"A page-turning inferno of a book." -- Stephanie Garber Red Rising meets The Scorpio Races in this epic fantasy following three phoenix horse riders--skilled at alchemy--who must compete at The Races--the modern spectacle that has replaced warfare within their empire. Every year since the Ashlords were gifted phoenix horses by their gods, they've raced them. First into battle, then on great hunts, and finally for the pure sport of seeing who rode the fastest. Centuries of blood and fire carved their competition into a more modern spectacle: The Races. Over the course of a multi-day event, elite riders from clashing cultures vie to be crowned champion. But the modern version of the sport requires more than good riding. Competitors must be skilled at creating and controlling phoenix horses made of ash and alchemy, which are summoned back to life each sunrise with uniquely crafted powers to cover impossible distances and challenges before bursting into flames at sunset. But good alchemy only matters if a rider knows how to defend their phoenix horse at night. Murder is outlawed, but breaking bones and poisoning ashes? That's all legal and encouraged. In this year's Races, eleven riders will compete, but three of them have more to lose than the rest--a champion's daughter, a scholarship entrant, and a revolutionary's son. Who will attain their own dream of glory? Or will they all flame out in defeat?

The Life Below Ember

From the bestselling co-author of the *Illuminae Files* and *Aurora Rising* comes the second installment in the *LIFELIKE* trilogy--hailed by Marie Lu as "a breathless, action-packed exploration of what humanity really means." In the wake of a climactic battle, two former best friends suddenly find themselves on opposite sides of the same quest. Eve is torn between the memories of the girl she was and the synthetic she's discovered herself to be. Together with her lifelike "siblings," Eve sets out to find the real Ana Monrova, whose DNA is the key to building an army of lifelikes. Meanwhile, Eve's former best friend, Lemon Fresh, is coming to terms with a power that she has long denied--and that others want to harness as a weapon. When she meets a strange boy named Grimm, he offers to lead her to an enclave of other abnorms like herself. There, Lemon quickly finds a sense of belonging--and perhaps even love--among the other genetic deviates. But all is not what it seems, and with enemies and friends, heroes and villains wearing interchangeable faces, Lemon, too, will join the race to locate Ana Monrova before Eve can get to her.

Shadow Falls Camp is back in session with the most explosive installment yet. A shocking new threat will rock Shadow Falls--changing it forever and altering Kylie's journey in ways she never imagined. Even at a camp for supernatural teens, Kylie Galen has never been normal. Not only can she see ghosts, but she doesn't seem to belong to any one species--she exhibits traits from them all. As Kylie struggles to unlock the secrets of her identity, she begins to worry that Lucas will never be able to accept her for what she is, and what she isn't...a werewolf. With his pack standing in their way, Kylie finds herself turning more and more to Derek, the only person in her life who's willing to accept the impossible. As if life isn't hard enough, she starts getting visits from the ghost of Holiday, her closest confidante. Trouble is, Holiday isn't dead...not yet anyway. Now Kylie must race to save one of her own from an unseen danger before it's too late--all while trying to stop her relationship with Lucas from slipping away forever. In a world of constant confusion, there's only one thing Kylie knows for sure. Change is inevitable and all things must come to an end...maybe even her time at Shadow Falls. Don't miss *Whispers at Moonrise*, the breathtaking fourth installment of the New York Times bestselling Shadow Falls series from author C. C. Hunter.

"A high-octane thriller . . . Nyxia grabs you from the first line and never lets go." --Marie Lu, #1 New York Times bestselling author of *Warcross* Every life has a price in this sci-fi thriller--the first in a trilogy--that has the nonstop action of *The Maze Runner* and the high-stakes space setting of *Illuminae*. What would you be willing to risk for a lifetime of fortune? Emmett Atwater isn't just leaving Detroit; he's leaving Earth. Why the Babel Corporation recruited him is a mystery, but the number of zeroes on their contract has him boarding their lightship and hoping to return to Earth with enough money to take care of his family. Forever. Before long, Emmett discovers that he is one of ten recruits, all of whom have troubled pasts and are a long way from home. Now each recruit must earn the right to travel down to the planet of Eden--a planet that Babel has kept hidden--where they will mine a substance called Nyxia that has quietly become the most valuable material in the universe. But Babel's ship is full of secrets. And Emmett will face the ultimate choice: win the fortune at any cost, or find a way to fight that won't forever compromise what it means to be human. #1 NEW YORK TIMES BESTSELLER! ONCE UPON A BROKEN HEART marks the launch of a new series from Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after For as long as she can remember, Evangeline Fox has believed in true love and happy endings . . . until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game -- and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy.

The Last Star Hachette UK

From the New York Times bestselling author of *The Downstairs Girl*, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love--while protecting her own heart at all costs. Perfect for fans of *When Dimple Met Rishi* and *I'll Be the One* and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking--all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, Mimosa doesn't want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman's son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn't always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee's *The Secret of a Heart Note* is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world.

When a killer storm unexpectedly hits Manhattan, seventeen-year-old Lilah Stollow's dad insists that she and her younger sister, Flori, take refuge at their cabin in the mountains. But instead of joining them with the experimental drug that keeps Lilah alive, he disappears just as news reports name him as a prime suspect in an act of ecoterrorism. As days pass without her medicine, Lilah finds herself teetering on the edge, caring for her sister, and growing increasingly certain they're being watched. In her search for answers, Lilah is thrown into the center of a mystery involving an off-the-grid research facility and finds herself drawn in by Daniel, an intriguing boy who is the son of the lead scientist. As she dares to seek answers, Lilah slowly realizes that even the best intentions can go horribly wrong.

