This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

Marco Santagata illuminates one of the world’s supreme poets from many angles—philosopher, father, courtier, political partisan. He brings together a vast body of Italian scholarship on Dante’s medieval world, untangles a complex web of family relationships for English readers, and shows the influence of local and regional politics on his writing.

The Bears' Famous Invasion of Sicily Penguin

From Susan Vreeland, bestselling author of such acclaimed novels as Girl in Hyacinth Blue, Luncheon of the Boating Party, and Clara and Mr. Tiffany, comes a richly imagined story of a woman’s awakening in the south of Vichy France—to the power of art, to the beauty of provincial life, and to love in the midst of war. In 1937, young Lisette Roux and her husband, André, move from Paris to a village in Provence to care for André’s grandfather Pascal. Lisette regrets having to give up her dream of becoming a gallery apprentice and longs for the comforts and sophistication of Paris. But as she soon discovers, the hilltop town is rich with unexpected pleasures. Pascal once worked in the nearby ochre mines and later became a pigment salesman and frame maker; while selling his pigments in Paris, he befriended Pissarro and Cézanne, some of whose paintings he received in trade for his frames. Pascal begins to tutor Lisette in both art and life, allowing her to see his small collection of paintings and the Provençal landscape itself in a new light. Inspired by Pascal's advice to “Do the important things first,” Lisette begins a list of vows to herself (#4. Learn what makes a painting great). When war breaks out, André goes off to the front, but not before hiding Pascal’s paintings to keep them from the Nazis’ reach. With German forces spreading across Europe, the sudden fall of Paris, and the rise of Vichy France, Lisette sets out to locate the paintings (#11. Find the paintings in my lifetime). Her search takes her through the stunning French countryside, where she befriends Marc and Bella Chagall, who are in hiding before their flight to America, and acquaints her with the land, her neighbors, and even herself in ways she never dreamed possible. Through joy and tragedy, occupation and liberation, small acts of kindness and great acts of courage, Lisette learns to forgive the past, to live robustly, and to love again. Praise for Lisette’s List “Vreeland’s love of painters and painting, her meticulous research and pitch-perfect descriptive talents . . . are abundantly evident in her new novel.”—The Washington Post “This historical novel’s . . . great strength is its lovingly detailed setting. . . . Readers will enjoy lingering in the sun-dappled, fruit-scented Provençal landscape that Vreeland brings to life.”—The Boston Globe

Ghetto Brother New York Review of Books

Good parents everywhere know the tension of wanting our kids to be curious, to have rich experiences and friends...but to be perfectly safe while doing it. Little Fox knows all about it! His father (in classic picture book fashion) warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect both the beauty he’s seen and the scary things he’s heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox ★ "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review

Porphyry. Red imperial porphyry. Power and religion-Rosso imperiale. Potere e religione. Ediz. illustrata Houghton Mifflin Harcourt

An engrossing and counter view of one of the most dangerous elements of American urban history, this graphic novel tells the true story of Benjy Melendez, a Bronx legend who founded, at the end of the 1960s, the formidable Ghetto Brothers gang. From the seemingly bombed-out ravages of his neighborhood, wracked by drugs, poverty, and violence, he managed to extract an incredibly positive energy from this riot ridden era: his multiracial gang promoted peace rather than violence. Among its many accomplishments, the gang held weekly concerts on the streets or in abandoned buildings, which fostered the emergence of hip-hop.

Thirty years ago, David Leavitt first appeared on the literary scene with a gutsy story collection that stunned readers and reviewers. Just twenty-three, he was hailed as a prodigy of sorts: “remarkably gifted” (The Washington Post), with “a genius for empathy” (The New York Times Book Review) and “a knowledge of others' lives . . . that a writer twice his age might envy” (USA Today). “Regardless of age,” wrote the New York Times, “few writers so effortlessly achieve the sense of maturity and earned compassion so evident in these pages.” In “Territory,” a well-intentioned, liberal mother, presiding over her local Parents of Lesbians and Gays chapter, finds her acceptance of her son's sexuality shaken when he arrives home with a lover. In the title story, a family extended through divorce and remarriage dances together at the end of a summer party-in the recognition that they are still bound by the very forces that split them apart. Tender and funny, these stories reveal the intricacies and subtleties of the dances in which we all engage.

Dino Buzzati's classic tale chronicles the terrible winter that sent the starving bears down into the valley in search of food, as well as their struggles with an army of wild boars, a wily professor who may or may not be a magician, snarling Marmoset the Cat, and, worse still, treachery within their own ranks. Over all this, the bears triumph with bravery, ingenuity, humility, and high spirits.

A dog with a plan adopts a chaotic family in a wry comedy extolling the virtues of common sense. youngest child, is wise enough to see that this family is in need of rescue. Enter McTavish, a rescue dog who, true to his mission, is ready to teach this family some new tricks.
