'You empower yourself and then you reach out to others.' Uplifting life lessons from one of the greatest leaders the world has ever known... through the eyes of the grandson whose life he changed forever. In his book *Going to the Mountain*, Ndaba Mandela shares the story of his coming-of-age alongside South Africa's rebirth. It is a remarkable journey, and one that took him from the violent, segregated Soweto ghettos to his grandfather's presidential home. As a young boy, Ndaba was constantly shunted from place to place. But at eleven years old he was unexpectedly invited to live with his grandfather, Nelson Mandela, even though he had met him only once before, during a prison visit. And, slowly, they built a relationship that would affect both of them profoundly. Ndaba's teenage years were complicated, but as he approached his twenty-first birthday, Mandela decided that Ndaba was finally ready to 'go to the mountain' - a test of courage during which you become a man. At the end of this gruelling ritual journey, the elders of the Mandelas' tribe gathered and Ndaba's grandfather was there, as ever, to share his greatest life lessons. From Nelson Mandela, Ndaba learned the spirit of endurance, the triumph of forgiveness, the power of resistance and the beauty of reconciliation. And as Mandela grew older, Ndaba had the chance to repay his grandfather's love and support by demonstrating the ways in which he'd understood all that he had taught him. Intimate and inspirational, *Going to the Mountain* is a powerful reminder of how one person can impact profoundly on another, and a testament to the awesome power within us to change ourselves and our world.

In the basement of a Boston bookstore, Firmin is born in a shredded copy *Finnegans Wake*, nurtured on a diet of Zane Grey, *Lady Chatterley's Lover*, and *Jane Eyre* (which tastes a lot like lettuce). While his twelve siblings gnaw these books obliviously, for Firmin the words, thoughts, deeds, and hopes—all the literature he consumes—soon consume him. Emboldened by reading, intoxicated by curiosity, foraging for food, Firmin ventures out of his bookstore sanctuary, carrying with him all the yearnings and failings of humanity itself. It's a lot to ask of a rat—especially when his home is on the verge of annihilation. A novel that is by turns hilarious, tragic, and hopeful, *Firmin* is a masterpiece of literary imagination. For here, a tender soul, a vagabond and philosopher, struggles with mortality and meaning—in a tale for anyone who has ever feasted on a book...and then had to turn the final page. NOTE: This edition does not include illustrations.

The Sahara: a dream-like, far away landscape of Lawrence of Arabia and Wilfred Thesiger, The English Patient and Star Wars, and home to nomadic communities whose ways of life stretch back millennia. Today it's a teeth-janglingly dangerous destination, where the threat of jihadists lurks just over the horizon. Following in the footsteps of 16th century traveller Leo Africanus, Nicholas Jubber went on a turbulent adventure to the forgotten places of North Africa and the legendary Timbuktu. Once the seat of African civilization and home to the richest man who ever lived, this mythic city is now scarred by terrorist occupation and is so remote its own inhabitants hail you with the greeting, 'Welcome to the middle of nowhere'. From the cattle markets of the Atlas, across the Western Sahara and up the Niger river, Nicholas joins the camps of the Tuareg, Fulani, Berbers, and other communities, to learn about their craft, their values and their place in the world. *The Timbuktu School for Nomads* is a unique look at a resilient city and how the nomads pit ancient ways of life against the challenges of the 21st century. *100 Adventures to Have Before You Grow Up* Univ of California Press

A penetrating study of passion, suffering, and loss from one of Norway's most tenacious writers: National Book Award Finalist and PEN translation prize winner Hanne Ørstavik. Celebrated throughout the world for her candor and sensitivity to the rhythms of language, Hanne Ørstavik is a leading light on the international stage. Ørstavik writes with "a compulsion for truth that feels like [her] very life force itself." Laced with a tingling

frankness, Ørstavik's prose adheres so closely to the inner workings of its narrator's mind as to nearly undo itself. In Martin Aitken's translation, Ørstavik's piercing story sings. Ti Amo brings a new, deeply personal approach, as the novel is based in Ørstavik's own experience of losing her Italian husband to cancer. By facing loss directly, she includes readers in an experience that many face in isolation. Written and set in the early months of 2020, its themes of loss and suffering are particularly well suited for a time of international mourning. What can be found within a gaze? What lies inside a painting or behind a handful of repeated words? These are the questions that haunt our unnamed narrator as she tends to her husband, stricken with cancer, in the final months of his life. She examines the elements of their life together: their Vietnamese rose-colored folding table where they eat their meals, each of the New Year's Eves they've shared, their friendships, and their most intimate exchanges. With everything in flux, she searches for the facets that will remain.

Warm, wise, and magical—the latest novel by the bestselling author of *THE LITTLE PARIS BOOKSHOP* and *THE LITTLE FRENCH BISTRO* is an astonishing exploration of the thresholds between life and death. Henri Skinner is a hardened ex-war reporter on the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, *THE BOOK OF DREAMS* is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.