Earth Flight Delacorte Press

When war broke out in Europe in 1914, it surprised a European population enjoying the most beautiful summer in memory. For nearly a century since, historians have debated the causes of the war. Some have cited the assassination of Archduke Franz Ferdinand; others have concluded it was unavoidable. In Europe's Last Summer, David Fromkin provides a different answer: hostilities were commenced deliberately. In a riveting re-creation of the run-up to war, Fromkin shows how German generals, seeing war as inevitable, manipulated events to precipitate a conflict waged on their own terms. Moving deftly between diplomats, generals, and rulers across Europe, he makes the complex diplomatic negotiations accessible and immediate. Examining the actions of individuals amid larger historical forces, this is a gripping historical narrative and a dramatic reassessment of a key moment in the twentieth-century.

NPR Best Books of the Year In the world in which Lizbet Lenz lives, the sun still goes around the earth, God speaks directly to his worshippers, goblins haunt every cellar and witches lurk in the forests. Disaster strikes when Lizbet's father Gerhard, a charming scoundrel, is thrown into a dungeon by the tyrant Hengest Wolftrow. To free him, Lizbet must cross the Montagnes du Monde, globe-girdling mountains that reach to the sky, a journey no one has ever survived, and retrieve a mysterious book. Lizbet is desperate, and the only one who can help her is the unpleasant and sarcastic witch girl Strix. As the two girls journey through the mountains and into the lands of wonder beyond, on the run from goblins, powerful witches, and human criminals, Lizbet discovers, to her horror, that Strix's magic is turning Lizbet into a witch, too. Meanwhile, a revolution in Heaven is brewing.

Three cultures clash in all out war--against each other and against the gods--in the second book of this fantasy duology that's sure to capture fans of *The Hunger Games* and *An Ember in the Ashes*. The Races are over. War has begun. Ashlord and Longhand armies battle for control of the Empire as Dividian rebels do their best to survive the crossfire. This is no longer a game. It's life or death. Adrian, Pippa, and Imelda each came out of the Races with questions about their role in the ongoing feud. The deeper they dig, the clearer it is that the hatred between their peoples has an origin point: the gods. Their secrets are long-buried, but one disgruntled deity is ready to unveil the truth. Every

whisper leads back to the underworld. What are the gods hiding there? As the sands of the Empire shift, these heroes will do everything they can to aim their people at the true enemy. But is it already too late? "A page-turning inferno of a book." -- Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series

Want Crown Books For Young Readers

Amber Sand is not a witch. The Sand family magical gene somehow leapfrogged over her. But she did get one highly specific bewitching talent: she can see true love. As a matchmaker, Amber's pretty far down the sorcery food chain (even birthday party magicians rank higher), but after five seconds of eye contact, she can envision anyone's soul mate. Amber works at her mother's magic shop -- *Windy City Magic* -- in downtown Chicago, and she's confident she's seen every kind of happy ending there is: except for one--her own. (The Fates are tricky jerks that way.) So when Charlie Blitzman, the mayor's son and most-desired boy in school, comes to her for help finding his father's missing girlfriend, she's distressed to find herself falling for him. Because while she can't see her own match, she can see his -- and it's not Amber. How can she, an honest peddler of true love, pursue a boy she knows full well isn't her match? *The Best Kind of Magic* is set in urban Chicago and will appeal to readers who long for magic in the real world. With a sharp-witted and sassy heroine, a quirky cast of mystical beings, and a heady dose of adventure, this novel will have you laughing out loud and questioning your belief in happy endings.

Unearthed Simon and Schuster

Set in the near future, this action-packed YA novel—already optioned by Sony Pictures—will take readers out of this world and on a quest to become one of six teens sent on a mission to Jupiter's moon. This is the next must-read for fans of *Illuminae* and *The Martian*. When Leo and Naomi are drafted, along with twenty-two of the world's brightest teenagers, into the International Space Training Camp, their lives are forever changed. Overnight, they become global celebrities in contention for one of the six slots to travel to Europa—Jupiter's moon—and establish a new colony, leaving their planet forever. With Earth irreparably damaged, the future of the human race rests on their shoulders. For Leo, an Italian championship swimmer, this kind of purpose is a reason to go on after losing his family. But Naomi, an Iranian-American science genius, is suspicious of the ISTC and the fact that a similar mission failed under mysterious circumstances, killing the astronauts onboard. She fears something equally sinister awaiting the Final Six beneath Europa's surface. In this cutthroat atmosphere, surrounded by strangers from around the world, Naomi finds an unexpected friend in Leo. As the training tests their limits, Naomi and Leo's relationship deepens with each life-altering experience they encounter. But it's only when the finalists become fewer and their destinies grow nearer that the two can fathom the full weight of everything at stake: the world, the stars, and their lives.

Nyxia Uprising Feiwel & Friends

Alessia Jacobs is a typical sixteen-year-old, dying to get out of her small Maine town. Things look up when a new family comes to town. But as she begins to fall for the hot, mysterious son, Jonah, her life turns upside down. Weird visions of transforming into an otherworldly falcon are just the beginning. Soon she learns she's part of the Benandanti, an ancient cult of warriors with the unique power to separate their souls from their bodies and take on the forms of magnificent animals. Alessia never would've suspected it, but her boring town is the site of an epic struggle between the Benandanti and the Malandanti to control powerful magic in the surrounding forest. As Alessia is drawn into the Benandanti's mission, her relationship with Jonah intensifies. Suddenly forced to weigh choices a sixteen-year-old should never have to make, Alessia witnesses two worlds colliding with devastating consequences.
