Wonder ALFAGUARA

"Perhaps Cortaaazar's most unconventional work, From the Observatory moves from descriptions of the life cycle of the Atlantic eel to glimpses of the unearthly structures of an observatory built in Jaipur by an 18th-century Indian prince. This architectural wonder is not merely a place dedicated to astronomical observation but also a space that bears witness to the dreams of those who enter it. Cortaaazar's haunting photos of this enigmatic creation flow into other images--streets, oceans, night skies--which then flow into his verbal dance with a dream-logic all its own. Like fish unaware of why they are migrating, readers will be pulled into this fantastic current."--P. [2] of cover.

El nuevo estuche de Poesía Portátil recoge una selección de siete voces líricas inspiradas y agitadas por el amor. Esta recopilación abraza algunos de los versos más excelentes de la literatura universal en torno al amor. Desde el canto lírico cargado de pasión de Safo de Lesbos hasta la complicidad más sencilla de Pablo Neruda, pasando por el erotismo y la sensualidad del recuerdo de juventud de Cavafis. No podían faltar tampoco la melancolía solitaria y abrumadora de Idea Vilariño, el mundo interior de Jaime Gil de Biedma, lo trágico y romántico mezclado con lo popular de Federico García Lorca o la emoción magnética que, como hizo en su prosa, Julio Cortázar selló en su poesía. Esta edición estuche contiene los volúmenes: No creo poder tocar el cielo con las manos de Safo Recuerda, cuerpo de Cavafis Amor más poderoso que la vida de Jaime Gil de Biedma Que cada cosa cruel sea tú que vuelves de Julio Cortázar Ya no será de Idea Vilariño Poesía de amor de Pablo Neruda Soñando en la mar amarga de Federico García Lorca *Que cada cosa cruel sea tú que vuelves (Flash Poesía)* Penguin

Toda la poesía de Julio Cortázar en un único volumen que ofrece perspectivas novedosas sobre la obra de uno de los escritores más emblemáticos de nuestro país. Salvo el crepúsculo se despliega como un collage inagotable que ofrece los temas recurrentes de la obra de Cortázar aunque con novedosas modalidades: el autor homenajea a poetas de distinta estética y nacionalidad, retoma a los fascinantes Polanco y Calac de 62/Modelo para armar, se entrega al tango y al jazz, a la pintura y al amor, a París y a Buenos Aires. Una exquisita colección de gustos, recuerdos y opiniones de un artista extraordinario. Cortázar no llegó a corregir las pruebas de imprenta de Salvo el crepúsculo, que se publicó por primera vez en 1984, pocos meses después de su muerte, pero contiene las correcciones manuscritas que el autor incluyó a última hora. En una obra tan vasta como excepcional, Salvo el crepúsculo es una interesante puerta de acceso a la obra de un escritor que, tal como dijo alguna vez Mario Vargas Llosa, "dio al juego dignidad literaria e hizo del juego un instrumento de creación y exploración artística tan dúctil como provechoso. La obra de Cortázar abrió puertas inéditas".

“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand

them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

A master class from the exhilarating writer Julio Cortázar “I want you to know that I’m not a critic or theorist, which means that in my work I look for solutions as problems arise.” So begins the first of eight classes that the great Argentine writer Julio Cortázar delivered at UC Berkeley in 1980. These “classes” are as much reflections on Cortázar’s own writing career as they are about literature and the historical moment in which he lived. Covering such topics as “the writer’s path” (“while my aesthetic world view made me admire writers like Borges, I was able to open my eyes to the language of street slang, lunfardo...”) and “the fantastic” (“unbekownst to me, the fantastic had become as acceptable, as possible and real, as the fact of eating soup at eight o’clock in the evening”), Literature Class provides the warm and personal experience of sitting in a room with the great author. As Joaquin Marco stated in El Cultural, “exploring this course is to dive into Cortázar designing his own creations.... Essential for anyone reading or studying Cortázar, cronopio or not!”

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's In the Time of the Butterflies is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, New York Times) Alvarez’s new novel, The Cemetery of Untold Stories, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like In the Time of the Butterflies and How the García Girls Lost Their Accents winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, The New York Times Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

NEW YORK TIMES BESTSELLER • From the Booker Prize-winning author of *Lincoln in the Bardo* and *Tenth of December* comes a literary master class on what makes great stories work and what they can tell us about ourselves—and our world today. LONGLISTED FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD • ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Time*, *San Francisco Chronicle*, *Esquire*, *Milwaukee Journal Sentinel*, *Town & Country*, *The Rumpus*, *Electric Lit*, *Thrillist*, *BookPage* • “[A] worship song to writers and readers.”—Oprah Daily For the last twenty years, George Saunders has been teaching a class on the Russian short story to his MFA students at Syracuse University. In *A Swim in a Pond in the Rain*, he shares a version of that class with us, offering some of what he and his students have discovered together over the years. Paired with iconic short stories by Chekhov, Turgenev, Tolstoy, and Gogol, the seven essays in this book are intended for anyone interested in how fiction works and why it's more relevant than ever in these turbulent times. In his introduction, Saunders writes, “We’re going to enter seven fastidiously constructed scale models of the world, made for a specific purpose that our time maybe doesn’t fully endorse but that these writers accepted implicitly as the aim of art—namely, to ask the big questions, questions like, How are we supposed to be living down here? What were we put here to accomplish? What should we value? What is truth, anyway, and how might we recognize it?” He approaches the stories technically yet accessibly, and through them explains how narrative functions; why we stay immersed in a story and why we resist it; and the bedrock virtues a writer must foster. The process of writing, Saunders reminds us, is a technical craft, but also a way of training oneself to see the world with new openness and curiosity. *A Swim in a Pond in the Rain* is a deep exploration not just of how great writing works but of how the mind itself works while reading, and of how the reading and writing of stories make genuine connection possible.

¿Por qué Periferias. El extremo como término medio? Nuestra intención es incidir en la oposición «centro/periferia», en la confrontación del extremo con el término medio; digamos que de manera doble: oposición en lo temático, oposición en lo operativo. Temáticamente, es importante reparar en que como lugar de acogida del drama de la inmigración, Europa está siempre -para bien, para mal- centrada. La oposición «centro/periferia», «extremo/término medio», posee también un lado más operativo. Tiene que ver con el estatus del discurso filosófico. No sólo con la exclusión/inclusión de determinadas temáticas, o con la definición de las disciplinas -filosóficas y extra-filosóficas- desde un supuesto centro neutral. Ante todo, se trata de los diversos modos de trabajar rigurosamente con el concepto, de convertir lo central en periférico, de hacer de la periferia el centro; se trata de atender, junto a esa inversión, a los desplazamientos de la oposición.

Que cada cosa cruel sea tú que vuelves, de la colección «Poesía portátil» constituye una ventana a la poesía de uno de los escritores argentinos más relevantes del siglo XX. La obra de Julio Cortázar es uno de los pilares de la literatura de habla hispana del siglo XX. Conocido especialmente por sus cuentos y novelas, el autor argentino era un poeta hasta cuando escribía en prosa y supo imprimir en sus versos la misma emoción que conmocionó en obras como *Rayuela*. ----- « No me des tregua, no me perdones nunca. Hostígame en la sangre, que cada cosa cruel sea tú que vuelves. ¡No me dejes dormir, no me des paz! Entoncesganaré mi reino, naceré lentamente. No me pierdas como una música fácil, no seas caricia ni guante; tállame como un sílex, desespérame.» -----
