Beautiful Bastard Simon and Schuster

A Goodreads Best Romance "Fans of The Devil Wears Prada will flip over Love on Lexington Avenue." —Karen Hawkins, New York Times bestselling author From New York Times bestselling author Lauren Layne comes the second delightfully charming installment in the Central Park Pact series, following a young widow whose newfound cynicism about love is challenged by a sexy, rough-around-the-edges contractor. There are no good men left in New York City. At least that's Claire Hayes's conviction after finding out her late husband was not the man she thought he was. Determined to rid her home of anything that reminds her of her cheating husband, Claire sets out to redesign her boring, beige Upper East Side brownstone and make it something all her own. But what starts out as a simple renovation becomes a lot more complicated when she meets her bad-tempered contractor Scott Turner. Scott bluntly makes it known to Claire that he only took on her house for a change of pace from the corporate offices and

swanky hotels he's been building lately, and he doesn't hesitate to add that he has no patience for a pampered, damaged princess with a penchant for pink. But when long workdays turn into even longer nights, their mutual wariness morphs into something more complicated—a grudging respect, and maybe even attraction... Filled with laugh-out-loud scenes that blend perfectly with the touching friendships Layne brings to life on the page, this "hugely entertaining" (USA TODAY) novel is perfect for fans of Lauren Weisberger.

Love on Lexington Avenue Simon and Schuster

(Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel Love and Other Words...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.
