The Neurotic Constitution Oxford : Clarendon Press

What ho! A new Jeeves and Wooster novel that is "impossible to read without grinning idiotically" (Evening Standard), penned in homage to P.G. Wodehouse by bestselling author Ben Schott -- in which literature's favorite master and servant become spies for the English Crown. The misadventures of Bertie Wooster and his incomparable personal gentleman, Jeeves, have delighted audiences for nearly a century. Now bestselling author Ben Schott brings this odd couple back to life in a madcap new adventure full of the hijinks, entanglements, imbroglios, and Wodehousian wordplay that readers love. In this latest uproarious adventure, the Junior Ganymede Club (an association of England's finest butlers and valets) is revealed to be an elite arm of the British secret service. Jeeves must ferret out a Fascist spy embedded in the highest social circles, and only his hapless employer, Bertie, can help. Unfolding in the background are school-chum capers, affairs of the heart, antics with aunts, and sartorial set-tos. Energized by Schott's effervescent prose, and fully authorized by the Wodehouse Estate, Jeeves and the King of Clubs is a delight for lifelong fans and the perfect introduction to two of fiction's most beloved comic characters.

Metternich Burns & Oates

A study of the economic and social changes which shaped the movement for German unification. The author emphasizes the effect of industrialism on urban life, traces the decline of manorialism in agriculture and seeks to show that the political movements of these years were profoundly influenced by the economic transition from agrarianism to capitalism.

The Ice-Cream Makers Princeton University Press

Nature and culture are embodied in the landscapes of modern sport. This is the first book to explore the distinctive character of those landscapes. Not only does sport play a central role as a modern cultural phenomenon, the landscapes in which sport takes place have a distinctive and pervasive form which impact considerably on quality of life, in both positive and negative ways. *Germany, 1866-1945* Ariadne Press (CA)

Edmund Husserl, generally regarded as the founding figure of phenomenology, exerted an enormous influence on the course of twentieth and twenty-first century philosophy. This volume collects and translates essays written by important German-speaking commentators on Husserl, ranging from his contemporaries to scholars of today, to make available in English some of the best commentary on Husserl and the phenomenological project. The essays focus on three problematics within phenomenology: the nature and method of phenomenology; intentionality, with its attendant issues of temporality and subjectivity; and intersubjectivity and culture. Several essays also deal with Martin Heidegger’s phenomenology, although in a manner that reveals not only Heidegger’s differences with Husserl but also his reliance on and indebtedness to Husserl’s phenomenology. Taken together, the book shows the continuing influence of Husserl’s thought, demonstrating how such subsequent developments as existentialism, hermeneutics, and deconstruction were defined in part by how they assimilated and departed from Husserlian insights. The course of what has come to be called continental philosophy cannot be described without reference to this assimilation and departure, and among the many successor approaches phenomenology remains a viable avenue for contemporary thought. In addition, problems addressed by Husserl—most notably, intentionality, consciousness, the emotions, and ethics—are of central concern in contemporary non-phenomenological philosophy, and many contemporary thinkers have turned to Husserl for guidance. The essays demonstrate how significant Husserl remains to contemporary philosophy across several traditions and several generations. Includes

essays by Rudolf Bernet, Klaus Held, Ludwig Landgrebe, Dieter Lohmar, Verena Mayer and Christopher Erhard, Ullrich Melle, Karl Mertens, Ernst Wolfgang Orth, Jan Patočka, Sonja Rinofner-Kreidl, Karl Schuhmann, and Elisabeth Ströker.

Vivienne Westwood Bloomsbury USA

A giftable cookery book with over 100 delicious recipes taken from the author's favourite works of fiction.

Schottenfreude Melville House

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This book looks at aspects of the continuation of witchcraft and magic in Europe from the last of the secular and ecclesiastical trials during the late seventeenth and early eighteenth centuries, through to the nineteenth century. It provides a brief outline of witch trials in late seventeenth- and early eighteenth-century Finland. By the second half of the seventeenth century, as the witch trials reached their climax in Sweden, belief in the interventionist powers of the Devil had become a major preoccupation of the educated classes. Having acknowledged the slight possibility of real possession by the Devil, Benito Feijoo threw himself wholeheartedly into his real objective: to expose the falseness of the majority of the possessed. The book is concerned with accusations of magic, which were formalised as denunciations heard by the Inquisition of the Archdiocese of Capua, a city twelve miles north of Naples, during the first half of the eighteenth century. One aspect of the study of witchcraft and magic, which has not yet been absorbed into the main stream of literature on the subject, is the archaeological record of the subject. As a part of the increasing interest in 'popular' culture, historians have become more conscious of the presence of witchcraft after the witch trials. The aftermath of the major witch trials in Dalarna, Sweden, demonstrates how the authorities began the awkward process of divorcing themselves from popular concerns and beliefs regarding witchcraft.

