Paul Westhead was
teaching high school in his

native Philadelphia when he was named La Salle University's men's basketball coach in 1970. By 1980 he was a Los Angeles Lakers assistant, soon to be hired as head coach, winning an NBA title with Hall of Fame center Kareem Abdul-Jabbar and rookie guard Magic Johnson. After compiling a 112-50 record, he was fired in November 1981. After a short stay as coach of the Chicago Bulls, Westhead reemerged in the mideighties as a coach at Loyola Marymount in

California, where he designed his highly unusual signature run-and-gun offense that came to be known as "The system." The Speed Game offers a vibrant account of how Westhead helped develop a style of basketball that not only won at the highest levels but went on to influence basketball as it's played today. Known for implementing an up-tempo, quick-possession, high-octane offense, Westhead is the only coach to have won championships in both the

NBA and WNBA. But his long career can be defined by one simple question he's heard from journalists, fellow coaches, his wife, and, well, himself: Why? Why did he insist on playing such a controversial style of basketball that could vary from brilliant to busted? Westhead speaks candidly here about the feathers he ruffled and about his own shortcomings as he takes readers from Philadelphia's West Catholic High, where he couldn't make varsity, to

the birth of the Showtime Lakers and to the powerhouse he built nearly ten years later at Loyola, where his team set records likely never to be approached. Westhead says he always found himself telling prospective bosses, "My speed game is gonna knock your socks off!" So will his story and what it could do to bring back a popular style of play.

Communication and Sport

David C Cook
The dramatic story of how two legendary players-- Earvin "Magic" Johnson

and Larry Bird--burst on the scene in an NCAA championship that gave birth to modern basketball. The date was March 26, 1979. The place: Salt Lake City. Beyond the Backboard Penguin

A GLASS HALF FULL is a compelling and inspiring story of one man`s struggle to overcome many of life`s adversities and negatives with a positive attitude. The book delves into many of the social and moral questions asked by many since the post World War

II period. Subjects such as; segregation and racism, war, child and spousal abuse, the abundance of failed marriages and health care are written with a superb and balanced commentary. It lets the reader see, many of god`s miracles are still taking place and there are compassionate, sensitive, caring Alpha males with A types of personalities.

The Politics and Culture of Modern Sports Hybrid Global Publishing
STUFF Good Players

Should Know may very well be the best book ever written for basketball players. It is conversational and easy to understand, yet filled with subtle insights into the game of basketball. STUFF is page after page of creative concepts, common sense, and special tips that can not be found anywhere else. ? How do you guard a stronger player? ? How do you set up a game-winning steal? ? How do you ?strip? a rebound? ? How do you score with a strong-handed dribble

while going to the weak side? ? How do you practice shooting for maximum game effectiveness? ? How do you recognize defensive changes? STUFF is like having a coach right beside you, in your room, discussing the fine points of the games. How do you think in the minutes of the game? How do you react to mistakes? What is your attitude about fouls? Eating? Superstitions? Injuries? All this and more makes STUFF a book that players will find indispensable. Basketball

fans will enjoy it, but players won't do *Basketball on Paper* Houghton Mifflin Harcourt You've got to understand that I receive over 60 scripts a year not to mention books and articles all about basketball. I've read almost every basketball story that's ever been brought to Hollywood's attention. That's what I get for producing Hoosiers, the movie that many consider to be the best basketball movie ever made. Most often, when I start reading, I

don't even get past the first page. When SLAM DUNK – The True Story of Basketball's First Olympic Gold Medal Team came my way, I immediately knew this was something very special. I read it from beginning to end in one sitting. The content, the story, the unknown historical facts, the tragedies, the writing, the interesting characters, the very special young athletes, the unbelievable odds, the writer's ability to combine the story from 1891 through WW1, the Dust Bowl to the 1936

Hitler Olympics makes this an epic story. I knew this script was very special and I'm lucky to be involved. From the players to the writer, this is the real deal.

When March Went Mad
Arcadia Publishing

The author recounts how he formed the San Francisco Special Olympics basketball program.

