*Essential SBAs in Clinical Specialties for Medical Students* Scion Publishing Ltd

Part 2 MRCOG: SBA Questions contains invaluable preparation and practice for candidates undertaking the Royal College of Obstetricians and Gynaecologists Part 2 MRCOG examination. It contains 400 practice questions written by a highly experienced team of MRCOG question writers, alongside detailed answers referencing each question to either an RCOG, NICE or WHO guideline, or an article in the professional journal 'The Obstetrician & Gynaecologist'. This will enable candidates to understand the reasoning and knowledge base behind the question, as well as giving them a clear reference should they wish to read further around the subject. The first part of the book introduces and explains the new format of the Part 2 MRCOG exam, giving insightful advice on the skills required to write a good SBA question. The second part of the book contains chapters matched to the 15 of the 19 modules of the core curriculum, giving a comprehensive range of questions and answers with detailed explanations and references. For anyone preparing for the Part 2 MRCOG exam, this book will provide extensive and comprehensive practice and guidance from an expert author team.

**MRCOG Part 2: 200-plus EMQs, MCQs and SBAs** CRC Press

This new e-book presents a selection of over 200 self-assessment questions in EMQ, MCQ and SBA format from the trainee journal Obstetrics, Gynaecology and Reproductive Medicine, mapped by module to the MRCOG Part 2 exam. These questions are designed to test and apply the knowledge essential for candidates to pass MRCOG Part 2. They are also ideal for life-long learning, CPD and, indeed, preparation for all post-graduate exams in obstetrics (not just MRCOG), including especially the new EBCOG exam in Europe and local college exams in India, the Middle East and Africa.

*MRCOG Part 2: 500 SBAs and EMQs* Universiti Malaysia Sabah Press

Eranthi Samarakoon understands the difficulties faced by students ever since the single best answer (SBA) questions were introduced in medical curricula in many countries around the world. She realises that the successful preparation for a professional examination requires understanding the style of the questions asked and the process of the examination. With these goals in mind, she has produced this set of two books containing a large number of questions in obstetrics (214) and gynaecology (214) to help the students in facing the examination with confidence.

Part 2 MRCOG: Single Best Answer Questions Cambridge University Press

An examination practice and comprehensive review of the exam syllabus, to assist candidates preparing for the Part 2 MRCOG examination.

SBAs for the Part 1 MRCOG Elsevier Health Sciences
