A good girl in small town Oregon is about to leave the friend zone to find romance with a sweet and sexy veterinarian in this contemporary romance. As the designated good girl of Redwood Ridge, Oregon, Gabby Cosette has landed a permanent position in the friend zone. With no prospects in sight, she's ready to let the town gossips set their matchmaking sights on her. Too bad their perfect match happens to be her boss at the veterinarian clinic—and her best friend. Sure, Flynn O'Grady is handsome and kind, but getting involved with him would risk toppling both of their carefully constructed worlds. Even if he is starting to make her girly parts zing. Deaf since birth, Flynn has always felt like an outsider. Aside from his brothers, Gabby is about the only person who's gone out of her way to treat him as more than a handicap. Which is exactly why he's hidden his attraction for his beautiful vet tech. Without Gabby, his work as a veterinarian, never mind his personal life, wouldn't flow. But when a single kiss changes everything, he wonders if taking the ultimate shot at love might be worth the risk.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the

story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!

*Thomas More and His Utopia* Short Stories in Swedish for Beginners Read for pleasure at your level, expand your vocabulary and learn Swedish the fun way!

B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. Revitalising a Language from Historical Sources Harmony

From the author of the international bestseller *The 100-Year-Old-Man Who Climbed Out the Window and Disappeared*, a brilliant satirical novel set in modern Sweden—a story of idealism and fanaticism, gangsters and entrepreneurs, sensationalism and spirituality, that explores the values that matter in contemporary life. In a former brothel turned low-rent hotel, the lives of three unusual strangers—a former female priest, recently fired from her church; the ruined grandson of an ex-millionaire working as a receptionist; and Killer-Anders, a murderer newly released from prison—accidentally collide with darkly hilarious results. Seeing a lucrative opportunity in Killer-Anders, the unlikely trio form an unusual new business. The Priest and The Receptionist will handle strategy and public relations, and coordinate Killer-Anders’ “missions.” Using the media’s obsessive

need for sensational, headline-making stories to advertise their talent’s superb “skill,” they quickly build a clientele of rich Swedish gangsters. Suddenly, they’re making an altogether different kind of killing of their own. But when Killer-Anders begins asking deeper questions about purpose and meaning, his curiosity leads him to an unexpected discovery: he finds Jesus. Desperate to save the money machine they’ve built, The Priest and The Receptionist devise an audacious plan utilizing Killer-Anders’ newfound and decidedly fervent faith. Mischievous yet big-hearted, filled with Jonas Jonasson’s trenchant humor and delightful twists, *Hitman Anders and the Meaning of It All* is a delightful comic adventure that reminds us it’s never too late to start over—and to discover what truly matters.
