GONZALEZ SHEPPARD

Values in Geography MacMillan R (Nz)

Features descriptions and beautiful color illustrations of over 400 species of marine and terrestrial fauna found in the ecosystems of Samoa's coral reefs, ocean waters, sea grass beds, rain forests, mangrove forests, and wetlands.

Polynesian Religion Institute of Pacific Studies

If religion exists at the heart of every human culture, then this is especially the case in the Pacific Islands. *Vision and Reality* skilfully explores the religious history of the Pacific Islands, examining the indigenisation of Christianity and other faiths. Contributors include many of the regions top historians providing well referenced insights balanced by field research.

Amerika Samoa Lonely Planet

Contact and Change is the third in the Tagata Tangata series, which examines the Polynesian nations of the South Pacific. It examines the impact of European introduced change, and the indigenous response to it. It is written for the Social Studies Curriculum at Level 4-5, and is illustrated in full colour with photographs. Student activities are given throughout the text.

Nineteen Years in Polynesia David Stanley

Palemia tells the story of how a boy from an isolated village grew up to become Prime Minister of Samoa. It follows his journey from Lepa to Apia, Wellington, Brussels, Singapore, Beijing, Tokyo, London, New York and many other international destinations, always returning to Lepa and the Fa'asamoa that shaped him. Tuila'epa Sa'ilele Malielegaoi is Samoa's longest-serving Prime Minister. His premiership has been marked by political and economic crises, natural disasters, regional tensions and local challenges. Tuila'epa's political career started during turbulent times but has resulted in an unprecedented period of political stability and economic development through his leadership in modernising the economy, improving education and health and reducing poverty in Samoa. Palemia captures the voice, documents the life, and places in context a record of the most significant Samoan political leader of this generation, and contains many useful insights into the social, cultural and economic development of Samoa and the wider Pacific region. 'In collaboration with Peter Swain, a superb conveyer of information, Tuila'epa narrates his entry into politics and his rise to power. The book is a fascinating biography and provides a stimulating, thoughtful, original and authoritative perspective on Samoan political life - from the inside.' --Professor Stephen Levine.

Governance in Samoa University of Hawaii Press

Nelles guides provide information on the history, culture, features, and minimal travel information about various islands in the South Pacific.

A History and Comparison of Dependency Administration in Samoa ... Bess Press

Travel guide, with brief general studies, for Pacific - covers history under colonialism, traditional culture, entry requirements, leisure and transport facilities, tourist attractions, etc. Bibliography, glossary, illustrations, maps.

Samoa Faamatai and the Rule of Law Houghton Mifflin Harcourt P

For more than two thousand years the Samoan Islands were among the most forgotten places on earth, but by the late nineteenth century they suddenly attracted the attention of some of the most powerful nations on the globe. Germany and the United Kingdom became interested in the western islands, but it was the U.S. that eventually obtained suzerainty over Pago Pago harbor on the island of Tutuila in the east and began its one and only South Seas colonial experiment. In the Pacific and elsewhere, native populations have traditionally and actively sought independence from their invasive colonial co-partners or have, at the very least, passively but begrudgingly tolerated them. But the relationships between the Samoans of the eastern islands and their American administrators were remarkably different: The Samoans chose boycott over outright belligerence and elected to outlast (and sometimes outwit) their colonial partners while pressing for changes that would bring them into the American family. The story of how this all came about was not without its share of problems, but colonial neglect, native resistance, two world wars, and even administrative madness did not derail an association that somehow continues to this day.

The Tropical Frontier *Frommers

"Culture's influence upon Christianity is easier to discern in retrospect than in prospect. If history is our guide, one thing is sure: This age will be as syncretistic as any other...How is the gospel being contextualized in the contemporary world? To what degree are these new contextualizations syncretistic? This book attempts to answer these questions by defining and analyzing contextualization and syncretism."-Gailyn Van Rheenen
Su'esu'e Manogi: In Search of Fragrance Hunter Publishing, Inc

A collection of essays that follows up on "Adoption in Eastern Oceania" by Vern Carroll. Most were presented at a symposium during the First Annual Association for Social Anthropology in Oceania (ASAO) meeting in 1972.

Pālemia editorips@usp.ac.fj

Second edition of a guide first published in 1990. Provides historical and cultural information on both American and independent Western Samoa, together with details on accommodation, outdoor activities and things to see and do. Includes a Samoan language section, 23 maps and an index.

