How to Apply for a Position by Letter and Interview Lulu.com

This handbook is intended to help people find work in as short a time as possible. It begins with suggestions on how to get ready for a job search: organizing time, getting a clear picture of what kind of work to look for, and determining where suitable work can be found. This is followed by sections covering ways to find work opportunities, gathering information on employers, choosing a work search plan, marketing personal skills to prospective employers, creating resumes and career portfolios, filling out application forms, writing covering letters and curriculum vitae,

submitting contract proposals, handling interviews and rejection, and what to do if accepted for employment. Appendices include sample resumes and covering letters.
