Writing as Resistance charts the inner workings of apartheid, through the encounters-- imprisonment, exile, and homecoming-- that crucially defined its violent reign and ultimate overthrow. Author Paul Gready demonstrates the transformative nature of autobiographical narrative as resistance in the context of political struggle. This multidisciplinary study addresses a range of important contemporary topics: migration, postcolonialism, globalization, nationalism, human rights, and political democratization, among others. While informed by the work of South African writers-- including Breytenbach, Coetzee, First, Krog, Modisane, and Serote-- and adding to the literature on the apartheid era, this book speaks to all cultures of violence. With this important work Gready sheds new light on the relationship between violence and creativity.

Thunder Point Bantam

The iconic start to the timeless, Newbery-winning series from Cynthia Voigt. "It's still true." That's the first thing James Tillerman says to his older sister, Dicey, every morning. It's still true that their mother has abandoned the four Tillermans in a mall parking lot somewhere in the middle of Connecticut. It's still true that they have to find their own way to Great-aunt Cilla's house in Bridgeport. It's still true that they need to spend as little as possible on food and seek shelter anywhere that is out of view of the authorities. It's still true that the only way they can hope to all stay together is to just keep moving forward. Deep down, Dicey hopes they can find someone to trust, someone who will take them in and love them. But she's afraid it's just too much to hope for....

The Homecoming Graphic Arts Books

Humanity is coming home. Weeks after landing on Earth, the Hundred have managed to create a sense of order amidst their wild, chaotic surroundings. But their delicate balance comes crashing down with the arrival of new dropships from space. These new arrivals are the lucky ones--back on the Colony, the oxygen is almost gone--but after making it safely to Earth, GLASS's luck seems to be running out. CLARKE leads a rescue party to the crash site, ready to treat the wounded, but she can't stop thinking about her parents who may still be alive. Meanwhile, WELLS struggles to maintain his authority despite the presence of the Vice Chancellor and his armed guards, and BELLAMY must decide whether to face or flee the crimes he thought he'd left behind. It's time for the

Hundred to come together and fight for the freedom they've found on Earth, or risk losing everything--and everyone--they love.

The Homecoming Hachette UK

The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

Baron Wenckheim's Homecoming Simon & Schuster Books for Young Readers

Perry's ninth Christmas novel keeps readers poised on a razor's edge of suspense, hypnotized by a story in which the heartwarming power of goodness is challenged by the seductive power of inner darkness. In the end, "A Christmas Homecoming" lifts the spirit and rejoices the heart.

Supernova Hachette UK

If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me--Annie Marck, alias Cleves--and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them--two of us--are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens...ideally before history repeats itself.

Homecoming Little, Brown Books for Young Readers

The bestselling Queen of Cowboy Romance delivers a heartwarming novel where a doctor and veterinarian get a second chance at true love when a storm traps them together. After traveling the world, Dr. Cody Ryan has finally come home to his foster family's ranch in Honey Grove, Texas. But all his time in Doctors Without Borders couldn't have prepared him for the sudden blizzard that forces him to take shelter in an old barn—or for the shock of watching Stephanie O'Dell yank open that same barn door minutes later. He's barely seen the gorgeous veterinarian since he returned, so why is she icier than the wind outside? Stephanie—better known as Dr. Stevie around Sunflower Ranch—has been treating the cattle there for years...and not one of them is as bullheaded as Cody. He's completely forgotten how he broke her heart, back when she was a teenager smitten by his easy charm and sharp wit. But as the blizzard rages on, trapping Cody and Stevie together, it's clear that the fire they've built to keep warm isn't the only source of sparks in that barn. Once the storm passes, will Stevie and Cody discover that they've fallen in love ...and will either of them ever admit it?

It's time for the Hundred to come together and fight for the freedom they've found on Earth, or risk losing everything - and everyone - they love.

Homegoing Lexington Books

Orec Blackblade missed the fall of the Kinslayer, tasked instead with leading his elite band of warriors on a diversionary battle where he split the head and pulsating crown of the enemy's sorcerer, causing a blast that killed almost everyone in a 100-meter radius. Just four months later the broken circlet finds its way to Doctors Catt and Fisher, collectors of rare artefacts, and their innate curiosity and tinkering with the crown unleashes a new terror on the land. Only Orec and his surviving men can stop it, but will the black sword he carries be enough to stop the coming darkness?

