What Pooh Might Have  
Said To Dante and other  
futile speculations BRILL  
This graphic-format

biography of Osamu Tezuka—Japan's "God of Manga"—looks at one of the twentieth century's great creative artists (Astro Boy, Kimba the White Lion, Black Jack). It is also an anecdotal study

of the evolution of Japan's early manga and anime business and its heroes. A never-before-seen popular culture history of postwar Japan, it is sure to fascinate fans and anyone interested in manga,

anime, and the potential of the graphic storytelling medium. Toshio Ban joined Tezuka Productions in 1974 as one of Tezuka's assistants. After working for a period as a free-lancer, he later re-joined Tezuka Productions in 1978 as the sub-chief of manga production for magazines, supporting Tezuka's creative work until the end. Tezuka Productions Co., Ltd., is the now-legendary company founded by Osamu Tezuka in 1968 to produce his own manga and anime. In the wake of

Tezuka's death in 1989, it has continued as a family enterprise, responsible for the development, production, merchandising, licensing, and distribution of his many manga and anime creations, including books, films, and characters. Frederik L. Schodt is a translator, conference interpreter, and award-winning author of books on Japanese history and pop culture. He often served as Osamu Tezuka's English interpreter and was a consultant on one of his

animated features and a TV series.

Drawing on theories of place, consumption and

identity, Sarah Chaplin details the evolution of the love hotel in urban Japan since the 1950s. Love hotels emerged in the late 1950s following a ban of licensed prostitution, then were extremely popular in the 1970s, were then legislated against in the 1980s and are now perceived as 'leisure', 'fashion' or 'boutique' hotels. Representing a timely opportunity to capture and evaluate the dying manifestations of an important era in Japanese social and cultural history,

this book provides a critical account of the love hotel as a unique typology. It considers its spatial, aesthetic, semiotic, and locational denotations and connotations, which results in a richly nuanced cultural reading. The love hotel is presented as a key indicator of social and cultural change in post-war Japan, and as such this book will be of interest to a wide and international readership including students of Japanese culture, society and architecture.

Taking a genre approach, this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books, including recommended titles. This third edition of *Young Adult Literature in Action* draws on the

success of the previous two editions authored by Rosemary Chance, updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ+ selections, the role of book formats, and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions, this easy-to-use book includes new

information on timely topics such as audio and e-books, accessible books, and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics and programs, selected awards and celebrations, historical connections, recommended resources, issues for discussion, author comments, and assignment suggestions. Further updates include citations of exemplary young adult books and award winners,

references, websites, and a bibliography.

 Finney Bleak lives in a world of horror—literally. His family members are ghosts, his classmates are monsters, and Finney is the most normal kid in school. But within the halls of Mephisto Prep, normal is the new weird and Finney dangles from the lowest rung of the social evolutionary ladder. Then along comes Jenny. Smart. Beautiful. And totally into Finney. Only problem is, she's kind of

dead. Just how far will Finney go to be with his true love? Let's just say not even Death can stand in his way!

Duke University Press  
Encyclopedic in its coverage, this one-of-a-kind reference is ideal for students, scholars, and others who need reliable, up-to-date information on folk and fairy tales, past and present. Folktales and fairy tales have long played an important role in cultures around the world. They pass customs and lore from generation

to generation, provide insights into the peoples who created them, and offer inspiration to creative artists working in media that now include television, film, manga, photography, and computer games. This second, expanded edition of an award-winning reference will help students and teachers as well as storytellers, writers, and creative artists delve into this enchanting world and keep pace with its past and its many new facets. Alphabetically organized

and global in scope, the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter. The four-volume collection covers national, cultural, regional, and linguistic traditions from around the world as well as motifs, themes, characters, and tale types. Writers and illustrators are included as are filmmakers and composers—and, of course, the tales themselves. The expert entries within volumes 1 through 3 are based on

the latest research and developments while the contents of volume 4 comprises tales and texts. While most books either present readers with tales from certain countries or cultures or with thematic entries, this encyclopedia stands alone in that it does both, making it a truly unique, one-stop resource.

Would Mr. Darcy have preferred Mary Poppins to Lizzie Bennet? Is the New Testament science-fiction? Could the Three Musketeers have beaten

the Lord of the Rings in a fair fight? Does Jemima Puddleduck work better as a French trash novel? And what would Pooh have said to Dante? You'll find answers to all the above questions, and many more, in this book.

*Manga* Routledge  
Peter Carey, writer of such celebrated works as *Oscar and Lucinda*, *True History of the Kelly Gang*, and *His Illegal Self*, is one of Australia's most critically acclaimed novelists. Deeply concerned with South Pacific culture, especially

the lives of its most downtrodden citizens, Carey uses popular art as a tool for raising the consciousness of readers. This book provides an introduction to the author's life, as well as a guided overview of his body of work. Designed for the fan and scholar alike, this text features an alphabetized, fully-annotated listing of major terms in the Carey canon, including fictional characters, motifs, historical events, and themes. Additional features include a listing

of headwords, a Carey history, 44 reading and writing topics, and bibliographies of primary and secondary sources. A comprehensive index is included.

