Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. 2 Tim. 2:15It started with a revelatation she received while peeling potatoes in her kitchen in Oklahoma and listening to a message by Kenneth E. Hagin. Since that memorable day, Dr. Billye Brim has studied and taught on the rules of Bible interpretation and the three groups of people spoken of in scripture that are so important to understanding the Word of Truth.How to Rightly Divide the Word will give you a firm foundation for your study of the Bible and help you to avoid the

errors that have done so much harm to the church over the centuries.

If you don't know what the Bible says or what it says about you, you'll fall prey to deception. This inspiring book describes how to effectively interpret the Bible. It's not meant to be controversial; however, it will be contrary to many religious teachings you have ever heard. Yet it is my responsibility to teach. It is not my intention to do a comprehensive study of the Bible. Religious ideas about Scriptures have held the body of Christ in bondage because the enemy has perverted their minds to the great truths in the word of God. The enemy steals what you do not understand. God designed His word to give you everything for life and godliness. His word works and knows no

time or distance. This book will shed light on the real meaning of many misunderstood scriptures in the Bible by rightly dividing the word of God. Rightly Dividing the Word of Truth Createspace Independent Publishing Platform

PAUL'S exhortation to the younger preacher, Timothy, has come home to many with great power in recent years. As a result, there has been a return to more ancient methods of Bible study, which had been largely neglected during the centuries of the Church's drift from apostolic testimony. Augustine's words have had a re-affirmation: "Distinguish the ages, and the Scriptures are plain." And so there has been great emphasis put in many quarters, and rightly so, upon the study of what is commonly known as "dispensational" truth.

Dispensational Truth is the Rev. Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts. A must-have book for any student of dispensationalism, the book contains more than 115 charts, maps, and drawings. The result of thirty years of study, Dispensational Truth is a gold mine of information on prophetic truth for the busy pastor, evangelist, Bible teacher, and everyone who loves God's Word. In fact, Larkin's charts have been called "the gold standard" of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920.

The Master Key to Understanding the Bible

Where will you spend eternity? The Bible can be seen as a reflection of our lives. We are born, we live, and we die. Genesis shows the birth of humankind. Revelation shows its end. Or is it? In Genesis, Satan brought sin into the world and with sin, death. Revelation shows how sin and death will end so eternal life begins. What a divine paradox. Through Christ, what started with death shall end with an endless life: I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. (Revelation 1:18) For believers, death will no longer be because death and hell were cast into the lake of fire. This is the second death. (Revelation 20:14) Along with death and hell, Satan, the Antichrist, the false prophet, and all rebellious nonbelievers will be cast into the lake of fire. Consequently, we should evade such lot. But how? Faith cometh by hearing, and hearing by the word of God. (Romans 10:17) Are you studying the Bible? Do you understand it correctly? Are you mixing messages meant for you with the ones not meant for you? Are you

incorporating hypothesis, personal interpretations, traditions, or false doctrines? Are you a lukewarm believer? So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. (Revelation 3:16) This book will serve as a tool to increase your biblical understanding, therefore your faith. Avoid the day of judgment.

Don't be a tepid believer. Understand the Bible correctly, and the right way is by following the advice given by the apostle Paul: Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2 Timothy 2:15)

Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word. If we follow these guidelines, we will be able to know God's will and his truth. God does not intend for us to know everything in this life for faith is crucial to the Christian life, but that which He is willing to share is there inside His Word. However, one must know how to approach it. This book not only show you how to do this, but gives examples of it being applied. It also covers many biblical doctrines using this format to show how these doctrines must be understood.

Celebrated theologian, preacher and author C. I. Scofield explains descriptions of Christian qualities in the New Testament, and the Gospels of Christ in this excellent Bible study and devotional book. In this

superbly detailed examination of the New Testament, Scofield demonstrates how dispensationalism can aid Christians in receiving the true meaning of the scriptures. Making careful distinctions between the gospels and the nature of Christian belief, Scofield demonstrates how God divided the various gospels over time, and explains how to distinguish between these divisions. Throughout this work we observe how the author supports his words with frequent quotations of the scripture. We learn how the believer must act when adhering to Christ's teachings, and of how the Christian may please God and receive his blessings. Holding to beliefs in God in spite of life's trials, adhering to the principles of moral virtue, and understanding the fundamental truths of the Bible are emphasized.

