STEWART ROTH

Andrew Lloyd Webber for Ukulele (Songbook) Hal Leonard Corporation
When Bing Crosby's "White Christmas" debuted in 1942, no one imagined that a holiday song would top the charts year after year. One of the best-selling singles ever released, it remains on rotation at tree lighting ceremonies across the country, in crowded shopping malls on Black Friday, and at warm diners on lonely Christmas Eve nights. Over the years, other favorites have been added to America's annual playlist, including Elvis Presley's "Blue Christmas," the King Cole Trio's "The Christmas Song," Gene Autry's "Rudolph the Red-Nosed

Reindeer," Willie Nelson's "Pretty Paper," and, of course, Elmo & Patsy's "Grandma Got Run Over by a Reindeer." Viewing American holiday values through the filter of familiar Christmas songs, Ronald Lankford examines popular culture, consumerism, and the dynamics of the traditional American family. He surveys more than seventy-five years of songs and reveals that the "modern American Christmas" has carried a complex and sometimes contradictory set of meanings. Interpreting tunes against the backdrop of the eras in which they were first released, he identifies the repeated themes of nostalgia, commerce, holiday blues, carnival, and travesty that underscore so much beloved music. This first full-length analysis of the lyrics, images, and commercial forces

inextricably linked to Yuletide music hits the heart of what many Americans think Christmas is--or should be.

Billboard Harper Collins

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

A Charlie Brown Christmas McFarland

Although Vince Guaraldi's playful jazz piano themes for the early Peanuts animated television specials are well known, the composer himself remains largely unheralded. More than merely "the Peanuts guy," Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman, and garnered Top 40 fame with his Grammy Award-winning hit "Cast Your Fate to the Wind." This career study gives Guaraldi long-overdue recognition, chronicling his

years as a sideman; his attraction to the emerging bossa nova sound of the late 1950s; his collaboration with Brazilian guitarist Bola Sete; his development of the Grace Cathedral Jazz Mass; his selection as the fellow to put the jazz swing in Charlie Brown's step; and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s. Throughout, this welcome volume conveys the magic and legacy of one of jazz music's overlooked treasures.

In the words of one reader, Brian W. Fairbanks has a real talent for extracting the essence of a given subject and articulating it in a meaningful way. In WRITINGS, the author collects some of his finest essays and criticism spanning

the years 1991-2005 and covering four subjects: FILM LITERATURE MUSIC SOCIETY Whether offering an insightful analysis of film noir, examining Benjamin Franklin's impact on American society, taking a clear-eyed, non-partisan look at democrats, republicans, the 2004 presidential campaign, George W. Bush, and the war on terror, or lambasting the corruption of television news, Brian W. Fairbanks is ingenious with a sophisticated yet effortlessly readable style. Also available in two hardcover editions.
