FBI Agent Thomas Bristol has wanted Cassi Nolan since he was a kid. Now Cassi is wanted by the law and he's tracking the little thief down. The former prom queen was always wild, even when she was befriending poor foster child Tommy. But he never thought she could turn this bad: swindling destitute old ladies out of thousands, jilting men after stealing their cash. Cassi has changed—no doubt about it. So he can't let those guileless blue eyes trick him into letting her go. Even if she does profess her innocence...and her story is starting to make sense. He made vows to follow the law to the letter. And he won't let a word like love get in the way.

This celebration of the simple, hospitable cooking of Italy's small regional restaurants is unmatched in both authenticity and scope. Slow Food, the international defender of local food

traditions, scoured the countryside of every region of Italy to collect and share the best traditional recipes from osterie, the humble local taverns that preserve the heritage of true Italian cooking. This cookbook is the culmination of that research—1,000 compelling recipes that highlight ingenuity with rustic ingredients and the generous hospitality of these off-the-beaten-track gems where we all dream of dining. Within the book, these homegrown chefs share their knowledge of local ingredients worth searching out, cooking techniques that vary from region to region (and even from town to town), and charming culinary customs. From cornmeal pizza with chicory and zucchini parmesan to pork ribs with cabbage and mushrooms, this is eminently cookable Italian food, perfect for everyday family meals and feasts alike. Each recipe is labeled with its region of origin, and indexes by both region and principal ingredient are provided. Osteria is an essential resource for every cook (and armchair traveler) who wants the secrets of Italian cooking straight from the source.
