JENNINGS SUTTON

Magruder's American Government Prentice Hall

American Government provides a concise overview of the American political system and its institutions using the Constitution as a backdrop and touchstone in every chapter. Concentrating on the most significant issues necessary to understanding American government, this book is specifically structured to engage today's students through a concise, stimulating style that is free of ideological and political bias. Teaching & Learning Experience Personalize Learning MySearchLab with eText provides book-specific assessment, a full eText, and research and writing tools to help students improve their results. Explore Concepts and Current Events Covers current political issues and events within the context of the governing document of this nation since its ratification in 1789. Improve Critical Thinking - The annotated Constitution provides a critical thinking roadmap for students as they read this seminal document. Questions designed to promote critical thinking have been added throughout each chapter. Engage Students Walter Volkomer has strived in every edition of this best-selling title to make it readable and engaging for undergraduate students. Instructor Support - An Instructor's Resource Manual, MyTest Test Bank, PowerPoint slides, and Digital Transparency Masters are just some of the resources available for instructors.

Civics: Government and Economics in Action Reading and Vocabulary Study Guide 2005c Prentice Hall

PackagesAccess codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental booksIf you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codesAccess codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MyPoliSciLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MyPoliSciLab with Pearson eText online with a credit card at www.mypolisilab.com. "Understand American politics from past to present." "American Government: Roots and Reform "is guided by the belief that students must first understand the origins of American government in order to understand the issues facing the United States today. This bestselling text offers the strongest coverage of history and current events to study present political structures and behaviors in full constitutional and historical context. American Government: Roots and Reform not only helps students learn how our government evolved and how they can become more informed citizens but it also encourages them to discover that politics can be--and most often is--a good thing. MyPoliSciLab is an integral part of the O'Connor program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations. A better teaching and learning experienceThis program provides a better teaching and learning experience--for you and your students. Here's how: "Personalize Learning--"Reach every student at each stage of learning, engage them in active rather than passive learning, and measure that learning. Refined after a decade of real-world use and compatible with learning management systems like Blackboard, the new MyPoliSciLab is a customizable digital learning experience that supports each individual student's and educator's success. "Emphasize Outcomes--"Keep students focused on what they need to learn. A new design facilitates print and digital reading experiences and turns this book's learning objectives into a clear learning path. On MyPoliSciLab, practice tests help students achieve these objectives by creating personalized study plans. "Engage Students--"Each student is different. Reach "all" of them with the new MyPoliSciLab Video Series, which features this book's authors and top political scientists discussing the big ideas in each chapter and applying them to enduring political issues. "Improve Critical Thinking--"Students get a lot of information about politics; your challenge as an instructor is to turn them into critical consumers of that information. Using interactive data to answer political questions introduced in this book's infographics, Explorer is a hands-on way to develop quantitative literacy and to move students beyond punditry and opinion. "Analyze Current Events--"Prepare students for a lifetime of following political news. Both in this book and on MyPoliSciLab, coverage of the 2012 elections and more keeps politics relevant and models how to analyze development in the American political system. Get up-to-the-minute analysis on MyPoliSciLab's blogs or reflect on a theoretical case with a simulation. "Support Instructors--"Make more time for your students with instructor resources--Test Bank, MyTest Computerized Test Bank, Instructor's Manual, and PowerPoint Presentation with Classroom Response System (CRS)--that offer effective learning assessments and classroom engagement.

Magruder's American Government Prentice Hall

Instructor's Review Copy for American Government Prentice Hall

The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

America: Pathways to the Present University of North Georgia

In this riveting psychological thriller, a high-school vice principal and a Middle Eastern-born transfer student engage in a politically and emotionally charged game of cat and mouse, with dangerous consequences.

Magruder's American Government Dramatists Play Service Inc

This book utilizes a unique framework — principle, process, politics — to help readers understand the American political system. In addition, the book encourages readers to become active citizens by providing examples and information to show them how. It features questions that explore why some controversies remain unresolved and challenge readers to arrive at their own conclusions about important issues in American politics; provides marginal definitions for quick reference to important terms.

American Government 2e Prentice Hall

American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections

between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens.

Magruder's American Government

Concentrating on the most significant issues necessary to understanding American government, this book is specifically structured to engage today's readers through a concise, stimulating style that is free of ideological and political bias.

Magruder's American Government

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.
