Isadora Moon is special because she's different. Her mum is a fairy and her dad is a vampire and she's a bit of both. Isadora is excited for her first ever trip to the fun fair, but when she arrives it's not quite as magical as she expected. Luckily, her cousin Mirabelle has a plan to make the fairground rides extra special. What could possibly go wrong? With irresistible pink and black artwork throughout by author/illustrator Harriet Muncaster and a totally unique heroine with an out-of-this-world family, this is a beautiful, charming, and funny series of first chapter books.

Perfect for fans of Claude, Dixie O'Day, and Squishy McFluff, Isadora Moon is the ideal choice for readers who want their magic and sparkle with a bit of bite!

Four Mice Deep in the Jungle Black & White Publishing

Jack might be the only kid in the world who's dreading summer. But he's got a good reason: summer is when his single mom takes a second job and leaves him at home to watch his autistic kid sister, Maddy. It's a lot of responsibility, and it's boring, too, because Maddy doesn't talk. Ever. But then, one day at the flea market, Maddy does talk—to tell Jack to trade their mom's car for a box of mysterious seeds. It's the best mistake Jack has ever made. In *Mighty Jack*, what starts as a normal little garden out back behind the house quickly grows up into a wild, magical jungle with tiny onion babies running amok, huge, pink pumpkins that bite, and, on one moonlit night that changes everything...a dragon.

The little rabbit is loved by his family, even though whenever they ask him a question, he answers very rudely. In the morning his mother would say, 'Time to get up, my little rabbit ' He'd reply: 'Poo bum '. One day the little rabbit meets a hungry wolf. Will he learn his lesson once and for all?

Isadora Moon Goes to the Fair Dykinson

The first book in a hilarious new series perfect for fans of David Walliams, Kid Normal and Tom Gates. Charlie Macguffin tries to be an optimist, but in reality he's a bit of a worrier. Some of the things Charlie is worried about: · His brother (who is in hospital) · Their very panicked parents · Unwanted attention from the school bully · The fact that he's started turning into animals! Even though every kid wants a superhero power, Charlie isn't keen on turning into a pigeon in the middle of the school play. But what happens if he does? Will he get sent away for Science to deal with? Will his parents crack under the extra stress? With the help of his three best friends, Charlie needs to find a way of dealing

with his crazy new power - and fast!

From the bestselling middle grade series, a chapter book about a mouse journalist searching for a missing computer, plus a bonus short mystery and jokes. Grandfather William was throwing me, Geronimo Stilton, a party—it had been ten years since I published my first book! He wanted me to write a new book especially for the occasion. Then my laptop was stolen right from under my snout. Cheese niblets, how terrible! Could my friends and I find my computer and print my book all in time for the party? **BONUS!** After the story, read an extra Mini Mystery adventure: The Lake Monster. When a mysterious monster is sighted in a lake on Mouse Island, Geronimo is called in to investigate! But can he figure out this creature's secret? **PLUS** cheesy jokes galore!

 Vee Bell is certain of one irrefutable truth—her sister's friend Sophie didn't kill herself. She was murdered. Vee knows this because she was there. Everyone believes Vee is narcoleptic, but she doesn't actually fall asleep during these episodes: When she passes out, she slides into somebody else's mind and experiences the world through that person's eyes. She's slid into her sister as she cheated on a math test, into a teacher sneaking a drink before class. She learned the worst about a supposed "friend" when she slid into her during a school dance. But nothing could have prepared Vee for what happens one October night when she slides into the mind of someone holding a bloody knife, standing over Sophie's slashed body. Vee desperately wishes she

could share her secret, but who would believe her? It sounds so crazy that she can't bring herself to tell her best friend, Rollins, let alone the police. Even if she could confide in Rollins, he has been acting distant lately, especially now that she's been spending more time with Zane. Enmeshed in a terrifying web of secrets, lies, and danger and with no one to turn to, Vee must find a way to unmask the killer before he or she strikes again.

The New York Times–bestselling graphic memoir about Alison Bechdel, author of *Fun Home*, becoming the artist her mother wanted to be. Alison Bechdel's *Fun Home* was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music

lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year “As complicated, brainy, inventive and satisfying as the finest prose memoirs.”—New York Times Book Review “A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking.”—Jonathan Safran Foer “Many of us are living out the un-lived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!”—Gloria Steinem

An evil army threatens to destroy all of Minecraft in the third Gameknight999 adventure! The ghastr king Malacoda and the terrible enderman Erebus have led their monster army to the server that houses the Source, with plans to destroy Minecraft and all the digital lives on its servers before escaping once and for all into the real world. Only Gameknight999, the User-that-is-not-a-user, and his small army of NPCs can stop them. But the monster horde is growing bigger by the day, as if they are being helped by an unknown someone . . . or something. A secret lurks in the shadows as Gameknight and his friends race across the server, a secret with evil glowing white eyes. To defeat the monsters of the night, Gameknight will first need to find out how monsters are being created so quickly. His quest will eventually take his army into a different dimension altogether, where an island floats ominously in the Void and a deadly creature flaps its gigantic wings . . . Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children,

chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
