outlandish, and sometimes poignant way. Taking the family from Christmas to Christmas, the chapters of Fig Pudding, narrated by eleven-year-old Cliff, are complete short stories in themselves. Read together, they tell the tale of life in a large, loving family. Besides a fresh look, this edition includes a brand new story.

The English Teacher's Companion

Houghton Mifflin Harcourt

Fantasies are made of knights in shining armor. Men whose ferocity in battle was tempered by a code of chivalry...whose passions brought them to their knees before the women they desired...whose loyalty and honor never wavered—and whose vows were never broken. These are the men of our dreams—and now you can find them in four breathtaking

Medieval tales by today's most acclaimed writers of historical romance... In Lynn Kurland's "The Traveller," a bedraggled knight makes a solemn vow to protect, defend, and rescue any and all maidens in distress—even those from Manhattan. A vow to marry for love transforms a marquis into a minstrel who must sing for his supper—and for a woman whose heart is true in Patricia Potter's "The Minstrel." In Deborah Simmons' "The Bachelor Knight," a forgotten vow comes back to haunt the greatest knight in all the land, when a fair maiden asks for his hand in marriage. Trapped underground with his unwilling betrothed, a determined knight vows to free her—body and soul in Glynnis Campbell's "The Siege."

The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." Este libro forma parte de una tradición oral que hasta nuestros días ha conservado su fuerza y su popularidad, y constituyen un acervo cultural de gran

importancia. Los cuentos de la tradición oral indonesia han funcionado como instrumentos de crítica social y de enseñanza moral, a la vez que han legitimado ideas y reflejado los deseos y esperanzas de amplios sectores sociales. Quizás, también han sido recursos para evadir la realidad. Cualquiera que sea el propósito, estos relatos exploran temas relacionados estrechamente con la cotidianidad. La mayoría no contrasta al individuo bueno y al malo desde un punto de vista ontológico, sino que los confronta con las consecuencias de sus actos. Ser el héroe o la heroína de la historia no es lo que importa: lo trascendental es la lucha por resolver un dilema interno, ello los conecta con sempiternas preocupaciones humanas que rebasan el ámbito local de donde

surgieron.

NEW YORK TIMES BESTSELLER • The definitive cookbook on French cuisine for American readers: "What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, 'If you can read, you can cook.'"

—Entertainment Weekly "I only wish that I had written it myself." —James Beard  
Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, Mastering

the Art of French Cooking offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes—from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations—bound to increase anyone's culinary repertoire. "Julia has slowly but surely altered our way of thinking about food. She has taken the

fear out of the term 'haute cuisine.' She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique, and she has elevated our consciousness to the refined pleasures of dining." —Thomas Keller, *The French Laundry*
