**Calvin & Hobbes** Europe Comics

Modern diplomacy began in the fifteenth century when the Italian city-states established resident embassies at the courts of their neighbors. By the sixteenth century, the forms and techniques of the new continuing diplomacy had spread northward to be further developed by the emerging European powers. “The new Italian institution of permanent diplomacy was drawn into the service of the rising nation-states. and served, like the standing army of which it was the counterpart, at once to nourish their growth and foster their idolatry. It still serves them and must go on doing so as long as nation-states survive.” Garrett Mattingly, author of Catherine of Aragon and The Armada, here tells the story of Western diplomacy in its formative period and explains the evolution of the diplomat’s function. His able and lively discussion also forms, in effect, a history of Western Europe from an entirely fresh point of view. “Garrett Mattingly develops his theme with historical skill, a sense of the relevance of his subject to modern problems, and a literary grace all too rare in works of serious scholarship.”-New York Herald Tribune “An important book...carefully and elegantly written.”-Times Literary Supplement “Presents the many facets of a highly complex subject in a way which is as readable as it is scholarly.”-American Historical Review “A remarkable book: bold, scholarly and original, it will appeal equally to the expert and to the historically-minded general reader.”-New Statesman and Nation

**Super Sisters** W. W. Norton & Company

“Eisner was not only ahead of his times; the present times are still catching up to him.”—John Updike Called “a masterpiece” by R. Crumb, A Life Force chronicles not only the Great Depression but also the rise of Nazism and the spread of socialist politics through the depiction of the protagonist, Jacob Shtarkah, whose existential search reflected Eisner’s own lifelong struggle.

**Theological and Semitic Literature for the Year 1901 (Classic Reprint)** SAGE Publications, Incorporated

A groundbreaking interpretation. In Ireland, the seventeenth century was a war zone, but it was also about politics, about wheeling and dealing. In the end, politics failed, and Raymond Gillespie explains why.

*Major Problems in the History of American Workers* Forgotten Books

Tom’s mum is madly gathering stuff from around the house to sell off at a boot sale. Tom’s worried she might get rid of some of his prized things, but then again he might make a little money selling his stuff to buy a scooter! Meanwhile, Business Day is coming up at school. Tom comes up with a brilliant idea for an item his team can sell for Business Day. But because he was busy doodling, Tom accidentally gets himself switched to another group. And Tom’s sister Delia continues to be grumpy, but now she has a key to her bedroom. What is she keeping locked behind that door?

*His Name Was Ptirou* Cinebook

The end of the Cold War - supposedly the era of glasnost and perestroika - has torn the Soviet Union apart at the seams. Buck Danny is sent as an observer and adviser to help the Russian army deal with its arsenal of nuclear weapons. But old communist habits die hard, and some of the Red Army hardliners have other plans.

Wildford’s fiancé, Roald, left on an expedition to the Arctic. No one has heard from him since... Before he departed, he left Emma a letter, only to be opened in the event that he may not return. Refusing to believe that she may never see her beloved Roald again, Emma is determined to set off on her own expedition to

rescue her lost love. “A truly unusual and haunting story that will catch in your heart and stay there.” – Cassandra Parkin

*Music, Sound, and Architecture in Islam* Hors Collection

While trying to escape an avalanche triggered by the killers of the First Families, Ivan drowned. Though this is a less permanent problem that it used to be for the children, Ivan ‘returned’ far from his friends, in a small village in Brittany where he used to holiday with his parents. There he lives alone, preparing for the long trip back to Neo-Salem. Until the day Camille, now revealed as the Midnight Child, pays him a terrifying visit, and the nightmare begins ...

*An Enchantment* Europe Comics

This text, designed for courses in US labor history or the history of American workers, presents a carefully selected group of readings that allow students to evaluate primary sources, test the interpretations of distinguished historians, and draw their own conclusions. Major Problems in the History of American Workers follows the proven Major Problems format, with 14-15 chapters per volume, a combination of documents and essays, chapter introductions, headnotes, and suggested readings.

*Location Identifiers* Scholastic Canada

Highlights the life and accomplishments of English philosopher, scholar, mathematician, and teacher Thomas Hobbes.

*Life Force* Cinebook

The best part of Christmas is getting to hear one of Uncle Paul’s stories. This year, Uncle Paul treats the kids—and us—to the story of the real-life boy who inspired the beloved Spirou. It’s 1929. Ptirou is a circus acrobat who, while the world’s economy is crashing, sees his own world fall apart. Orphaned, and possessing only his skill, a bottle of perfume, and an inherited dream, Ptirou sets out for New York and new adventures. With saboteurs on one side, the lovely Juliette on the other, and his own knack for mischief, Ptirou finds adventure aboard an ocean liner before it’s even left port.

*Renaissance Diplomacy* 9th Cinebook

Music soothes the wild beast ... and brings down walls! Among all the things that make Gomer such a lovable rascal, there are two that are instantly recognisable: his car, and his goofophone. His old lemon, favourite target of the constabulary and every pedestrian’s nightmare, is responsible for half the pollution in town – as well as many of the more ... exotic accidents. The rest of the latter are mostly the result of the terrible ‘musical’ instrument put together by Gomer – stiff competition for the Trumpets of Jericho!

