Grace: The American Vogue Years Hassell Street Press
 The National Book Award finalist and national bestseller exploring the life and legend of Marilyn Monroe Soon to be a Netflix Film starring Ana de Armas, Adrien Brody, Bobby Cannavale and Julianne Nicholson In one of her most ambitious works, Joyce Carol Oates boldly reimagines the inner, poetic, and spiritual life of Norma Jeane Baker—the child, the woman, the fated celebrity, and idolized blonde the world came to know as Marilyn Monroe. In a voice startlingly intimate and rich, Norma Jeane tells her own story of an emblematic American artist—intensely conflicted and driven—who had lost

her way. A powerful portrait of Hollywood's myth and an extraordinary woman's heartbreaking reality, *Blonde* is a sweeping epic that pays tribute to the elusive magic and devastation behind the creation of the great 20th-century American star.

This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information. How we style our hair has the ability to shape the way others perceive us. For example, in 2017, the singer Macklemore denounced his hipster undercut hairstyle, a style that is associated with Hitler Youth and alt-right men, and in 2015, actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype. This volume examines how hair-or lack thereof-can be an important symbol of

gender, class, and culture around the world and through history. Hairstyles have come to represent cultural heritage and memory, and even political leanings, social beliefs, and identity. This second edition builds upon the original volume, updating all entries that have evolved over the last decade, such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss. New entries have been added that look at specific world regions, hair coverings, political symbolism behind certain styles, and other topics.

"I adored Anita, as did the entire fashion and

literary world. She was four feet nine inches of lithe, slender, dramatic chic."—Carol Channing "This book celebrates a character as memorable as any Anita Loos created in her writing. She was an indomitable, wise-cracking prodigy who not only helped create Hollywood, but managed to survive it."—John Sayles "If we can't have the wonderful Anita Loos-smart, witty, literate and fun- writing today's Hollywood movies, at least we can get reacquainted with her and her work through this delightful book. Filled with previously unpublished material, it shows that while gentlemen may have preferred blondes, everyone else in town wisely preferred the

irresistible Ms. Loos."—Kenneth Turan, film critic for the Los Angeles Times "This is a wonderful book about a talented, fascinating, and groundbreaking woman. Her life epitomizes a certain era in show business and describes a Hollywood in which few women were allowed to rise to the top. Anita Loos did and we were all the beneficiaries. I loved the book!"—Peter Duchin "Not only is it valuable to have these delightful Anita Loos pieces, but the biographical chapters are fascinating too."—Kevin Brownlow, author of *David Lean: A Biography*

up adventures, misadventures, and golden-hued nuggets of wisdom in a laugh-out-loud anthem for those of us who really do have more fun. . . . The modern blonde is savvy, wise, confident, capable, and not afraid to laugh at herself when the occasion calls for it. She knows who she is and is prepared to subvert all stereotypes (although she's not above wielding her golden tresses to her advantage), and knows how to be both classy and a little brassy. In the way only a Boston-bred New Yorker who once won "Best Hair" in her high school graduating class could, Coppock doles out tongue-in-cheek advice about avoiding hair disasters, the consequences of

dating a man who cares a little too much about his own hair product, and so much more in an outrageous essay collection that will have even the staunchest of raven-haired beauties considering a trip to the nearest salon.
