Over the past decade and a half, girls' involvement in the juvenile justice system has increased. Yet the topic remains under-studied among criminologists. The Delinquent Girl is a "state-of-the-field" evaluation that identifies and analyzes girls who become delinquent, the kinds of crimes they commit and the reasons they commit them. The distinguished academics and practitioners who contributed to this volume provide an overview of the research on girls' delinquency, discuss policy implications and point to areas where further research is critically needed.

Find the droids you know and love and discover new favorites along the way. This Star Wars guide with a twist showcases a world of droids in close-up detail. Arranged from smallest to biggest, more than 50 droids of the galaxy are revealed with stunning photography and gorgeous artwork. The evocative descriptions will delight children and let them discover amazing droid facts, such as what tools R2-D2 uses and why GNK droids make a "gonk gonk" noise! Each page features fun droid facts and detailed close-up photographs for children to pore over, including firm favorites such as C-3PO and BB-8 as well as more unusual ones such as Professor Huyang, police droids, tiny probe droids, and new The Rise of Skywalker droid D-O. Star Wars Extraordinary Droids is a perfect gift for children who can't get enough of a galaxy far, far away. The book covers droids small (quiet, little mouse droids) and big (vulture droid starfighters), kind (memoir-writing PZ-4CO) and scary (droidekas), and will be a treasured favorite book to keep. © & TM 2020 LUCASFILM LTD.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can

do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Japanese conventions about comedy and laughter are largely unanalyzed. For many students of Japanese culture and visitors to Japan, Japanese humor seems obscure, incomprehensible, paradoxical, and even nonexistent. By bringing together scholarly insights and original research by both Japanese and non-Japanese experts, Jessica Milner Davis bridges the differences between humor in Japan and the West and examines the entire spectrum of Japanese humor, from ancient traditions and surviving rituals of laughter to norms of joke-telling in ordinary conversation in Japan and America. For anyone interested in Japan, Japanese culture, and humor studies, Understanding Humor in Japan is an important teaching tool. It provides accessible, illustrative examples of humor in both Japanese and English with explanations of their meaning and cultural significance.

Scholarly yet readable, these essays offer intelligent discussion on such topics as the Japanese delight in wordplay, the comic content of Japanese newspapers, the role of film and television in developing Japanese stand-up comedy, and formal censorship and its impact on humorous writing and self-expression in Japan. Understanding Humor in Japan breaks new ground in the study of humor and sheds light on much that is taken for granted about the role of laughter in civilized societies.

**The Girls Study Group** Penguin

The author shows how stupidity manifests itself in all areas, in everyone, at all times: stupidity is the foundation of our civilization. He posits that stupidity is a condition for intelligence, that blunders stimulate progress and that failure is the basis for success.