Vision and Reality in Pacific Religion Huia Publishers

You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go--they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Our expert author has been covering these exotic islands for years, and he's personally checked out every hotel, every restaurant, every beach, and every activity he recommends. He gives you a feel for the islanders' way of life, and offers a wonderful introduction to the region's unique blend of cultures. From Fiji to Tahiti and beyond, there are many islands and hundreds of accommodations to choose from, so Frommer's South Pacific compares all the options, helping you find the tropical getaway that's right for you. We've included web addresses for every hotel, so you can check out pictures as you make your decision. Rely on us for in-depth, honest reviews of lavish honeymoon resorts, intimate inns, simple bungalows, family-friendly motels, and more, with selections in every price category. We'll point you to the loveliest secluded beaches, and send you to the best places for snorkeling, scuba diving, sailing, deep-sea fishing, and more. You'll also get the latest trip-planning information, including tips on finding the best airfare or package deal.

Contextualization and Syncretism University of Hawaii Press

Historical background of the colonisation and accession to independence of Western Samoa and study of the development of government and political structures of the country - refers in particular to the period from 1830 to 1962, and covers the role of UK, the role of Germany, the role of USA, the role of New Zealand, political leadership, public administration, government policy, sociological aspects, cultural factors, tradition, etc. References.

Frommer's South Pacific Lonely Planet

Originally published in 1973, this story of star-crossed lovers spotlights the complex nature of love, freedom, and racism in New Zealand. Samoan writer Albert Wendt's first novel, *Sons for the Return Home*, has long been out of print. Yet, readers continue to respond to the clarity of vision in this simple, powerful story of cross-cultural encounter.

O Tama a 'āiga Ayer Publishing

"Islanders of Samoan ancestry living in Fiji belong more to Fiji than to Samoa. They think of Fiji and its many cultures as home. But as a mixed-race minority, this is not always easy. Their status and options both at home and abroad are the focus of this book. Their future, and that of many other 'expatriate' Islander communities in the South Pacific nations, is important, and likely to become more so as Pacific Islands set out into new forms of association."-- Back cover.

themselves.

National Park of American Samoa, General Management Plan (GP), Islands of Tutuila, Ta'u, and Ofu Melbourne ; New York [etc.] : Oxford University Press

This book is a celebration of His Highness Tui Atua Tupua Tamasese Ta'isi Efi's intellectual and cultural legacy to Samoa, providing Tui Atua's writings and thoughts on Samoan indigenous knowledge. It was first compiled and published as a festschrift in commemoration of his seventieth birthday. Tui Atua is Samoa's Head of State and is currently the only holder of one of Samoa's four pāpā (aristocratic chiefly) titles - Tui Atua. The book also contains responses from fourteen of Samoa's leading and emerging scholars (including two Rhodes Scholars), based within and outside Samoa. The book searches for the best of what His Highness terms 'the Samoan indigenous reference' and enlarges our contemporary understandings of indigenous knowledge.

Eco-theology: Aiga - the Household of Life editorips@usp.ac.fj

"Women's role in land matters was generally second to that of their menfolk - even in traditionally matrilineal societies. Christianity, commerce and centralized government led to some changes and further adaptation is in progress. This book of studies by women from two Melanesia societies (Fiji and Vanuatu) and three Polynesian (Tonga, Samoa and the Cook Islands) is the first to focus on this topic of growing importance to Pacific women."-- Back cover.

[South Pacific Islands](#) William Carey Library

Examination of how governance programs have affected local institutions and practices in Samoa. Suggests practical ways for more efficiently tailoring future programs to the development needs of the country. Case studies explore issues of nascent civil society, problems of urban management, non-government organisations working in the area of women's health, relationships between the national government and villages, and the subversion of custom and constitutional processes to personal political ambitions. Includes notes on contributors, glossary, references and index. Editors are academics in the fields of history and Pacific studies.

Field Guide to the Sāmoan Archipelago

A History of America Samoa is a high school level textbook initiated and completed by the Amerika Samoa Humanities Council. The content detailed in the book ranges from the migration, discovery, and inhabitation of the western Pacific and specifically Samoa, today known as a territory just over a hundred years old. This textbook is written from the perspective of both oral and written accounts of Samoan history. It covers the geographical formation, historical inhabitation, and development of American Samoa through legends, geography, and timelines that help span a time period beginning with the earliest signs of human integration to today's modern setting. This text weaves together the historical account of a little known island with its people spread throughout the globe, through local myth, legend, and authentic biographical information in this comprehensive history of American Samoa.