The Ravens Little, Brown Books for Young Readers

Of Human Bondage (1915) is a novel by W. Somerset Maugham. Inspired by his experiences as an orphan and young student, Maugham composed his masterpiece. Adapted several times for film, *Of Human Bondage* is a story of tragedy, perseverance, and the eternal search for happiness which drives us as much as it haunts our every move. Orphaned as a boy, Philip Carey is raised in an affectionless household by his aunt and uncle. Although his Aunt Louisa tries to make him feel welcome, William proves an uncaring, vindictive man. Left to fend for himself most days, Philip finds solace in the family's substantial collection of books, which serve as an escape for the imaginative boy. Sent to study at a prestigious boarding school, Philip struggles to fit in with his peers, who abuse him for his intelligence and club foot. Despite his struggles, he perseveres in his studies and chooses his own path in life, moving to Heidelberg, Germany and denying his uncle's wish that he attend Oxford. As he struggles to become a professional artist, Philip learns that one's dreams are often unsubstantiated in the world of the living. *Of Human Bondage* is a tale of desire, disappointment, and romance by a master stylist with a keen sense of the complications inherent to human nature. With a beautifully designed cover and professionally typeset manuscript, this edition of W. Somerset Maugham's *Of Human Bondage* is a classic work of British literature reimagined for modern readers.

Homecoming Leisure Books

From FIFA World Cup Champion, Olympic gold medalist, and bestselling author Alex Morgan comes the eleventh book in an empowering and fun-filled middle grade series that inspired the streaming original series, *The Kicks!* Devin is finally on her way to Connecticut to visit her best friend, Kara, and she couldn't be more excited! Not only that, but the Kicks have just made it into the playoffs! Except Devin's good fortune seems to have run out. First, the airport sends her luggage to Albuquerque. Then, when she finally gets to hang out with Kara, all they do is fight. And what's worse, Devin thinks her parents are planning to move them back to Connecticut! Devin's not sure what to make of her unfortunate homecoming. Are she and Kara even friends anymore? Is Devin ready to leave all her friends behind again to move back to Connecticut? And can she get her head back in the game in time to win the Kicks's first playoff match?

The Homecoming Simon and Schuster

Book four in the New York Times bestselling series *The 100*. Now a hit TV show on the CW! It's been a month since the new dropships landed and the rest of the Colonists joined the hundred on the ground. The teens, once branded juvenile delinquents, are now leaders among their people. It should be a time for celebration and togetherness, but a new threat appears before long: a fanatical cult determined to grow its ranks and "heal" the war-ravaged planet...by eliminating everyone else

on it. After scores of their friends are captured, Clarke sets off to retrieve them, certain that she can come to an understanding with these strangers. Bellamy has a different plan; he won't let anything—or anyone—get in the way of saving the people he loves. Meanwhile, in captivity and scared for their lives, Glass falls under the spell of the cult's magnetic message, and Wells has to learn how to lead again. Unless the rescue party arrives soon, the teen captives will face a fate more terrifying than anything they could imagine. If the hundred ever want to call this dangerous planet home, they'll need to put aside their differences and fight to protect themselves and their world.

Homecoming Macmillan

Rex "TW" McMurtry's perpetual single-hood wouldn't bother him so much if all his ex-girlfriends didn't keep marrying the very next person they dated, especially when so many of those grooms are his closest friends. He may be a pro-football defensive end for the Chicago Squalls, but the press only wants to talk about how he's always a groomsman and never a groom. Rex is sick of being the guy before the husband, and he's most definitely sick of being the best man at all their weddings. Bartender Abigail McNerny is the gal-pal, the wing-woman, the she-BFF. She's dated. Once. And once was more than enough. Privy to all the sad stories of her customers, 'contentment over commitment' is her motto, and Abby is convinced no one on earth could ever entice her into a romantic relationship . . . except that one guy she's loved since preschool. The guy who just walked into her bar. The guy who doesn't recognize her. The guy who is drunk and needs a ride home. The guy who has a proposition she should definitely refuse.

