Robert Crumb. Sketchbook Vol. 6. 1998-2011 Taschen

Somehow the Devil Got Me! The filthiest fruit of Robert Crumb's fertile imagination From the very beginning, even before the sexual revolution made Robert Crumb the world's most celebrated underground cartoonist, he felt compelled to commit his sexual fantasies to paper. Once upon a time, he'd destroy them, fearful of others discovering his quirky tastes. Then he found that baring his soul provided a sort of therapy, and he has memorialized his every desire since. Crumb's personal selection of these works first appeared in 2007 in a gorgeous, but pricey, TASCHEN Collector's Edition, complete with slipcase, lithographic print, and many strips hand-colored by Crumb himself. Now, this compact edition is offering the same high-quality obsession at a bargain price! This compendium includes the strips My Troubles With Women, If I Were a King, A Bitchin' Bod, and How To Have Fun With a Strong Girl, as well as 60 single page drawings. Recurring motifs include big strong girls, artistic wimps triumphantly subduing said girls, cavewomen, Yetis, vulture demonesses, bitter little guys, and did we mention big strong girls?

Sexy in the city: Howard Huang's anime-inspired glamour girls When photographer Howard Huang began shopping his fashion book around New York in 2002 he had no idea he was about to become the master of urban photography. Back then, Huang, originating from Taiwan, thought "urban girls" were just women who lived in the city, explaining, "English is my second language I was still learning." Nonetheless, when the editor of Black Men magazine asked if he knew how to shoot sexy women he said, "Sure!" and set about staging the magazine's voluptuous singers, models, and actresses in fantasies inspired by his love of comic books and anime. His composite photos feature exotic locales, lush interiors, or the neon-washed nighttime streets of Manhattan. His shapely heroines, including singer Jacki-O, actress Vida Guerra, and reality TV stars Hoopz, Deelishis, and Risky Jones, escape on sleek motorcycles; rob banks with guns drawn and Halliburton cases spilling money; brandish swords like Japanese assassins; conjure fire; hunt big game, and generally kick ass while displaying their own generous posteriors in photos reminiscent of video games. "The trick is to rework an image to enhance my vision, without drawing attention to cheesy Photoshop special effects," says Huang, who studied under advertising photography master Michel Tcherevkoff. The result is a unique marriage of the new pictorialism with classic glamour photography, and a look at the little known niche market of African-American and Latina bikini models, collectively known as "urban girls." Desde el momento mismo en que se publicó The Big Penis Book, los lectores empezaron a contar los días hasta que apareciera The Big Book of Pussy. Bien, de acuerdo: quizá no los mismos lectores, pero lo cierto es que se había plantado una semilla, y que las cartas y llamadas empezaron a sucederse. Una vez publicado el tan anticipado libro, algunos lectores se mostraron abrumados, además de por la variedad y abundancia, por las dimensiones del libro. En palabras de un crítico: "hay que reconocerle a Amazon el mérito de contar con embalajes tan robustos. ¿Quién quiere que su cartero sepa que ha comprado un libro sobre entrepiernas que pesa dos toneladas?". Hay a quien le parece que los excesos no son buenos; para esas personas hemos concebido una versión

reducida de The Big Book of Pussy con lo mejor que puede ofrecer el libro, un liviano volumen que pone en una perspectiva diferente este material tan explícito y provocador. Ahora es posible seguir la evolución de la exposición genital a la cámara con mayor facilidad, a través de 100 años de fotografías con un elemento común: el placer exhibicionista con el que las modelos revelan su pulcritud femenina. Y con más de 150 fotografías (36 nuevas en esta edición) de esa criaturita tan adorable y esquiva, sin engorrosos textos que interrumpen el ritmo, y todo en un formato que de ningún modo puede lesionar la espalda del cartero, es muy posible que hayamos creado el autorregalo perfecto para este año.

The Big Book of Breasts Taschen

Robert Crumb's Sex Obsessions Goliath Books

Para las tropas de la Segunda Guerra Mundial, cada jornada era estremecedora y, además, bien podía ser la última de sus vidas. Para apuntalar los ánimos y proteger la moral de sus hombres frente a los horrores de la guerra, los altos mandos los animaban a forjar estrechas relaciones de amistad en las que encontrar apoyo emocional. La compañía constante de aquellos compañeros de trincheras, de cuya vida dependía la de uno mismo, ayudó a establecer amistades muy íntimas. Durante el tiempo en el que no combatían hombro con hombro procuraban entretenerse juntos y descargar tensiones entregándose a bromas y juegos, en ocasiones completamente desnudos. Resulta imposible conocer con exactitud el alcance de estos "juegos nudistas" entre las tropas de la Segunda Guerra Mundial (las cámaras eran escasas y resultaba difícil revelar los carretes), pero algunos soldados documentaron este proceso sin precedentes en modestas y anónimas fotografías que, por lo general, permanecieron ocultas hasta después de su muerte. El fotógrafo de Los Ángeles Michael Stokes ha dedicado muchos años a rastrear estas imágenes y compilar un archivo de más de 500 fotografías. Su colección incluye soldados y marinos australianos, ingleses, franceses, italianos, polacos, rusos y estadounidenses, revolcándose en las arenas del Pacífico Sur, tiritando en la nieve de Europa del Este, posando en solitario en los barracones y disfrutando en grupo casi en cualquier lugar. Estas imágenes nos muestran a personas que apenas han alcanzado la edad adulta, hombres en su mayor esplendor físico que responden a las realidades del combate viviendo cada día como si fuera el último: una faceta de la guerra que nunca antes se había hecho pública. La introducción es obra de Scotty Bowers, antiguo marine de 89 años y autor de Servicio completo, memorias de sus aventuras sexuales en Hollywood en las que revela también el modo en el que la guerra modificó su percepción de la homosexualidad y la heterosexualidad, del mismo modo que estas fotografías pueden cambiar el modo en que pensamos sobre la Segunda Guerra Mundial y la camaradería en tiempos de guerra.

The body part series wraps up with the origin of us all First, The Big Book of Breasts, then The Big Penis Book, The Big Book of Legs, and the weighty Big Butt Book. What could follow but an in-depth exploration of the female pudendum, that coveted orifice man spends nine months trying to escape, and a lifetime attempting to reenter? The Big Book of Pussy, not to be confused with a book of big pussy, closes out this popular series with an offering sure to be as controversial as it is popular. As in previous volumes, editor Dian Hanson delves into the historical significance of this humble os, to show how the yoni has been coveted, feared, reviled, and worshipped by civilizations worldwide, from New Guinea to old Ireland. The text is supported by playful photographs of women exposing their vulvas, from 1900 to the present day. Because depiction of this body part has long been wrapped in unwarranted shame, The Big Book of Pussy reframes the subject, featuring models who expose their most private part enthusiastically, happily, with smiles spread wide as... well, you get the picture. And with 400+ photos the point is made emphatically, in images both naturally furry and stylishly groomed. Included are interviews with the auteur known as Pussyman, the ex-cop who turned masturbation into millions with a toy called the Fleshlight, Vanessa del Rio, squirter Flower Tucci, vaginal performance artist Mouse, and the singular Buck Angel. Contemporary photographers Terry Richardson, Richard Kern, Ralph Gibson, Jan Saudek, Guido Argentini, Ed Fox and others share their favorite pussy photos, so that by page 372 even the shiest reader will be calling, "Here, kitty,

kitty!"
