These books are as different as they can possibly be; and yet there are not many boys and girls who do not like every one of them. The chief reason for this is because they seem so true, so much more "real" than most other stories. When you read about Tom Thumb, for instance, you do not really believe that there ever was a little boy no bigger than his mother's thumb; at least, you do not believe it in the same way that you believe the sun shines or the wind blows; but when you read "Robinson Crusoe," you feel as if every word of it must be true. The first of these books is "The Pilgrim's Progress." In one way it is a little like a fable; that is, when you read it the first time, it is simply a good story. Afterwards-sometimes a long while afterwards-you read it again or sit thinking about it, and suddenly you see that it has another meaning, that it is more than the story of a man who makes a wonderful journey. This book was written in jail by a man named John Bunyan. The English laws of that time would not allow any one to preach except clergymen of the Church of England. Bunyan, however, felt that it would be wicked for him to obey these laws, so he kept on preaching. He was thrown into prison, and the prisons of those days were horrible places. "If you will promise not to preach again, you shall be free," said the officers. "If you let me out to-day I will preach again to-morrow," declared Bunyan; and meanwhile he preached to the other prisoners. He thought of his wife and children and of how little he could do to support them while he was in jail; he thought of his little blind daughter Mary; but still he said to himself, "I must, I must do it." For twelve long years he stayed in prison. He made tags for shoe laces to sell to help his family; and he wrote the book that has been read by more people than any other volume except the Bible. The second book, "Robinson Crusoe," was written by Daniel Defoe; and he, too, knew what it was to be in jail. He was not imprisoned for preaching, but for his political writings. Once when he had written a pamphlet that did not please the authorities, he was condemned to stand in the pillory. The people took his part, and, instead of throwing stones at him, they dropped roses about him and bought thousands of copies of a poem that he had written while in jail. He wrote many books, but his best, "Robinson Crusoe," was produced after he had become a middle-aged man and had some money and a big, homely house with plenty of ground for his favorite gardening. The way the book came to be written was this. A sailor named Alexander Selkirk spent more than four years alone on the island of Juan Fernandez. When he was rescued and brought to England, many people went to	gaze at him in his goatskin clothes and to hear him talk about his life on the island. Defoe went with the others, and he never forgot the stories told by the sailor in goatskins. Seven years later he worked in his garden and thought about the desert island... <i>The V-Word</i> Modern Library THE BLOCKBUSTER HIT—Over two million copies sold! Deciding to have sex for the first time is a choice that's often fraught with anxiety and joy. But do you have	anyone telling you what sex is really like? In The V-Word seventeen writers (including Christa Desir, Justina Ireland, Sara Ryan, Carrie Mesrobian, Erica Lorraine Scheidt, and Jamia Wilson) pull back the sheets and tell all, covering everything from straight sex to queer sex, diving-in versus waiting, and even the exhilaration and disappointment that blankets it all. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, The Tiger is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest. <i>Thought Provoking Lessons of Life</i> AuthorHouse Choose: a quick death... or slow poison... “Charming. . . . A moving testament to the diversity and depths of love.” —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice

gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

From Orlando Figes, international bestselling author of *A People's Tragedy*, *Just Send Me Word* is the moving true story of two young Russians whose love survived Stalin's Gulag. Lev and Svetlana, kept apart for fourteen years by the Second World War and the Gulag, stayed true to each other and exchanged thousands of secret letters as Lev battled to survive in Stalin's camps. Using this remarkable cache of smuggled correspondence, Orlando Figes tells the tale of two incredible people who, swept along in the very worst of times, kept their devotion alive. Orlando Figes was granted exclusive access to the thousands of letters between Lev and Sveta that form the foundation of *Just Send Me Word*, and he was able to interview the couple in person, then in their nineties. These real-time and largely uncensored letters form the largest cache of Gulag letters ever found. Reviews: 'One is overcome with admiration for the kindness, bravery and generosity of people in terrible peril ... It is impossible to read without shedding tears' Simon Sebag Montefiore, *Financial Times* 'This powerful narrative by a distinguished historian will take its place not just in history but in literature' Robert Massie 'Electrifying, passionate, devoted, despairing, exhilarating ... a tale of hope, resilience, grit and love' *The Times* 'Moving ... a remarkable discovery' Max Hastings, *Sunday Times* 'The gulag story lacks individuals for us to sympathise with: a Primo Levi, an Anne Frank or even an Oskar Schindler. *Just Send Me Word* may well be the book to change that' Oliver Bullough, *Independent* 'Immensely touching ... [a] heartening gem of a book' Anna Reid, *Literary Review* 'The remarkable true story of a love affair between two Soviet citizens ... as much a literary challenge as a historical one: the book can be read as a non-fiction novel' *Telegraph* 'Remarkable ... Figes, selecting and then interpreting this mass of letters, makes them tell two kinds of story. The first is a uniquely detailed narrative of the gulag, of the callous, slatternly universe which consumed millions of lives ... The second is about two people determined not to lose each other' Neal Ascherson, *Guardian* 'A quiet, moving and memorable account of life in a totalitarian state ... The book often reads like a novel ... captivating' *Evening Standard* 'Orlando Figes has wrought something beautiful from dark times' Ian Thomson, *Observer* 'A heart-rending record of extraordinary human endurance' *Kirkus Reviews* '[A] remarkable tale of love and devotion during the worst years of the USSR ... [Figes's] fine narrative pacing enhances this moving, memorable story' *Publishers Weekly* About the author: Orlando Figes is Professor of History at Birkbeck College, University of London.