Historically Black Colleges and Universities (HBCUs) have a special niche in

the world of big-time college basketball. As late entrants into this world, they fight an uphill battle for on- and off-court relevance, a battle steeped in the historical intersection of sports, race, and culture in this country. Competing on the court in the elite world of America's NCAA Division I college basketball is a daunting task. Competing off the court with the more well-heeled, legacy institutions for funds, top recruits, TV time, and ultimately relevance is decidedly

more difficult. Beyond the Backboard: My Unique HBCU Experience in the Shadows of Big-Time College Basketball explores how author Cy Alexander navigated the deep waters of and found success in this environment during a thirty-seven-year career as a Division I HBCU basketball coach, twenty-six of those years as a head coach. Along the way, Alexander learned from and matched wits with coaching luminaries, was a key participant on prestigious NCAA and

NABC committees, became a member of an exclusive club of Nike clients that included Michael Jordan, Patrick Ewing, and Charles Barkley among others, and landed before movers and shakers in politics and trendsetters in entertainment. Beyond the Backboard highlights an exciting career filled with slights, embarrassing defeats, signature victories, personal triumphs and tragedies, and a ton of lessons learned. Congressional Record WW

Norton
Traces the great sports moments, players, and coaches that have donned the Blue and Gold of the University of Tulsa's basketball team, from Paul Pressey, Steve Harris, Tracy Moore, Shea Seals, Michael Ruffin, and Kevin Johnson to coaches such as Nolan Richardson, Tubby Smith, and Bill Self. Original.

This study examines the role of modern sports in constructing national identities and the way

leaders have exploited sports to achieve domestic and foreign policy goals. It focuses on the development of national sporting cultures in Great Britain and the United States, how the rest of Europe and the world adopted or rejected their games, and the impact of sports on politics.

Stuff Good Players Should Know iUniverse

Find out what the world of sports can teach us about spiritual principles with this new One Year daily devotional. Each daily

reading focuses on a Scripture verse and a devotional illustration from the sports world. Illustrations come from over 40 different sports, including basketball, football, baseball, snowboarding, skateboarding, track, golf, and more. This devotional provides daily insight into Scripture for sports fans ages 12 and up.

A Healing Place Penguin
“A fascinating, thorough look at pro basketball’s continuing evolution to becoming the ‘sport of the American

Dream.”—Publishers Weekly
The Soul of Basketball tells the story of an NBA prodigy, his league, and their sport in the throes of crisis during the pivotal 2010-11 season. It began with The Decision, that infamous televised moment when uber-star LeBron James revealed that he was leaving the Cleveland Cavaliers—thereby distancing himself from his role model Michael Jordan—to pursue his first championship with his former opponents on the Miami Heat. To the great

fortune of LeBron, the NBA, and basketball itself, the mission didn't work out as planned. In this book, veteran NBA writer Ian Thomsen portrays the NBA as a self-correcting society in which young LeBron is forced to absorb hard truths inflicted by his rivals Kobe Bryant, Doc Rivers, and Dirk Nowitzki, in addition to lessons set forth by Pat Riley, Gregg Popovich, Larry Bird, David Stern, Joey Crawford, and many more. Brimming with inside access, *The Soul of Basketball* tells the

inspiring story of LeBron's loneliest year, insecure and uncertain, when his ultimate foe was an unlikely immigrant who renewed the American game's ideals. From Miami to Boston, Los Angeles to Dallas, Germany to the NBA's Manhattan headquarters, the biggest names in basketball are driven by something more valuable than money and fame—a quest that would pave the way for Stephen Curry, Kevin Durant, and future generations to thrive. “Ian Thomsen provides an

antidote to the fast-food, twitter feed of instant information consumption...deft prose and snappy anecdotes...Great, great stuff.”—Leigh Montville, *New York Times*-bestselling author of *Sting Like a Bee* “A fine work of sports journalism.”—Kirkus Reviews (starred review)
The ComMANdments; The Official Guide Book to Man Rules, King-Size Edition SAGE Publications, Incorporated
 Every great sports coach is a life coach. This book

identifies 168 outstanding coaches who have much to teach us about optimizing our performance, our character, and our lives. Coaches build winning teams and enable each athlete they mentor, guide, cajole, and nurture to achieve top performance. More than this, every great sports coach is first and last a life coach. Sportswriter Justin Spizman identifies and profiles 168 of the greatest coaches and managers of all time. They have much to teach

us about optimizing our performance, our character, and our lives. Coach: The Greatest Teachers in Sports and Their Lessons for Us All profiles coaches in every significant sport, from football, basketball, baseball, and hockey to gymnastics, skating, rowing, rugby, soccer, and more. From field to court, diamond, rink, and pitch, the big leagues to the Olympics, college, and high school, Coach delivers the most teachable moments and methods—for play, for

competition, and for life. Rich in quotations, each profile ends with lessons for top performance on and off the field, in and beyond the arena. Justin Spizman tracks all the relevant stats—for every sport keeps score—but he seeks first and last to disclose the mind, the heart, and the force of character that drive each of the indispensable men and women behind the world's most envied and admired athletes. His profiles range from the likes of Cardinals manager Tony La Russa (already an

