A controversial, award-winning story about the passionate but untenable affair between an Israeli woman and a Palestinian man, from one of Israel's most acclaimed novelists When Liat meets Hilmi on a blustery autumn afternoon in Greenwich Village, she finds herself unwillingly drawn to him. Charismatic and handsome, Hilmi is a talented young artist from Palestine. Liat, an aspiring translation student, plans to return to Israel the following summer. Despite knowing that their love can be only temporary, that it can exist only away from their conflicted homeland, Liat lets herself be enraptured by Hilmi: by his lively imagination, by his beautiful hands and wise eyes, by his sweetness and devotion. Together they explore the city, sharing laughs and fantasies and pangs of homesickness. But the unfettered joy they awaken in each other cannot overcome the guilt Liat feels for hiding him from her family in Israel and her Jewish friends in New York. As her departure date looms and her love for Hilmi deepens, Liat must decide whether she is willing to risk alienating her family, her community, and her sense of self for the love of one man. Banned from classrooms by Israel's Ministry of

Education, Dorit Rabinyan's remarkable novel contains multitudes. A bold portrayal of the strains—and delights—of a forbidden relationship, *All the Rivers* (published in Israel as *Borderlife*) is a love story and a war story, a New York story and a Middle East story, an unflinching foray into the forces that bind us and divide us. "The land is the same land," Hilmi reminds Liat. "In the end all the rivers flow into the same sea." Praise for *All the Rivers* "Rabinyan's book is a sort of *Romeo and Juliet*, a forbidden love affair between a Jewish girl from Tel Aviv and a Palestinian boy from Hebron. . . . [A] beautiful novel."—*The Guardian* "A fine, subtle, and disturbing study of the ways in which public events encroach upon the private lives of those who attempt to live and love in peace with each other, and, impossibly, with a riven and irreconcilable world."—John Banville, Man Booker Prize-winning author of *The Sea* "I'm with Dorit Rabinyan. Love, not hate, will save us. Hatred sows hatred, but love can break down barriers."—Svetlana Alexievich, winner of the Nobel Prize for Literature "Astonishing . . . [a] precise and elegant love story, drawn with the finest of lines."—Amos Oz "Rabinyan's writing reflects the honesty and modesty of a true artisan."—*Haaretz* "Because the novel strikes the right balance between the personal and the political, and because of her ability to tell a suspenseful and satisfying story, we decided to award Dorit Rabinyan's [*All the Rivers*] the 2015 Bernstein Prize."—From the 2015 Bernstein Prize judges' decision "[*All the Rivers*] ought to be read like J. M. Coetzee or Toni Morrison—from a distance in order to get close."—*Walla!* "Beautiful and sensitive . . . a human tale of rapprochement and separation . . . a noteworthy human and literary achievement."—*Makor Rishon* "A captivating (and

heartbreaking) gem, written in a spectacular style, with a rich, flowing, colorful and addictive language.”—Motke “A great novel of love and peace.”—La Stampa “A novel that truly speaks to the heart.”—Corriere della Sera

Christie is happy in her life... or so she tells herself. Despite a tragic childhood, she has built a satisfying career and loves her city apartment. But deep down she yearns for a simpler life. Family. A garden. And a place to heal her heart. The decision to attend a funeral in a town she's never heard of throws her safe world into disarray, exposing the cracks in her life. As she deals with the fallout, Christie moves into a rundown cottage she's inherited and there, makes a discovery. A damaged painting. Unworn wedding rings. And a shoebox full of unopened love letters. Fifty years ago, a heartbroken young artist waited each dawn on a jetty for his true love to return. And each night, he wrote her a love letter. What Christie uncovers will change her life forever. This is a beautiful tale of love - sometimes lost, sometimes found and sometimes both. This is also a book with a mystery to solve which keeps your interest in the story. The author did an amazing job writing this book. The characters were well developed, the story was unique, and the descriptions helped you to feel the emotions, smell the scents, and visualize the persons, places and objects. I highly recommend this book if you enjoy romance with a bit of mystery and a HEA. Karen Thurmer. In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."
