*The Boston Massacre* Lulu.com

From the #1 New York Times bestselling author of Restart, a story of telling truth from lies -- and finding out what being a hero really means. There are two things Trevor loves more than anything else: playing war-based video games and his great-grandfather Jacob, who is a true-blue, bona fide war hero. At the height of the war, Jacob helped liberate a small French village, and was given a hero's welcome upon his return to America.Now it's decades later, and Jacob wants to retrace the steps he took during the war -- from training to invasion to the village he is said to have saved. Trevor thinks this is the coolest idea ever. But as they get to the village, Trevor discovers there's more to the story than what he's heard his whole life, causing him to wonder about his great-grandfather's heroism, the truth about the battle he fought, and importance of genuine valor.

*The Twelve Tables* Courier Corporation

The complete text of one of the most important speeches in American history, delivered by President Abraham Lincoln during the Civil War. On November 19, 1863, Abraham Lincoln arrived at the battlefield near Gettysburg, Pennsylvania, to remember not only the grim bloodshed that had just occurred there, but also to remember the American ideals that were being put to the ultimate test by the Civil War. A rousing appeal to the nation's better angels, The Gettysburg Address remains an inspiring vision of the United States as a country "conceived in Liberty, and dedicated to the proposition that all men are created equal."

*Introduction to Logic and Critical Thinking* Lulu.com

The Trial and Death of Socrates includes the four Platonic dialogues Euthyphro, Apology, Crito and Phaedo.

*The Screaming Staircase* Good Press

Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

*We Hunt the Flame* Penguin

"The Yellow Wallpaper" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.

*CliffsNotes on Jacobs' Incidents in the Life of a Slave Girl* Chicago Review Press

For most Americans, staying "mentally sharp" as they age is a very high priority. Declines in memory and decision-making abilities may trigger fears of Alzheimer's disease or other neurodegenerative diseases. However, cognitive aging is a natural process that can have both positive and negative effects on cognitive function in older adults - effects that vary widely among individuals. At this point in time, when the older population is rapidly growing in the United States and across the globe, it is important to examine what is known about cognitive aging and to identify and promote actions that individuals, organizations, communities, and society can take to help older adults maintain and improve their cognitive health. Cognitive Aging assesses the public health dimensions of cognitive aging with an emphasis on definitions and terminology, epidemiology and surveillance, prevention and intervention, education of health professionals, and public awareness and education. This report makes specific recommendations for individuals to reduce the risks of cognitive decline with aging. Aging is inevitable, but there are actions that can be taken by individuals, families, communities, and society that may help to prevent or ameliorate the impact of aging on the brain, understand more about its impact, and help older adults live more fully and independent lives. Cognitive aging is not just an individual or a family or a health care system challenge. It is an issue that affects the

fabric of society and requires actions by many and varied stakeholders. Cognitive Aging offers clear steps that individuals, families, communities, health care providers and systems, financial organizations, community groups, public health agencies, and others can take to promote cognitive health and to help older adults live fuller and more independent lives. Ultimately, this report calls for a societal commitment to cognitive aging as a public health issue that requires prompt action across many sectors.

*Little Lost Robot* Laurel Leaf

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

*Cognitive Aging* HarperCollins

"Northerners know nothing at all about Slavery. They think it is perpetual bondage only. They have no conception of the depth of degradation involved in that word, SLAVERY; if they had, they would never cease their efforts until so horrible a system was overthrown."A Woman Of North Carolina."Rise up, ye women that are at ease! Hear my voice, ye careless daughters! Give ear unto my speech."Isaiah xxxii. 9.This volume of Harriet Jacobs' "Slave Girl" is number 3 in the Black History Series. It is printed on high quality paper with a durable cover.

*Harriet Jacobs* Houghton Mifflin Harcourt P

On March 5, 1770, after being harassed for two years during their occupation of Boston, British soldiers finally lost control, firing into a mob of rioting Americans, killing several of them, including Crispus Attucks, a runaway slave and sailor, the first African American patriot killed. The aftermath of this 'massacre' led to what was eventually the American Revolution. The importance of the event grew, as it was used for political purposes, to stoke the fires of rebellion in the colonists and to show the British in the most unflattering light. The Boston Massacre gathers together the most important primary documents pertaining to the incident, along with images, anchored together with a succinct yet thorough introduction, to give students of the Revolutionary period access to the events of the massacre as they unfolded. Included are newspaper stories, the official transcript of the trial, letters, and maps of the area, as well as consideration of how the massacre is remembered today.

It's a hot, hot summer, and in the depths of the Toronto Transit Authority's Lost and Found, 17-year-old Duncan is cataloging lost things and sifting through accumulated junk. And between Jacob, the cranky old man who runs the place, and the endless dusty boxes overflowing with stuff no one will ever claim, Duncan's just about had enough. Then he finds a little leather book. It's a diary filled with the dark and dirty secrets of a twisted mind, a serial killer stalking his prey in the subway. And Duncan can't make himself stop reading. What would you do with a book like that? How far would you go to catch a madman? And what if time was running out. . . .

*The Crucible* Houghton Mifflin Harcourt

One of the greatest challenges for English language arts teachers today is the call to engage students in more complex texts. Tim Gillespie, who has

taught in public schools for almost four decades, has found the lenses of literary criticism a powerful tool for helping students tackle challenging literary texts. Tim breaks down the dense language of critical theory into clear, lively, and thorough explanations of many schools of critical thought---reader response, biographical, historical, psychological, archetypal, genre based, moral, philosophical, feminist, political, formalist, and postmodern. Doing Literary Criticism gives each theory its own chapter with a brief, teacher-friendly overview and a history of the approach, along with an in-depth discussion of its benefits and limitations. Each chapter also includes ideas for classroom practices and activities. Using stories from his own English classes--from alternative programs to advance placement and everything in between--Tim provides a wealth of specific classroom-tested suggestions for discussion, essay and research paper topics, recommended texts, exam questions, and more. The accompanying CD offers abbreviated overviews of each theory (designed to be used as classroom handouts, examples of student work, collections of quotes to stimulate discussion and writing, an extended history of women writers, and much more. Ultimately, Doing Literary Criticism offers teachers a rich set of materials and tools to help their students become more confident and able readers, writers, and critical thinkers.

**Fragments of the Ark** Stenhouse Publishers

The essential, cornerstone book of modern environmentalism is now offered in a handsome 40th anniversary edition which features a new Introduction by activist Terry Tempest Williams and a new Afterword by Carson biographer Linda Lear.

**The Sun Also Rises** Scholastic Inc.

Based on the true story of Harriet Ann Jacobs, Letters from a Slave Girl reveals in poignant detail what thousands of African American women had to endure not long ago, sure to enlighten, anger, and never be forgotten. Harriet Jacobs was born into slavery; it's the only life she has ever known. Now, with the death of her mistress, there is a chance she will be given her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive.

*I Let You Go* National Academies Press

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a Black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. "An instant classic." —Chicago Tribune A "majestic, moving novel...an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of A Gathering of Old Men and The Autobiography of Miss Jane Pittman. "A Lesson Before Dying reconfirms Ernest J. Gaines's position as an important American writer." —Boston Globe "Enormously moving.... Gaines unerringly evokes the place and time about which he writes." —Los Angeles Times "A quietly moving novel [that] takes us back to a place we've been before to impart a lesson for living." —San Francisco Chronicle

The Water Dancer Wordsworth Editions

For the first time--the complete story of the life and times of the most important black woman writer of the 19th century.

**The Trial and Death of Socrates** Springer Nature

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century