Rebellion Wheeler Publishing, Incorporated

An internationally bestselling, award-winning novel peering deep into the passions, losses, and reveries of the wife of eighteenth-century explorer Captain James Cook. After twelve years of marriage to English explorer James Cook, Elizabeth has yet to spend an entire year with her husband. In their house by the Thames, she moves to the rhythms of her life as a society wife, but there is so much more to her than meets the eye. She has the fortitude to manage the house and garden, raise their children, and face unbearable sorrow by herself—in fact, she is sometimes in thrall to her own independence. As she prepares for another homecoming, Elizabeth looks forward to James's triumphant return and the work she will undertake reading and editing his voluminous journals. But will the private life she's been leading in his absence distract her from her role in aid of her husband's grand ambitions? Can James find the compassion to support her as their family faces unimaginable loss, or must she endure life alone as he sails off toward another adventure? An intimate and sharply observed novel, *The Homecoming* is as revelatory as James Cook's exploration of distant frontiers and as richly rewarding as Elizabeth's love for her family. With courage and strength, through recollection and imagination, author Anna Enquist brilliantly narrates Elizabeth's compelling record of her life, painting a psychological portrait of an independent woman ahead of her time and closely acquainted with history.

Of Human Bondage Sourcebooks, Inc.

Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often "lose it" in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful

childhood—carrying within you a "wounded inner child" that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. *Homecoming* includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

The 100 Complete Boxed Set Hachette UK

Tortured by nightmares twenty years after her slumber party had made national news when a killer butchered three of her friends and drove another insane, Darby Jayson worries that the killer may not have been executed after all.

The Homecoming Hachette UK

We have a strong instinct to belong to small groups defined by clear purpose and understanding—"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians—but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, *Tribe* explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that for many veterans as well as civilians war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. *Tribe* explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

Light Years Random House Digital, Inc.

'A smart, thrilling, utterly unnerving novel' GILLIAN FLYNN on Andrew Pyper's *The Demonologist* EVERY FAMILY HAS SECRETS. It is only after their father dies that Aaron, Bridge and Franny learn how wealthy he was. But they must fulfil a request in his will to get any inheritance: spend a month in a cabin, deep in the mountains, with no contact with the outside world. Despite their concerns, they agree. BUT SECRETS CAN BE A REAL KILLER. The isolation soon makes them question what their father was trying to tell them. And why they have memories of the cabin, though none of them have been there before. The only thing they are sure of is that something is calling to them from the darkness of the woods. And before the month is through, they will discover just how deadly secrets can be. For fans of *The Haunting of Hill House*, *Twin Peaks* and Stephen King, Andrew Pyper returns

with this gripping novel about the dark side of family. *** PRAISE for ANDREW PYPER *** 'Brilliant thriller . . . readers will be invested in the thoughtfully constructed characters. Fans of Josh Malerman's Bird Box will be pleased' Publishers Weekly (* Starred Review) 'One assumes the book was written beneath a full moon . . . Pyper's petrifying imagination comes through in the details. The Homecoming creates a battle between the reader's faith in what they know about their own histories and the leery possibility of treachery emerging out of nowhere . . . Pyper's craftsmanship knows no limit when it comes to making the reader confront their own inescapable fears' Globe and Mail 'Weird, wonderful, audacious . . . Brilliantly constructed and absolutely mesmerizing, this could very well be [Pyper's] best book yet' Booklist 'Genuinely terrifying, don't-read-late-at-night stuff. Thrilling, compelling and beautifully written' SJ Watson, bestselling author of Before I Go to Sleep 'Pyper's

style flips back and forth from gallows humour to Grand Guignol horror...you'll want to keep all the lights on as you read this one' Independent on Sunday on Lost Girls 'With impressive skill and confidence...Pyper has created an intricate puzzle, playing with elements of the courtroom drama, the detective story and country Gothic...As a debut novel, Lost Girls is remarkable and compelling. But more than that, it is a novel that goes some way towards reinventing the literary ghost story as a modern-day going concern' The Times on Lost Girls 'Sentence by sentence there's little to fault: the moody unease of small-town Canada is maintained and a creeping horror revealed' Guardian on Lost Girls 'A best-seller in the author's native Canada...it's easy to see why...extremely compelling' Sunday Telegraph on Lost Girls 'This is an excellently written novel, brilliant in its evocation of an atmosphere which, at first mildly sinister, progressively thickens and darkens' Evening Standard on Lost Girls
