been beholden to her chief for eight years-ever since he took her in and gave her a home after her parents died. So when he asks her to marry a rival laird to aid the clans in finding peace, she has little choice but to agree to his request. The only problem: she's desperately in love with another man. To free herself from the burden of unrequited love before entering into a marriage of convenience, Isobel devises a plan to journey to the healing well that has helped so many

others, certain that if she can drink from its spring, she will be healed from her lovesickness for Kieran and prepared to marry the rival laird. But her chief will never willingly let her go, so she must sneak out in the dead of night and cross through dangerous lands alone. After watching a rival clan kill his father in an ambush, Kieran Buchanan's only ambition in life is to see them pay for what they did. Biding his time until he can accomplish his goal, Kieran dedicates his life to

helping his uncle's clan train and defend themselves. He's sworn fealty to his uncle, so when the man asks him to track down Isobel and bring her home, he complies. With the man she loves close on her tail, Isobel must hurry to the spring if she has any hope of callusing her heart against him. But what can she do when he catches up to her on enemy territory?

Journey Through the Mirror Houghton Mifflin Harcourt

Suspense mounts in this third and final novel in the Rising World trilogy, a magical post-apocalyptic adventure about a set of ancient books that hold the key to humanity's survival. Following the events in *Journey Through the Mirror*, Logan, Valerie, and Mr. Perrot continue their frantic search for Simon Hitchclords, the man

who now possesses all four copies of the *Chronicles of Satraya*. The trio embarks on a worldwide manhunt to track down the fugitive and his accomplices as a mysterious illness of unknown origins begins to threaten the lives of all men, women, and children. The secret to the world's survival, once again, lies in an artistic masterpiece given to Logan by the enigmatic Sebastian Quinn. Time is ticking as Logan travels the world—from Easter Island, to the Sky Caves of

Mustang, to the legendary city of Angkor Wat—to unravel a series of clues forged in the stones eons ago. The hidden symbols of the Chronicles emerge as their secrets bend to the will of a tyrant’s dark vision. It looks as though it will take more than the flame of a candle, or the morphing reflection of a mirror, for Logan to stop what is coming. But, unbeknownst to all, the Chronicles have a final secret to unveil, a secret so powerful it will turn the tables on everyone and pit Logan against Simon in

a final showdown. The third book in the Rising World trilogy, *Journey Past Time* is the stunning finale to a race-against-time adventure that you won’t want to end. Says Gotham Chopra, author of *Walking Wisdom*: “The result is a bold and exciting odyssey that not only entertains, but also asks every reader to question the greater purpose of their own existence and the world around them.”

Elle's Journey National

Geographic Books

The definitive work on the

extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place

unbound by time or death. Praise for Journeys Out of the Body "Monroe's account of his travels, Journeys Out of the Body, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid

reading." —Michael Hutchinson, author of Megabrain "Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's." —Joseph Chilton Pierce, author of Magical Child "This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others."

Journey Yearling

Following Journey Into the Flame—"a spiritual adventure of the first order" (New York Times bestselling author Felix

Palma)—comes the second part in a post-apocalyptic trilogy about a set of ancient books that hold the key to humanity's survival. In 2030, after the Great Disruption brought humanity to the brink of a second dark age, the Chronicles of Satraya were discovered, restoring hope in the world. But the secret powers in their pages remained largely unknown. There were some, however, who understood them. The Reges Hominum, the

Kings of Men, a clandestine group influencing history from the shadows, sought to use their hidden gifts to regain world control. But their plans were foiled by an unlikely group: Alain Perrot, an eccentric old man and former member of the Council of Satraya; Special Agent Valerie Perrot, his daughter; and Logan Ford, a young painter who discovered he was the son of one of the Chronicles' original finders, long since murdered in an effort to protect them. Soon,

seemingly unrelated global events pull Logan and his allies into another contest with those enemies determined to bring a rising world back down. The earth's still-recovering energy supply is put at risk. Illnesses

spread. Earthquakes without epicenters shatter the land. And the only things holding the world together are the Chronicles, connected to a series of scattered, hidden mirrors around the

globe. With T.R. Williams's trademark excitement, mystery, magic, and deep wisdom, the second book in the Rising World trilogy ensures that you will never look at your reflection the same way again.
