"Epic fantasy at its finest—an homage to storytelling and legend, richly told and endlessly engaging."—Andrea Stewart, author of *The Bone Shard Daughter* Don't miss the first novel in this stunning Silk Road-inspired epic fantasy series from R.R. Virdi—a saga of legends, lies, and the secretive storyteller who's spun them all. All legends are born of truths. And just as much lies. These are mine. Judge me for what you will. But you will hear my story first. I buried the village of Ampur under a mountain of ice and snow. Then I killed their god. I've stolen old magics and been cursed for it. I started a war with those that walked before mankind and lost the princess I loved, and wanted to save. I've called lightning and bound fire. I am legend. And I am a monster. My name is Ari. And this is the story of how I let loose the first evil. "Rich world-building, plenty of action, and devious twists abound. Very highly recommended!" —Jonathan Maberry, New York Times bestselling author of *V-Wars* and *Kagen the Damned* At the Publisher's request, this title is being sold without Digital

Rights Management Software (DRM) applied.

She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz's *Anatomy: A Love Story* is a gothic tale full of mystery and romance. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to

study. Lucky that she's made the acquaintance of someone who digs them up for a living.
