This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris. *The Night Season* Olive Branch Press

The Chilean poet Nicanor Parra is one of those significant figures who appear from time to time in all literature and through a profound originality and sense of the Pound/Confucius principle of "Make It New" revitalize the poetry of their language. Just as the Imagists and William Carlos Williams rechanneled the course of American poetry, so Parra's "antipoems," with their directness of metaphor and rejection of rhetoric and "poetic" decoration, are influencing poets throughout Latin America. "Anti-poetry," Parra has said, "seeks to return poetry to its roots." The reader may judge from this collection, which is drawn from all of Parra's published books, how well he has succeeded. -- From publisher's description. *Minimalist Interiors* Arms & Armour

The beautiful Casablanca star, the world's greatest war photographer, and the secret love affair that would change their lives forever . . . in Chris Greenhalgh's *Seducing Ingrid Bergman* June 1945. When Ingrid Bergman walks into the lobby of the Ritz hotel in Paris, war photographer Robert Capa is enchanted. From the moment he slips a mischievous invitation to dinner under her door, the two find themselves helplessly attracted. Played out against the cafés and nightclubs of post-war Paris and the parties and studios of Hollywood, they pursue an intense and increasingly reckless affair. But the light-hearted Capa, who likes nothing more than to spend his mornings reading in the tub and his afternoons at the racetrack, is not all that he seems. And Ingrid offers the promise of salvation to a man haunted by the horrors of war, his father's suicide, and the death of a former lover for which he blames himself. Addicted to risk, Capa must wrestle his devils, including gambling and drink, and resist an impulse to go off and photograph yet another war. Meanwhile, Ingrid, trapped in a passionless marriage and with a seven-year-old daughter to bring up, must court scandal and risk compromising her Hollywood career and saintly reputation if their love is to survive. With their happiness and identities at stake, both Capa and Ingrid are presented with terrible choices.

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.
