Piano Chords by Encore Music Books is a 100 page book containing a total of 348 different piano chords for the pianist of any level. Every page in this book is specially designed to help you better understand each chord. For example, at the top of each page you will find the scale in which each chord is derived. The notes of the scale that are being used in the chord are highlighted by a grey circle. The Root, 3rd, 5th, and in some cases, 7th notes are labelled on each keyboard to give you a complete, all-around, understanding of every chord. And just so there is no guesswork involved, underneath each keyboard can be found what we feel to be the best possible finger number combination to use for each particular chord. The finger numbers for the right hand are above the finger numbers for the left hand. In addition, to help you master the entire keyboard, 3 to 4 different inversions of each chord are presented on every page. *Keyboard Harmony and Transposition* Guitar Lesson World Teach yourself the essential piano chords plus many more! Organized as a chord per spread, for the left and right hands, this is a handy, comprehensive reference for jazz, pop, rock and soul musicians playing the piano or keyboard at any level.
