaced if their environment is destroyed by development and discusses how communities and schools can provide spaces for them to live.

History of Greene County Little, Brown Books for Young Readers

Whack! What's that? Could it be? A piece of the sky! Oh my! Chicken Little and his friends run, run, run to tell the king. Nothing stands in the way except...the sly Foxy Loxy. Surely they have time to stop for lunch with Foxy and his kits. But what happens when Chicken Little and company find themselves on the menu? What this classic story needs is a new ending and a brave hero. And maybe this time, it's Chicken Little! Cleverly retold and exquisitely illustrated by Robert Byrd, Brave Chicken Little transforms a cautionary fable into a tale of triumph.

No, David! Disney Electronic Content

What's hidden in the woods? At first glance, all is still and quiet in the woods. But look closely through three coloured transparent sheets to discover hidden secrets. As if by magic, each sheet shows animals and plants coming to life. Watch nature's surprises emerge in front of your eyes!

Elmer and the Wind Random House

MONSTER ROSA IS A STORY ABOUT THE VALUE OF DIFFERENCE. A story to understand diversity as an enriching element of our society. Monster Rosa is a shout out to freedom. The Color of Your Skin Kensington Publishing Corp.

Enter the world of Geronimo Stilton, where another funny adventure is always right around the corner. Each book is a fast-paced adventure with lively art and a unique format kids 7-10 will love. Oh, how I hate traveling! So when I got an invitation to visit a long-lost relative who lives far, far away, I wasn't squeaking with joy. But Thea, Trap, and Benjamin thought it sounded fabumouse. They dragged me along to the crazy castle on Penny-Pincher Peak. Rat-munching rattlesnakes! I never should have agreed to go with them...

Not a Box Nubeocho

They've been through hell together ... but nothing prepared them for this.Hexan has spent years hunting the Highborn, both as revenge for what they've done to him and to protect other shifters from their predations. Weakened by his injuries, he pretends to be an alpha as camouflage. When he rescues Larz from a Highborn encampment, there's an instant bond between them ... but neither man believes they can be more than friends.Larz is a true alpha. The griffon shifter owes Hexan his life, but has kept his feelings for him a secret -- any relationship between two alphas would be doomed by the constant struggle for dominance. Still, when Hexan undertakes a dangerous mission, Larz can't let him go without the promise of more when he returns.Hexan completes his mission, but at great personal cost. As he grieves, he and Larz grow closer, and the truth about Hexan's omega status emerges. But just as their happy ending seems possible, new dangers arise, and figures from Hexan's past emerge to question his loyalty. Can Larz and his dragon hold fast against the forces trying to batter them apart?This 70k novel features material suited for a mature audience only.
