"The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art."- Elizabeth Egan, The New York Times
From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that

explores life's universal lessons, featuring 100 color and black-and-white drawings. "What do you want to be when you grow up?" asked the mole. "Kind," said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages.

The Life and Most Surprising

Adventures of Robinson Crusoe ... A New Edition ... with a Handsome Engraved Frontispiece. [Parts 1-3, Abridged by Thomas Gent?] Penguin
Brought together across time by a love of story, three women in England fight to defy expectations, dream new dreams, and welcome love into their lives. As a counselor, Sophia Barrett is trained to help people cope with their burdens. But when she meets a new patient whose troubles mirror her own, she realizes she hasn't dealt with the pain of her recent past. After making a snap decision to get away for the summer, Sophia moves overseas to an apartment above a charming bookstore in Cornwall, England. She is hopeful she will find peace there surrounded by her

favorite thing: great literature. Bookstore owner Ginny Rose is desperate to save her business without asking for help from a husband who's decided to take a break from their marriage. Ginny never imagined she'd be solely responsible for keeping afloat her husband's dream, but the unexpected friendship with her new renter has her feeling more optimistic. Between the two of them—and Ginny's brother-in-law, William—the bookstore might stand a chance. Then Sophia finds a notebook in the bookstore that contains journal entries from Emily Fairfax, a governess who lived in Cornwall more than 150 years ago. Sophia learns that Emily harbored a secret passion for becoming an authoress—as well as a deep love for her childhood friend, Edward, whose station she dared not dream to touch. Eager to know more of Emily's story, Sophia goes on a quest—dragging Ginny and William with her—to discover the heart of the woman behind the beautiful entries. Soon Ginny's need to save the bookstore becomes more than a way to save her marriage, and Sophia finds new purpose of her own. Together they find that sometimes both heartache and hope can reach across the

centuries. "A historical mystery and sweet modern day story entwine to offer a message of healing, hope and second chances set in charming Cornwall." —Rachel Linden, author of *The Enlightenment of Bees* "In a delightful weaving of past and present, Lindsay Harrel creates authentic characters around a moving story that both inspires and encourages. *The Secrets of Paper and Ink* is about broken people, second chances, hope, and—my personal favorite—the incredible power of story." —Heidi Chiavaroli, Carol award-winning author of *Freedom's Ring* and *The Hidden Side* "In *The Secrets of Paper and Ink*, Lindsay Harrel explores the power of love—and how it influences us to make choices that bless others, as well as ourselves. Or sometimes, we can do just the opposite and make choices that harm us and others—all the while calling it love. Harrel pens an honest, true-to-life novel that's woven through with the Truth that offers hope when our decisions—or the decisions of the ones we love—wreck our dreams for happily ever after." —Beth K. Vogt, Christy-award winning author

 "The pigments he concocts from these humble beginnings are as fun to make as they are eye-opening to work with . . . the world never quite looks the same."
 —MarthaStewart.com A 2018 Best Book of the Year—The Guardian The Toronto Ink Company was founded in 2014 by designer and artist Jason Logan as a citizen science experiment to make eco-friendly, urban ink from street-harvested pigments. In *Make Ink*, Logan delves into the history of inkmaking and the science of distilling pigment from the natural world. Readers will learn how to forage for materials such as soot, rust, cigarette butts, peach pits, and black walnut, then how to mix, test, and transform these ingredients into rich, vibrant inks that are sensitive to both place and environment. Organized by color, and featuring lovely minimalist photography throughout, *Make Ink* combines science, art, and craft to instill the basics of ink making and demonstrate the beauty and necessity of engaging with one of mankind's oldest tools of communication. "Logan demystifies the process, encouraging experimentation and taking a fresh look at

urban environments.” —NPR “The book is full of inspiration and takes a lot of the mystery out of ink making, at least at its simplest level. And it also reminds me why I love ink—any ink or liquid color as much as I do.” —The Well-Appointed Desk “Quite a few recipes . . . that use color from the kitchen: carrots, black beans, blueberries, turmeric, and onion skins all make beautiful ink colors.” —Design Observer “Make Ink opens up about methods, providing an open source guide to DIY ink.” —CityLab

Bookstore owner Aubrey Barnes likes his quiet, orderly London life, thank you very much. His shop may be struggling, his only employee is a menace, and his plumbing is one creaky pipe away from disaster, but he can handle it. Maybe. He cannot, however, handle the film company that's thrown his Soho street into chaos. And he definitely can't handle the charismatic American actor Blake Sinclair. Which is why he's extremely reluctant to lease out his shop as a set for Blake's film, but it's his one opportunity to save his business. Now he can't get away from the distractingly hot actor. Then Aubrey finds himself alone with Blake in a trailer...and what happens next turns London's heat wave into an inferno that leaves him breathless. Aubrey is not cut out for the high-profile life of celebrity

dating—especially an American actor who's not even out yet. Good thing their tryst is absolutely not going anywhere. But expecting nothing can be complicated...especially when it starts to mean everything. Eric Smith takes you on a fast-paced fantasy adventure, perfect for anyone who has dreamed of being different . . . only to discover that destiny is more than skin deep. Sometimes your only chance to survive, and what you most fear . . . is to be **INKED**. Tattoos once were an act of rebellion. Now they decide your destiny

