MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is

shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Ben Aaronovitch's bestselling Rivers of London urban fantasy series • "The perfect blend of CSI and Harry Potter." —io9 A mutilated body in Crawley. A killer on the loose. The prime suspect is one Robert Weil, possibly an associate of the twisted wizard known as the Faceless Man. Or maybe just a garden-variety serial killer. Before apprentice wizard and Police Constable Peter Grant can even get his head 'round the case, two more are dropped in his lap: a town planner has gone under a tube train, and there's a stolen grimoire for Grant to track down. So far, so London. But then Peter gets word of something very odd happening on a housing estate designed by a nutter, built by charlatans, and inhabited by the truly desperate. Is there a connection? And if there is, why oh why did it have to be South of the River—in the jurisdiction of some pretty prickly local river spirits?

I thought everything would change, after the war. And now, no one even mentions it. It is as if we all got together in private and said whatever you do don't mention that, like it never happened. It's the late 1940s. Calm has returned to London and five people are recovering from the chaos of war. In scenes set in a quiet dating agency, a bombed-out church and a prison cell, the stories of these five lives begin to intertwine and we uncover the desire and regret that has bound

them together. Sarah Waters's story of illicit love and everyday heroism takes us from a dazed and shattered post-war Britain back into the heart of the Blitz, towards the secrets that are hidden there. Olivier-nominated playwright Hattie Naylor has created a thrilling and theatrically inventive adaptation of a great modern novel. The stage adaptation of *The Night Watch* was premiered at the Royal Exchange Theatre, Manchester, on 16 May 2016.

'Moon Over Soho cements [the Rivers of London] series as my favorite urban fantasy series. The humor, the world-building, the action, the magic, the mystery, the procedural—all are top-notch.' — Ranting Dragon My name is Peter Grant, and I'm a Police Constable in that mighty army for justice known as the Metropolitan Police (a.k.a. the Filth). I'm also an apprentice wizard, the first in fifty years. When your dad is an almost famous jazz trumpeter, you know the classics. And that's why, when Dr Walid called me down to the morgue to listen to a corpse, I recognized the tune it was playing as the jazz classic 'Body and Soul.' Something violently supernatural

had happened to the victim, strong enough to leave its imprint on his corpse as if it were a wax cylinder recording. The former owner of the body, Cyrus Wilkinson, was a part-time jazz saxophonist and full-time accountant who had dropped dead of a heart attack just after finishing a gig. He wasn't the first, but no one was going to let me exhume corpses just to see if they were playing my tune. So it was back to old-fashioned police legwork, starting in Soho, the heart of the scene, with the lovely Simone – Cyrus's ex-lover, professional jazz kitten and as inviting as a Rubens portrait – as my guide. And it didn't take me long to realise there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. Reviews for *Moon Over Soho* Mr. Aaronovitch is, in short, writing the best contemporary occult detective series on the shelf today, and that's by a substantial margin.' — Pornokitsch 'Moon Over Soho is a gripping continuation of River of London's well executed blend of police-procedural and fantasy with a good splash of horror thrown in. This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must-read for anyone who likes their fantasy with a strong edge of realism.' — SF Book Reviews
