Just say "no" to piles of sticky notes with your passwords and logins

With the Internet Password Logbook you can easily and safely store internet login passwords, answers to security questions, and other digital tidbits that are easily forgotten. A timely and valuable resource in the "Age of the Hacker," this essential notebook maintains your personal and financial safety. Record the necessarily complex passwords and login names required to thwart hackers, identity thieves, and online criminals. This time and headache saving logbook has numerous tabbed alphabetical pages to make looking up a website address and its corresponding log-in(s) and password(s) easy to manage. Each entry has multiple locations

to note new/changing log-ins or passwords, notes about creating secure usernames and passwords, and Internet safety tips. It also includes space to record software and hardware license numbers, home and business network settings, and more. For the ultimate in online safety, follow these tips: Forget the dictionary. Never use the same password twice. The longer your password, the longer it will take to crack. Store your password off the computer. With this book, create and keep unique and difficult passwords and log-in names with ease
