*Circus Yearling*

In his intricately detailed and historically accurate illustrations, Spier brings delightful new dimensions to the popular folk song. *Definitely Not for Little Ones* Marshall Cavendish This Caldecott Honor book from beloved illustrator Peter Spier is a spirited take on a classic American folk song. "[Spier's] finely detailed, action-packed New England autumn vistas are almost startlingly beautiful."—The New York Times Over fifty years after he won a Caldecott Honor for *The Fox Went Out on a Chilly Night*, legendary illustrator Peter Spier went back to this time-honored favorite in 2014 to paint the half of the book that was originally printed in black and white. In this glowing,

restored vision of Spier's beloved classic, follow the wily fox as he roams a sleepy New England town in search of a meal, with tones and textures so vivid you can almost hear the crackle of crisp fall leaves and the ripples of the river in the moonlight. [Snowflake Bentley](#)

Come join the circus as Caldecott Medal-winner Peter Spier takes you for a look under the big top! The circus is coming to town! Take your front row seat to see how a circus

runs—from setting up the tent to performing center ring. Go soaring through the air on the flying trapeze and see how performers from all over the world come together to put on a show. With showbiz excitement that only the circus can create—and Peter Spier's signature humorous details waiting to be discovered on every page—this book is a guaranteed ticket to fun and adventure. "A treat!"—Kirkus "This premier illustrator offers a glorious new treat. . . . Children will undoubtedly want to pore over it."—School Library Journal

[Iola Leroy, or, Shadows Uplifted](#) Yearling Books  
Have you been scared to make the big faith moves God has placed on your heart? Our society has created a phenomenon that enables believers to seek a lifestyle that

contradicts the original intention Jesus placed on Christians. As followers of Jesus, many of us have lost sight of the Great Commission and have committed ourselves to pursuing a lifestyle that our world perpetuates as the best. We strive for the "American dream" instead of God's dream for our lives. Instead of being world changers, we become world followers. This book is designed to encourage and equip you to follow through as a man or woman of faith, and, through your example, to influence the next generation to do the same. In this book, you'll learn how to: Discern what the call of God is in your life and your family's life Identify crowd followers, acceptors, and chasers Make big faith decisions more simple Take practical daily steps in your faith walk Include your kids in the faith journey Invest your money in what matters Faith Chasers, let's Chase the Roar **Noah** StarWalk Kids Media "The verse is sprightly, but the pictures are the true stunners." —Kirkus Reviews (starred review) When a circus ship runs aground off the coast of Maine, the poor animals are left on their own, but

they soon win over the wary townspeople with their kind, courageous ways. So well do the critters blend in that when the greedy circus owner returns to claim them, villagers of all species conspire to outsmart the bloated blowhard. With buoyant rhymes and brilliantly caricatured illustrations evoking the early nineteenth century, Chris Van Dusen presents a hugely entertaining tale about the bonds of community?—?and a hidden-pictures spread for eagle-eyed readers of all ages.

You See a Circus, I See...  
Simon and Schuster  
★ Caldecott Medal Winner  
★ "the book is a triumph, the definitive Noah's Ark."—Publishers Weekly  
Winner of the Caldecott Medal, an ALA Notable Children's Book, and a New York Times Best Illustrated Book of the Year, Peter Spier's Noah's Ark has been the iconic edition of this tale for over 40 years, in print continuously since its debut in 1977. In Spier's imaginative retelling, readers witness the danger and the grandeur of the terrifying flood but also the lighter moments: Noah's wife jumping on a crate to avoid the rats; Noah shooing all but two

bees from a busy hive; and all the animal babies being born in the spring. It's an illustration feat that's both majestic and tender.

*Peter Spier's Christmas!*  
Random House Books for Young Readers  
Two children watch cloud formations and interpret them for themselves.

Createspace Independent Publishing Platform  
A young girl watches as the activities across the street from her bus stop become a circus.

**Noah's Ark** Macmillan  
The U.S. Constitution brought to life for young readers! In this visual celebration of the U.S. Constitution and America's founding fathers, Caldecott Medalist Peter Spier tells the stirring American tale of how this most important document came to symbolize freedom, justice, equality, and hope for all citizens. This fact-filled volume includes: ★ The complete text of the Constitution ★ An illustrated preamble to the Constitution, illuminating its significance from its birth through to modern times ★ The fascinating history of the struggle to create and ratify the Constitution

★ An historical reproduction of the original document Full of illustrations that bring the Constitution to life, this is a must-have resource for every American school, library, and home. ★ "A joyful celebration of the people whose leaders created the Constitution"—Booklist, starred review "A celebration of America's diversity"—Kirkus "Spier has created a tribute that can be appreciated in more than one sitting."—Publishers Weekly

Mr. Quiet is afraid of loud noises. This is a big problem for him, since he lives in Loudland. But one day he gets a letter from Mr. Happy inviting him to Happyland, where he finds?what else happiness

**Policeman Small** Classics

An American classic—and Pulitzer Prize-winning story—that shows the ultimate bond between child and pet. No novel better epitomizes the love between a child and a pet than *The Yearling*. Young Jody adopts an orphaned fawn he calls Flag and makes it a part of his family and his best friend.

But life in the Florida backwoods is harsh, and so, as his family fights off wolves, bears, and even alligators, and faces failure in their tenuous subsistence farming, Jody must finally part with his dear animal friend. There has been a film and even a musical based on this moving story, a fine work of great American literature.

**Peter Spier's Circus**

Courier Corporation  
Mark Ludy's latest book will appeal to adults and children alike. Digging deeper than the Sunday school tale of cuddly animals on Noah's ark, the story follows the biblical text and illumines Noah's relationship with God, his wife, family, nature, and humanity. Ludy's world-class artwork lets people see, as though for the first time, the beauty within this story - revealing a clearer picture of the nature and character of God and his relationship to humankind. It's immersive and epic in scale and scope. The wordless format invites conversation and storytelling, key building blocks of literacy. And as with his previous books, Ludy's signature mouse Squeakers appears hidden on every page.

Jack and the Fantastical Circus Doubleday Books for Young Readers

This wordless picture book by the renowned Caldecott Medal winner celebrates a family's traditions during a very special time of the year. "Peter Spier proves that a picture can be worth a thousand words".--School Library Journal. Full color. *The Book of Jonah* HarperCollins

In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasm was misunderstood. But with patience and determination, Wilson catalogued hundreds of snowflake photographs, gave slideshows of his findings and, when he was 66, published a book of his photos. His work

became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.

**The Star-spangled**

**Banner** Turtleback

Jack and the Fantastical Circus tells the story of a young boy Jack who is excited to visit his granddad and wants to know what virtue is. He falls asleep and goes on a magical journey through each train car where he meets the performers of

the circus who all exhibit a particular virtue.