Television, Japan, and Globalization Yen Press LLC

Postindian Aesthetics is a collection of critical, cutting-edge essays on Indigenous writers who are creatively and powerfully contributing to a thriving Indigenous literary aesthetic. This book argues for a literary canon that includes

Indigenous literature that resists colonizing stereotypes of what has been and often still is expected in art produced by American Indians. The works featured are inventive and current, and the writers covered are visionaries who are boldly redefining Indigenous literary aesthetics. The artists covered include Orlando White, LeAnne Howe, Stephen Graham Jones, Deborah Miranda, Heid E. Erdrich, Sherwin Bitsui, and many others. Postindian Aesthetics is expansive and

comprehensive with essays by many of today's leading Indigenous studies scholars. Organized thematically into four sections, the topics in this book include working-class and labor politics, queer embodiment, national and tribal narratives, and new directions in Indigenous literatures. By urging readers to think beyond the more popularized Indigenous literary canon, the essays in this book open up a new world of possibilities for understanding the

contemporary Indigenous experience. The volume showcases thought-provoking scholarship about literature written by important contemporary Indigenous authors who are inspiring critical acclaim and offers new ways to think about the Indigenous literary canon and encourages instructors to broaden the scope of works taught in literature courses more broadly. Girl Reading Girl provides the first overview of the cultural significance of girls and reading in modern and contemporary Japan with emphasis on the processes involved when girls read about other girls. The collection examines the reading practices of real life girls from differing social

backgrounds throughout the twentieth century while a number of chapters also consider how fictional girls read attention is given to the diverse cultural representations of the girl, or shôjo, who are the objects of the reading desires of Japan's real life and fictional girls. These representations appear in various genres, including prose fiction, such as Yoshiya Nobuko's Flower Stories and Takemoto Nobara's Kamikaze Girls, and manga, such as Yoshida Akimi's The

Cherry Orchard. This volume presents the work of pioneering women scholars in the field of girl studies including translations of a groundbreaking essay by Honda Masuko on reading girls and Kawasaki Kenko's response to prejudicial masculine critiques of best-selling novelist, Yoshimoto Banana. Other topics range from the reception of Anne of Green Gables in Japan to girls who write and read male homoerotic narratives. **Diva Nation** Bloomsbury

Publishing USA  
Born of Japan's cultural encounter with Western entertainment media, manga (comic books or graphic novels) and anime (animated films) are two of the most universally recognized forms of contemporary mass culture. Because they tell stories through visual imagery, they vault over language barriers. Well suited to electronic transmission and distributed by Japan's globalized culture industry, they have become a powerful force

in both the mediascape and the marketplace. This volume brings together an international group of scholars from many specialties to probe the richness and subtleties of these deceptively simple cultural forms. The contributors explore the historical, cultural, sociological, and religious dimensions of manga and anime, and examine specific sub-genres, artists, and stylistics. The book also addresses such topics as spirituality, the use of visual culture by Japanese new religious

movements, Japanese Goth, nostalgia and Japanese pop, "cute" (kawaii) subculture and comics for girls, and more. With illustrations throughout, it is a rich source for all scholars and fans of manga and anime as well as students of contemporary mass culture or Japanese culture and civilization. Anime and Manga Rowman & Littlefield Michigan Monograph Series in Japanese Studies No. 67 Television, Japan, and Globalization is a collection of essays that

describe vivid and compelling examples of Japanese media and analyze them with sophisticated theoretical methods. The book makes a stunning contribution to the literature of television studies, which has increasingly recognized its problematic focus on U.S. and Western European media, and a compelling intervention in discussions of globalization, through its careful attention to contradictory and complex phenomena on Japanese TV. Case studies

include talent and stars, romance, anime, telops, game/talk shows, and live action nostalgia shows. The book also looks at Japanese television from a political and economic perspective, with attention to Sky TV, production trends, and Fuji TV as an architectural presence in Tokyo. The combination of textual analysis, brilliant argument, and historical and economic context makes this book ideal for media studies audiences. Its most important contribution may be the

way these essays move the study of Japanese popular culture beyond the tired truisms about postmodernism and open up new lines of thinking about television and popular culture within and between nations. *Playing War* Routledge Facing a powerful opponent, the mysterious Kisuke Urahara is forced to reveal his Bankai for the first time. Meanwhile, Ichigo finally makes it to Yhwach's throne room, but what can he do against an enemy whose power is omnipotence?! --

VIZ Media  
*Peter Carey* Simon and Schuster  
*Boys Love Manga and Beyond* looks at a range of literary, artistic and other cultural products that celebrate the beauty of adolescent boys and young men. In Japan, depiction of the "beautiful boy" has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent decades, "Boys Love" (or

simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan's manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular

media figures. The popularity of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of "boys love," and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview

in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available. Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls' culture in Japan. Others offer important case studies of BL production, consumption, and circulation and explain why BL has become a controversial topic in contemporary Japan.

*Boys Love Manga and Beyond* University of Arizona Press

"Up till now, even kissing or holding hands has made me so nervous. But now..."

An unexpected mix-up leads to a year-end excursion for Nobuko and Hiroki, who find themselves sharing a

hotel room rather suddenly. But as their night alone with each other begins, neither one feels quite prepared... A turning point approaches in the love story of these side characters, as feelings of affection begin to blossom into something more.