the moment the magical Ink settles under your skin. And in a world where Ink controls your fate, Caenum can't escape soon enough. He is ready to run from his family, and his best friend Dreya, and the home he has known, just to have a chance at a choice. But when he upsets the very Scribe scheduled to give him his Ink on his eighteenth birthday, he unwittingly sets in motion a series of events that sends the corrupt, magic-fearing government, The Citadel, after him and those he loves. Now Caenum, Dreya, and their reluctant companion Kenzi must find their way to the Sanctuary, a secret town where those with the gift of magic are safe. Along the way, they learn the truth behind Ink, its dark origins, and why they are the only ones who can stop the Citadel. Praise for Inked "INKED is an action-packed read with a hero I could root for, magic I wanted to have, and a vivid fantasy world to back it all up. Perfect for fans of Inkheart and Shadow and Bone Finalist for the Kirkus Prize and nominated for the Goodreads Choice Award! Sefia knows what it means to survive. After her father is brutally murdered, she flees into the wilderness with her aunt Nin, who teaches her to hunt, track, and steal. But when Nin is kidnapped, leaving Sefia completely alone, none of her survival skills can help her discover where Nin's been taken, or if she's even alive. The only clue to both her aunt's disappearance and her father's murder is the odd rectangular object her father left behind, an object she comes to realize is a book—a marvelous item unheard of in her otherwise illiterate society. With the help of this book, and the aid of a mysterious stranger with dark secrets of his own, Sefia sets out to rescue

her aunt and find out what really happened the day her father was killed—and punish the people responsible. "I was spellbound from the first page. Unexpected Reality Del Rey

In *Ink*, *Stink Bait*, *Revenge*, and *Queen Elizabeth*, Steven W. May and Arthur F. Marotti present a recently discovered "household book" from sixteenth-century England. Its main scribe, John Hanson, was a yeoman who worked as a legal agent in rural Yorkshire. His book, a miscellaneous collection of documents that he found useful or interesting, is a rare example of a middle-class provincial anthology that contains, in addition to works from the country's cultural center, items of local interest seldom or never disseminated nationally. Among the literary highlights of the household book are unique copies of two ballads, whose original print versions have been lost, describing Queen

Elizabeth's procession through London after the victory over the Spanish Armada; two poems attributed to Elizabeth herself; and other verse by courtly writers copied from manuscript and print sources. Of local interest is the earliest-known copy of a 126-stanza ballad about a mid-fourteenth-century West Yorkshire feud between the Eland and Beaumont families. The manuscript's utilitarian items include a verse calendar and poetic Decalogue, model legal documents, real estate records, recipes for inks and fish baits, and instructions for catching rabbits and birds. Hanson combined both professional and recreational interests in his manuscript, including material related to his legal work with wills and real estate transactions. As May and Marotti argue in their cultural and historical interpretation of the text, Hanson's household book is especially valuable not only for the unusual texts it preserves but also for the ways in which it demonstrates the intersection of the local and national and of popular and elite cultures in early modern England. *The Life and Most Surprising Adventures of Robinson Crusoe, of York, Mariner, who Lived Eight and Twenty Years in an*

At one time, Scary thought he had a chance that as until his ex found slumming with someone like him wasn't worth his trust fund. No-strings hookups became his go-to when he needed to relieve some tension. Co-owning a bar called Brawlers with his best friend, Tank, made it easy to find a body to use for the night. If not happy he was content with his life, but one man made content seem like such a terrible

thing. Elijah Vaughn worried about everything. His life was put on hold at eighteen when his mostly-absent parents died on one of their many adventures leaving him to raise his six-year-old brother, Brody. He'd never had anything or anyone that was just his. When Brody met a tattoo artist named Trouble, Elijah hadn't realized how much it would change his life. He met a massive man named Scary and he was terrified how the man made him feel. Tank Davis lost his voice the night he was attacked and had this throat slit ear-to-ear. It kept him in a world of silence. Silent and intimidating, he scared off more men than he drew to him. His best friend Scary and him made a life for themselves in small town Georgia with their bar Brawlers. Most night everyone could find him working security at the door. Scary called in a favor and Tank met the one man he couldn't resist, proper and upstanding Elijah Vaughn. Can one man accept that there's not one perfect man for him, but two damaged souls who need him to be whole?

Times bestselling *The Reader*, "a series fantasy lovers will want to sink their teeth into." - Booklist, starred review Sefia is determined to keep Archer out of the Guard's clutches and their plans for war between the Five Kingdoms. The Book, the ancient, infinite codex of the past, present and future, tells of a prophecy that will plunge Kelanna in that bloody war, but it requires a boy--Archer--and Sefia will stop at nothing to ensure his safety. The Guard has already stolen her mother, her father, and her Aunt Nin. Sefia would sooner die than let them take anymore from her--especially the boy she loves. But escaping the Guard and the Book's prophecy is no easy task. After all, what is written always comes to pass. As Sefia and Archer watch Kelanna start to crumble to the Guard's will, they will have to choose between their love and joining a war that just might tear them apart. Full of magic, suspense, and mystery, Traci Chee brings her trilogy to a close in this spellbinding final installment.

An Unexpected Kind of Love Penguin
The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of

When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

The Life and Most Surprising Adventures of Robinson Crusoe ... The Nineteenth Edition. [Parts 1-3, Abridged by Thomas Gent? [With

Plates.] Thomas Nelson Northern Irish poets have been notably reticent when addressing political issues in their work. In *Sympathetic Ink*, Shane Alcobia-Murphy traces that tendency through the works of Seamus Heaney, Paul Muldoon, and Medbh McGuckian. Using collections of the poets' papers made only recently available, Alcobia-Murphy focuses on the oblique, subtle strategies they apply to critique contemporary political issues. He employs the concept of sympathetic ink, or invisible ink, arguing that rather than avoiding politics, these poets have, via complex intertextual references and resonances, woven them deeply into the formal construction of their works. Acute and learned, *Sympathetic Ink* will serve as a perfect introduction to these crucial figures of Irish poetry.

WINNER OF A NATIONAL JEWISH BOOK AWARD A USA TODAY BESTSELLER "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion."—Toni Morrison Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen

Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph." Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries—and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.
