The book provides systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination for December 2008 or any other examinations at the same level. The book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Part B consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is preceded by a Preparing for the Speaking Test section. In this section, students are familiarised with the essential language (vocabulary, useful expressions, discourse markers, etc) and ideas necessary for the test itself. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of the book to prepare students to meet the requirements of the exam. "The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.
