Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that.

Although she's an orphan in indentured servitude, sixteen-year-old Jennifer Strange is pretty good at her job of

managing the unpredictable crew at Kazam Mystical Arts Management. She already solved the Dragon Problem, avoided mass destruction by Quarkbeast, and helped save magic in the Ununited Kingdoms. Yet even Jennifer may be defeated when the long-absent Mighty Shandar makes an astonishing appearance and commands her to find the Eye of Zoltar—proclaiming that if she fails, he will eliminate the only two dragons left on earth. How can a teenage non-magician outdo the greatest sorcerer the world has ever known? But failure is unacceptable, so Jennifer must set off for the mysterious Cadir Idris in the deadly Cambrian Empire—a destination with a fatality index of fifty percent. With the odds against them, will Jennifer and her traveling companions ever return to the Kingdom of Snodd?
