Units 7-12 in this level teach the language, skills, and strategies that students need to progress beyond intermediate level and to speak and write in English naturally, effectively, and appropriately. From the same author team as the groundbreaking Touchstone series, Viewpoint 1B also draws on the Cambridge International Corpus which underpins a highly effective approach to teaching English language.

Touchstone Level 4 Student's Book Cambridge University Press

More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, Orientalism remains one of the most important books written about our divided world.

Touchstone Level 3 Student's Book A Routledge

As You Like it Cambridge University Press

Hailed for her rich and powerful works of psychological suspense as well as her New York Times bestselling mysteries, Laurie R. King now takes us to a remote cottage in Cornwall where a gripping tale of intrigue, terrorism, and explosive passions begins with a visit to a recluse upon whom the fate of an entire nation may rest—a man code-named . . . It's eight years after the Great War shattered Bennett Grey's life, leaving him with an excruciating sensitivity to the potential of human violence, and making social contact all but impossible. Once studied by British intelligence for his unique abilities, Grey has withdrawn from a rapidly changing world—until an American Bureau of Investigation agent comes to investigate for himself Grey's potential as a weapon in a vicious new kind of warfare. Agent Harris Stuyvesant desperately needs Grey's help entering a world where the rich and the radical exist side by side—a heady mix of the powerful and the celebrated, among whom lurks an enemy ready to strike a deadly blow at democracy on both sides of the Atlantic. Here, among a titled family whose servants dress in whimsical costumes and whose daughter conducts an open affair with a man who wants to bring down the government, Stuyvesant finds himself dangerously seduced by one woman and—even more dangerously—falling in love with another. And as he sifts through secrets divulged and kept, he uncovers the target of a horrifying conspiracy, and wonders if he can trust his touchstone, Grey, to reveal the most dangerous player of all Building to an astounding climax on an ancient English estate, Touchstone is both a harrowing thriller by a master of the genre and a thought-provoking exploration of the forces that drive history—and human destinies.
