 NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, Unfinished offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and

triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

 I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba

Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

An artist using negative space relies on the space that surrounds a subject to provide shape and meaning. Of course, the term also refers to any topic that conjures feelings of unease and discomfort. In *Negative Space*, Noma Bar plays with this pun, focusing on subject matter ranging from sex, global warming and nuclear warfare to religion, crime and corporate greed, solidifying his reputation as an artist able to convert complex topics into clean, provocative and revealing lines that viewers take in with ease, though they are not easily forgotten.

‘Raat baaki, baat baaki... Hona hai jo, ho jaane do...’ Sensuous, glamorous and bold, Parveen Babi set the Hindi cinema screen ablaze during the 1970s and ‘80s, breaking the ‘pious, nice girl’ mould of the film heroine and redefining it after her own style. On screen, she sizzled in unforgettable roles in blockbusters like *Deewaar*, *Shaan*, *Kaalida* and *Amar Akbar Anthony* – while, off-

screen, her bohemian and unabashed lifestyle lit up gossip columns, and her appearance on the cover of *Time* magazine, a first for an Indian, created a stir nationwide. Yet, for all the sensational rumours and films her life inspired, Parveen has remained something of an enigma to generations of fans. In *Parveen Babi: A Life*, Karishma Upadhyay traces the journey of a shy but ambitious girl from an aristocratic family in Junagadh, Gujarat, to a life of merciless scrutiny that comes with being in the Bollywood spotlight. Exploring with depth and sensitivity the myriad facets of the actress’s life, she lays bare little-known details about Parveen’s doomed romances, her obsession with the spiritual guide who advised her to quit films, the tumultuous years of battling mental illness and her tragic, untimely demise. Rich with insights from the star’s friends, former lovers and colleagues, this compelling narrative captures the nuances of an extraordinary life – the highs and lows of finding fame, love and solace, and then, in the end, losing it all.

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer *Dil Deke Dekho*. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in

Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

An authentic, heartfelt and compelling narrative - straight from the horse's mouth - that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another - in his almost six-decade-long career - on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of

people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was *Jwar Bhata* (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as *Jugnu*, *Shaheed*, *Mela*, *Andaz*, *Deedar*, *Daag* and *Devdas*. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as *Azaad* and *Kohinoor*, apart from a scintillating portrayal as a gritty tonga driver in *Naya Daur*. After a five-year break he started his 'second innings' with *Kranti* (1981), after which he appeared in a series of hits such as *Vidhaata*, *Shakti*, *Mashaal*, *Karma*, *Saudagar* and *Qila*.

A Memoir Om Books International

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly

discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Are you confused about how to raise your kids? How many hours should they spend with the TV, iPad or Xbox? Do you worry about what they should eat, drink and read? As the urban, nuclear family is becoming the norm, replacing the traditional joint family, what happens to the children who grow up with a single support system? In *The Modern Gurukul*, Sonali Bendre Behl shares her three principles of parenting that will help you find a balance between tradition and modernity, and show you how to raise your child in the digital age. Personal, anecdotal and honest, it highlights the need for a return to our roots to raise a healthy, curious and, most importantly, compassionate child.

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutki bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. *Quotes Anything But Khamosh: The Shatrughan Sinha Biography*, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. Of the 1.25 crore people of India, he stands out as unique" –

Amitabh Bachchan, superstar, Hindi cinema “They used to call me the Shatrughan Sinha of the South” – Rajinikanth, superstar, Tamil Nadu “I became an actor because of Shatrughan Sinha” – Chiranjeevi, superstar & Congress-I leader, Andhra Pradesh “Ours is an Eklavya-Dronacharya story. He is my guru” – Ambareesh, superstar & Minister for Housing, Karnataka “A person who joined the Jan Sangh or the BJP when it was in the Opposition, had to be gutsy. Shatrughan is” – LK Advani, Senior Leader, BJP “I would give him sanyam ki salaah (advice on patience)” – Sushma Swaraj, Minister for External Affairs “I find there’s no chaploosi (sycophancy) in him. Our doors are open 24/7 to him” – Lalu Prasad Yadav, Leader, RJD “If the Bihari Babu is hurt, the whole of Bihar is hurt” – Nitish Kumar, Chief Minister, Bihar “If we had Shatrusaab on our side, we wouldn’t need anybody else on our team” – Nawaz Sharif, Prime Minister, Pakistan

Raj Kapoor, the creator of some of Hindi cinema's most enduring classics, is one of the greatest film-makers India has ever produced. As producer, director, actor, editor, storyteller, he blazed a trail for subsequent generations of film-makers to follow and aspire to. He was also known to the world as an extraordinary and controversial showman, an entertainer par excellence, someone who created the template for Hindi cinema. Raj Kapoor: The One and Only Showman is a unique experiment, both an autobiography and a biography. While the autobiography uses his own words, culled from interviews, journals and anecdotes, to provide an intimate glimpse into the mind of a genius, the biography is an attempt to record for posterity the lesser-known facets of his magnificent personality through the recollections of his family, colleagues and friends. As revealing as it is engaging, this is a fascinating portrait of the man regarded as the last of the true movie moguls of Indian cinema.