The Theater of Sport Little, Brown

Impossible to read at one sitting, but utterly unputdownable, Schott's Original Miscellany is a unique collection of fabulous trivia. What other book boasts an index that includes shoelace lengths, sign language, and the seven deadly sins; dueling and dwarves; the hair color of Miss America and the Hampton Court maze? Where else can you find, packed onto one page, the names of golf strokes, a history of the Hat Tax, cricketing dismissals, nouns of assemblage, an unofficial motto of the US Postal Service, and the flag of Guadeloupe? Where else but Schott's Original Miscellany will you stumble across John Lennon's cat, the supplier of bagpipes to the Queen, the labors of Hercules, and the brutal methods of murder encountered by Miss Marple? A book like no other, Schott's Original Miscellany is entertaining, informative, unpredictable, and utterly addictive.

The Little Library Cookbook Manchester University Press

A New York Times Editors' Choice "[T]he stuff of great literature." —The New York Times | "Red or Dead is a winner." —The Washington Post The place where the swinging sixties started – Liverpool, England, birthplace of the Beatles – wasn’t so swinging. Amid industrial blight and a bad economy, the port town’s shipping industry was going bust and there was widespread unemployment, with no assistance from a government tightening its belt. Even the Beatles moved to London. Into these hard times walked Bill Shankly, a former Scottish coal miner who took over the city’s perpetually last-place soccer team. He had a straightforward work ethic and a favorite song – a silly pop song done by a local band, “You’ll Never Walk Alone.” Soon he would have entire stadiums singing along, tens of thousands of people all dressed in the team color red . . . as Liverpool began to win . . . And soon, too, there was something else those thousands of people would chant as one: Shank-lee, Shank-lee . . . In Red or Dead, the acclaimed writer David Peace tells the stirring story of the

real-life working-class hero who lifted the spirits of an entire city in turbulent times. But Red or Dead is more than a fictional biography of a real man, and more than a thrilling novel about sports. It is an epic novel that transcends those categories, until there’s nothing left to call it but – as many of the world’s leading newspapers already have – a masterpiece.

The Novice ANIMA

From the author of the international bestsellers Schott’s Original Miscellany and Schott’s Food and Drink Miscellany comes the third and most playful installment in the series: a miscellanist’s wisdom from the worlds of sports, games, and idling. What other sporting book will explain the rules of elephant polo; the perils of the Cresta Run; the link between crosswords and the devil; the story behind the Nike “swoosh”; or why surfing is the “Sport of Kings” (in Hawaii)? Which other volume will list the seven deadly sins of golf; the secrets of Houdini’s Code; or the myriad personalities of the Pac-Man ghosts? Where else will you stumble across an account of Evel Kneival’s broken bones, a detailing of Mike Tyson’s tattoos, the nicknames for classic poker-hands, or every sporting ailment from jogger’s nipple to housemaid’s knee? You don’t have to be a sports fanatic to enjoy this irresistible volume of factual odds and ends. Schott’s Sporting, Gaming, and Idling Miscellany scores big with its fascinating hodge-podge of sports- and activity-related trivia. Ysbrand Edinburgh University Press

"Even if a magician's powers surface of their own accord, he will soon be dead if he does not gain the knowledge of how to control them." Alone among all the novices in the Magicians' Guild, only Sonea comes from lowly beginnings. Yet she has won powerful allies—including Lord Dannyl, newly promoted to Guild Ambassador. But Dannyl must now depart for the Elyne court, leaving Sonea at the mercy of the lies and malicious rumors her enemies are busy spreading . . . until the High Lord Akkarin steps in. The price of Akkarin's support is dear, however, because Sonea, in turn, must protect his mysteries—and a secret that could lead a young novice mage deep into the darkness. Meanwhile, Dannyl's first order to resume High Lord Akkarin's long-abandoned research into ancient magical knowledge is setting him on an extraordinary journey fraught with unanticipated peril—as he moves ever-closer to a future both wondrous . . . and terrible.

Red or Dead Cambridge University Press

Analyzing football as a cultural practice, this book investigates the connection between the sport and its built environment. Four thematic sections bring together an international multi-disciplinary range of perspectives with particular focus on the stadium. Examples from architectural design, media studies and archaeology are used while studying advertising, economics, migration, fandom, local identities, emotions, gender, and the sociology of space. Texts and case-studies build up this useful book for lecturers and researchers in sociology, cultural studies, geography, architecture, sport and environment.

Rembrandt as Educator Bloomsbury Publishing

"The prosaic romantic hero, Vittorio Kowalski possesses a strange talent: he can remember the weather for every day of the past fifteen years in a certain village in the Austrian Alps. When he is invited to display this uncanny ability on a TV game show, he uncovers memories of his unrequited love for an Austrian girl named Anni, the accident that led to her father's death, and his own near-fatal experience at the place of their secret childhood meetings. As the interview progresses, intricacies of the children's parents' stories unfold to reveal a startling erotic entanglement. On the very last day of the fictional transcription, we learn almost everything else."--Jacket.

