Renaissance Intarsia

Createspace Independent Publishing Platform
 Intarsia refers to the ancient art of wooden mosaics -- making pictures in wood. The authors have taken this art form and adapted it for today's woodworker. Using easily available woods and common woodworking tools such as scroll and band saws, the average woodworker can produce beautiful wooden reliefs through step-by-step instruction. The included patterns range from large, majestic portraits and murals to small jewel-like mosaics. Full-color photographs illustrate the beautiful and intricate work possible in the realm of intarsia.
