The definitive book about the most misunderstood band and fan base in music history, horrorcore hip-hop duo Insane Clown Posse

PC Mag

Firefly meets Dune in this action-packed sci-fi adventure about a close-knit, found family of a crew navigating a galaxy of political intrigue and resource-driven power games. Nev has just joined the crew of the starship Kaitan Heritage as the cargo loader. His captain, Qole, is the youngest-ever person to command her own ship, but she brooks no argument from her crew of orphans, fugitives, and con men. Nev can't resist her, even if her ship is an antique. As for Nev, he's a prince, in hiding on the ship. He believes Qole holds the key to changing galactic civilization, and when her cooperation proves difficult to obtain, Nev resolves to get her to his home planet by any means necessary. But before they know it, a rival royal family is after Qole too, and they're more interested in stealing her abilities than in keeping her alive. Nev's mission to manipulate Qole becomes one to save her,

and to survive, she'll have to trust her would-be kidnapper. He may be royalty, but Qole is discovering a deep reservoir of power—and stars have mercy on whoever tries to hurt her ship or her crew. "An entertaining intergalactic ride." —Bulletin "[A] well-executed sci-fi caper...full of intriguing commentary about wealth inequality and exploitation." —Booklist