The Old Testament and the Gospels have three levels of interpretation: historical, Christological, and prophetic. Because Christ is fully revealed in the New Testament, the epistles have only two levels, the historical and the prophetic. Much is lost when Christians only see and study the Scriptures from the historical vintage point. Rightly Dividing the Word reveals these hidden prophetic treasures to the discerning student.

How to Rightly Divide the Word Holy Fire Pub
This book is a guide on how to study the Bible using Biblical principles. We need to know the scriptures accurately to

know who God is and how He want us to live. God's word tells us to apply ourselves to know what He told us, to run after that knowledge to handle it correctly in order to serve and work acceptably for Him. This necessitates that we wholeheartedly and continuously seek the answers and guidelines of truth as found in the Scriptures. If we do not, if we are lazy or put this as a low priority, we will be ashamed when we see our Lord face to face. His word is life's source. Here we will look at what it means to rightly divide or accurately understand the Bible's truth to know God and make Him known, to put it above mere tradition and man's philosophy, to learn and teach with sound understanding and equally valid application of what we are to live by. Our adversary led us astray with "has God indeed (really) said," in order to lessen the authority of God's word and good will for us. We must not yield to this deception from our own thinking or from others, but cut His word straight to know and follow the truth that has set us free. The Bible is the word of God. In [Rightly Dividing the Word of Truth](#), author C.L. Chapman helps Christians understand and embrace the life messages and lessons contained in the Bible. Delivering timely information, this guide is divided into two books. The first book, [On Defense](#), discusses how to discern the difference between sound Biblical information and erroneous misinformation. It illustrates both the errors and the intended misinformation about the Bible and its contents and demonstrates how to deal with both the misinformation and those who spread it. The second book, [Reaching Forth](#), explains how to glean the basic information needed to grow, mature, and profit spiritually from the Bible and its message in order to become both victorious and fruitful in the Lord. Chapman teaches that the Bible does not need decoding; it only needs to be understood and its message embraced. It is the word of God that produces life, health, peace, victory, prosperity, deliverance, and abundant blessings for

believers even in these tumultuous end-times. **Harmonizing Scripture** Hendrickson Publishers
These study guides, part of a set from noted Bible scholar, John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. This work on Second Timothy is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines, and how they relate to the whole of the Bible. This passage-by-passage study of the Epistle of 2 Timothy follows John MacArthur's orientation toward explanation and exposition rather than overly-academic concentration on linguistics, theology, or homiletics. A melodious chord

throughout the greatest story ever told is contained within the greatest book ever written. Only man's voice, not God's, has interpreted within it, notes that don't go together, composing lines of contradictions and misinterpretations as they tried to sing it. The Master Maestro conducts a beautiful flowing melody from the beginning (Genesis) to the end (Revelation) if we have but ears to hear the words and the music.

"HARMONIZING SCRIPTURE" will cause the Master's words to once again sound like the beautiful babbling of a brook whose waters refresh, as it will fill in missing notes and bring clarity of sound to that which we failed to hear when we first began to sing His story.

Cheryl is grateful to God for leading her to an Amazing Fact Seminar that was held in her hometown ten years ago. As the word of God was opened to her, she learned things she had been taught and things she had believed all her life were not biblical. Cheryl concluded the reason she was blind to the word of God is she took the word of man and did not take what she was taught from man to see if it was in agreement with the word of God. This deeply pierced her heart to know that not only had she lived a life based on the traditions of man but she taught others to live these ways as well. Though she cannot press

an undo button, she has dedicated her life to the study of Gods word so she can intelligently discuss and teach others the word of God.