**Mariko Parade** Cinebook

The sociology of education is a rich interdisciplinary field that studies schools as their own social world as well as their place within the larger society. The field draws contributions from education, sociology, human development, family studies, economics, politics and public policy. Sociology of Education: An A-to-Z Guide introduces students to the social constructions of our educational systems and their many players, including students and their peers, teachers, parents, the broader community, politicians and policy makers. The roles of schools, the social processes governing schooling, and impacts on society are all critically explored. Despite an abundance of textbooks and specialized monographs, there are few up-to-date reference works in this area. Features & Benefits: 335 signed entries fill 2 volumes in print and electronic formats, providing the most comprehensive reference resource available on this topic. Cross-References and Suggestions for Further Reading guide readers to additional resources. A thematic "Reader's Guide" groups related articles by broad topic areas as one handy search feature on the e-Reference platform, which also includes a comprehensive index of search terms, facilitating ease of use by both on-campus students and distance learners. A Chronology provides students with historical perspective on the sociology of education.

*Calvin et Hobbes* Europe Comics

The 16th adventure of the reluctant tycoon! Largo Winch is a rare breed of man: a multi-billionaire who distrusts money. Being rich does have advantages, but it also brings headaches, troubles, conspiracies, murder attempts and other despicable behaviour in competitors and underlings. Largo has to stay on top of it all...

*The Complete Peanuts Vol. 1* Gill Books

Of all the members of the X-Men, none has been more popular than Wolverine -- yet the origins of this mutant hero had always been tightly shrouded in mystery. Aside from a few hazy tidbits, Wolverine’s past has always been little more than a blank slate. In WEAPON X, acclaimed writer/illustrator Barry Windsor-Smith peels back this veil of secrecy to reveal how Wolverine’s skeleton became laced with an indestructible adamantium metal. Kidnapped and drugged, Wolverine is subjected to a series of sadistic medical experiments designed to create the perfect soldier. As he battles back against this tortuous experience, Wolverine proves himself to be a true hero long before his days as an X-Man.--Amazon.com.

*An Account of the Receipts and Expenditures of the United States* Piccadilly Books

This groundbreaking book blends international relations and gender history to provide a new understanding of the Spanish-American and Philippine-American wars. Kristin L. Hoganson shows how gendered ideas about citizenship and political leadership influenced jingoist political leaders’ desire to wage these conflicts, and she traces how they manipulated ideas about gender to embroil the nation in war. She argues that racial beliefs were only part of the cultural framework that undergirded U.S. martial policies at the turn of the century. Gender beliefs, also affected the rise and fall of the nation’s imperialist impulse. Drawing on an extensive range of sources, including congressional debates, campaign speeches, political tracts, newspapers, magazines, political cartoons, and the papers of politicians, soldiers, suffragists, and other political activists, Hoganson discusses how concerns about manhood affected debates over war and empire. She demonstrates that jingoist political leaders, distressed by the passing of the Civil War generation and by women’s incursions into electoral politics, embraced war as an opportunity to promote a political vision in which soldiers were venerated as model citizens and women remained on the fringes of political life. These gender concerns not only played an important role in the Spanish-American and Philippine-American wars, they have echoes in later time periods, says the author, and recognizing their significance has powerful ramifications for the way we view international relations. Yale Historical Publications

**Teaching with Calvin and Hobbes** Cinebook

Twenty years have passed since the survivors of the Corsair crash emerged from the jungle. But suddenly they begin dropping like flies. Rafalowski, the cowardly pianist, vanishes. Miss Taylor, the nanny, drowns. Draillac, who was 12 at the time of the accident, is kidnapped and believed dead... His abductors are actually members of an intelligence service and staged his death ... to save his life – someone is trying to eliminate all the survivors...

The 15th adventure of the reluctant tycoon! Largo Winch is a rare breed of man: a multi-billionaire who distrusts money. Being rich does have advantages, but it also brings headaches, troubles, conspiracies, murder attempts and other despicable behaviour in competitors and underlings. Largo has to stay on top of it all...

**Alone - Volume 11** Papercutz

This first volume, covering the first two and a quarter years of the strip, will be of particular fascination toPeanuts aficionados worldwide: Although there have been literally hundreds of

Peanuts books published, many of the strips from the series' first two or three years have never been collected before—in large part because they showed a young Schulz working out the kinks in his new strip and include some characterizations and designs that are quite different from the cast we're all familiar with. (Among other things, three major cast members—Schroeder, Lucy, and Linus—initially show up as infants and only "grow" into their final "mature" selves as the months go

by. Even Snoopy debuts as a puppy!) Thus *The Complete Peanuts* offers a unique chance to see a master of the art form refine his skills and solidify his universe, day by day, week by week, month by month.

**Twenty Years Later** University of Texas Press

Beautifully constructed in a semi-classical style, this graphic novel features a light-spirited romantic story. This latest installment in the Louvre collection tells the tale of a museum director in a waking dream after his retirement dinner where he wanders the vast halls of the museum before eloping with a muse. The magic of the vast museum melds with the ethereal storytelling to create a unique graphic novel that stands as an unforgettable experience.