The War Come Home Fordham Univ Press

Our lives today are oppressed by the demand that we live, feel and experience with ever greater intensity. We are enticed to try exotic flavors and smells; urged to enjoy a wide range of sexual experiences; pushed to engage in extreme sports and recreational drugs - all in the pursuit of

some new, unheard-of intensity. Tristan Garcia argues that such intensity rarely lives up to its promise. It always comes at a price: one that defines the ethical predicament of contemporary life. The notion of intensity was the hidden key to Garcia's landmark book *Form and Object*. In *The Life Intense*, the first part of his ambitious *Letting Be* trilogy, he begins to develop it in detail. This first book focuses on ethics; the forthcoming volumes will be devoted to politics and then metaphysics.

Schott's Almanac 2006 Springer

Go on an enthralling journey through 40,000 years of art and learn about everything from cave paintings to Cubism! Written by educator and art historian Michael Bird, and illustrated by Kate Evans, *Vincent's Starry Night and Other Stories* is made up of 68 chapters of stories about art through the ages. The book also includes reproductions of featured artworks, a comprehensive timeline of events, and extra feature spreads on places connected with art. Kate Evans is a freelance illustrator with clients including HarperCollins, The Guardian, Macmillan Books, National Geographic,

Transport for London and V&A Magazine. She has had exhibitions in Bristol, Bath, London and Stockholm. Kate lives and works in Bristol.

Bertolt Brecht House of Stratus

First ever and fully annotated translation of Langbehn's subtle and detailed analysis of the North German character. Originally published in 1890, it was a sensation in its day, all the more mysterious because of the anonymity of the author. It remains an important work for cultural historians of the period.

Last Of The Wilds Univ of California Press

"In the honorable vein of elegant, gentleman thieves, comes Allmen, the colorful protagonist of Suter's beautifully observed, deliciously fun novel" (Noah Charney, author of *The Museum of Lost Art*). Johann Friedrich von Allmen, a bon vivant of dandified refinement, has exhausted his family fortune. Forced to downscale, Allmen inhabits the garden house of his former Zurich estate, attended by his Guatemalan butler, Carlos. When not reading novels by Balzac and Somerset Maugham, he plays jazz on a Bechstein baby grand. Allmen's fortunes take a sharp turn when he meets Jojo, a stunning blonde whose lakeside villa contains five Art Nouveau bowls created by renowned French artist Émile Gallé and decorated with a dragonfly motif. Allmen, seeking to pay off mounting debts, absconds with the priceless bowls and embarks on a high-risk, potentially violent bid to cash them in. This is the first of a series of humorous, fast-paced detective novels devoted to a memorable gentleman thief who, with his trusted sidekick, Carlos, creates an investigative firm to recover missing precious objects. "A rollicking good time . . . Bestselling Swiss author Martin Suter may have a classic on his hands in this contemporary crime novel, the first of a series featuring the memorable character of Johann Friedrich von Allmen, gentleman thief." —The Winnipeg Free Press "Suter combines sleight-of-hand suspense with stunning art and slightly worn Old World elegance to create a smartly entertaining read . . . A classy puzzler." —Library Journal "The dark charms of Suter's novel are irresistible from the first pages." —Joshua Max Feldman, author of *Start Without Me*

Kusama HarperCollins Australia

The authors show precisely why the new baseball stadiums in Baltimore, Cleveland, and Arlington "work" better than the concrete doughnuts of the 1960s and 70s. They explain why cricket is best enjoyed in an English village green, against the backdrop of a church tower (preferably with clock), half-timbered pub, haystacks, and elm trees.

The American Employer Zondervan

Schottenfreude is a unique, must-have dictionary, complete with newly coined words that explore the idiosyncrasies of life as only the German language can. Ever thought, There should be a German word for that? Well, thanks to the brilliantly original mind behind Schott's Original Miscellany, now there is. In what other language but German could you construct *le mot juste* for a secret love of bad foods, the inability to remember jokes, Sunday-afternoon depression, the urge to yawn, the glee of gossip, reassuring your hairdresser, delight at the changing of the seasons, the urge to hoard, or the ineffable pleasure of a cold pillow? A beguiling, ideal gift book for the Gelehrte or anyone on your list—just beware of rapidly expanding (and potentially incomprehensible) vocabularies.

Stadium Worlds Laurence King Publishing

A history of the rise and fall of united Germany, which lasted only 75 years from its establishment by Bismark in 1870. Suitable for A Level and upwards. In the OXFORD HISTORY OF MODERN EUROPE series.

Allmen and the Dragonflies HarperCollins Australia

Three generations of the Pentecost family live in a state of permanent disarray in a huge, sprawling farmhouse. Seven-year-old Gaylord Pentecost is the innocent hero who observes the lives of the adults: Grandpa, Momma and Poppa and two aunties, with amusement and incredulity. Through Gaylord's eyes, we witness the heartache suffered by Auntie Rose as the exquisite Auntie Becky makes a play for her gentleman friend, while Gaylord unwittingly makes the situation far worse.