MLB legend), to Aimee Boorman and Cecile Canqueteau-Landi (who both coached gymnastics phenom Simone Biles), Bill Belichick (the take-no-prisoners field general of the New England Patriots), Pat Summitt (who racked up 1,098 wins as coach of the University of Tennessee Lady Vols basketball team from 1974 to 2012), Marián Vajda (the coach behind tennis titan Novak Djokovic), and David Leadbetter (golf guru to champions Kathy Baker, Nick Faldo, and Michelle

Wie). *The Speed Game* Unistar Books
 When the priest-president of a financially-strapped, small Catholic college turns to two elderly coaches to resurrect his men's basketball program, the results are a zany combination of unorthodox recruiting and player hijinks. The often hilarious situations and outcomes lead to an unusual success story and an inspiring formula for human connection, inclusion, and friendship. Kirby Whitacre is a retired

educator, athletic administrator, and basketball coach. He is an avid amateur historian whose last novel, *The Spirit Traveler*, *The Northwest Indian War in the Ohio Country*, is an exciting adventure detailing the 1790-95 Indian War in the Northwest Territory. Kirby is a student of Mahayana Buddhism and has published the book, *Buddhism, A Westerner's Compendium*. He has attended several teachings by His Holiness, The Dalai Lama. Kirby also

served as the ghostwriter for the autobiography of Calvin Swan, Faith of An Unwanted Child. Kirby's hobbies include playing senior softball, daily gym workouts, reading, and following world affairs. Kirby and his wife, Laurie, live with their two dogs, a cat, and whichever of their three children moves back in at any particular time. {The KING-SIZE EDITION CONTAINS ALL MAN RULES FROM VOLUMES 1-5.} It is said that there are unwritten MAN RULES, which all Men abide by. Now these rules are written in one guidebook

which clarifies what those rules are. The ComMANDments tells all the do's and don'ts Men need to know in basic life situations. For example, is it alright to sing in a public restroom? Can a Man hug another Man? Does the toilet seat go up or down? What is a wingman and what are his responsibilities? When can you call Shot-gun? The answers to these questions can be found in this Man Rule Guide Book along with Personal Space guidelines, Appearance and Hygiene, The Road

Trip Man Rules, the Man Rules that will apply to the typical "Guy's Night Out," and many other Man Rules dealing with situations Men come across during their daily routine and situation yet to come like the Zombie Apocalypse. This KING-SIZE EDITION is what every Man needs in order to complete his quest to become a better Man! The Soul of Basketball First Edition Design Pub. Communication and Sport: Surveying the Field provides students with an understanding of sports

media, rhetoric, culture, and organizations through an examination of a wide range of topics. Authors Andrew C. Billings and Michael L. Butterworth address everything from youth to amateur to professional sports through varied lenses, including mythology, community, and identity. A comprehensive focus on communication scholarship gives attention to the ways that sports produce, maintain, or resist cultural attitudes about race, gender, sexuality, class, and

politics. The Fourth Edition includes new interviews with prominent figures in the field and new discussions on current events like the Black Lives Matter movement and the COVID-19 pandemic. **The Secret Game** U of Nebraska Press Paul Westhead was teaching high school in his native Philadelphia when he was named La Salle University's men's basketball coach in 1970. By 1980 he was a Los Angeles Lakers assistant, soon to be hired as head

No other high school in Nebraska evokes as much pride, passion, inspiration, and devotion as Pius X High School. The school that was started in 1956 and remains today Nebraska's largest co-

educational parochial school, is a beacon for success and leadership. Thunderbolt athletics has been a bench mark for programs to follow, and only those privileged few student athletes who have had the opportunity to don the Pius X uniform can begin to understand why that is so. Pius X's undeniably rich tradition and success over the past fifty years are enough to separate it from other schools: 54 state titles in both boy and girl sports, 12 all sports awards, nine state football

championships, and countless academic all state athletes. Coaches such as Aldrich, Kelley, Aylward, Moore, and Forycki, as well as many others, have set the standard of excellence, and have created the feelings of honor and utmost pride associated with Pius X and being a Thunderbolt. Travel back with us as we take a look at Past great athletes and teams and why they make Pius X such a special and magical place. This is a must read for all past and present Thunderbolt

athletes, and for Pius X fans and foes alike. Now read the stories and accounts of past Pius X athletes as they attempt to define the significance of being a part of the storied tradition that is a Pius X Thunderbolt.

Coach: The Greatest Teachers in Sports and Their Lessons for Us All

Little, Brown

NEW YORK TIMES

BESTSELLER • The NBA

according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more!

Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports

commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who

actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine

to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover

that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put

down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.
