*The Invisible Life of Addie LaRue*

Createspace Independent Publishing Platform

Reading this book will make you less sure of yourself—and that's a good thing. In *The Invisible Gorilla*, Christopher Chabris and Daniel Simons, creators of one of psychology's most famous experiments, use remarkable stories and counterintuitive scientific findings to demonstrate an important truth: Our minds don't work the way we think they do. We think we see ourselves and the world as they really are, but we're actually missing a whole lot.

Chabris and Simons combine the work of other researchers with their own findings on attention, perception, memory, and reasoning to reveal how faulty intuitions often get us into trouble. In the process, they explain: • Why a company would spend billions to launch a product that its own analysts know will fail • How a police officer could run right past a brutal assault without seeing it • Why award-winning movies are full of editing mistakes • What criminals have in common with chess masters • Why measles and other childhood diseases are making a comeback • Why money managers could learn a lot from weather forecasters

Again and again, we think we experience and understand the world as it is, but our thoughts are beset by everyday illusions. We write traffic laws and build criminal cases on the assumption that people will notice when something unusual happens right in front of them. We're sure we know where we were on 9/11, falsely believing that vivid memories are seared into our minds with perfect fidelity. And as a society, we spend billions on devices to train our brains because we're continually tempted by the lure of quick fixes and effortless self-improvement. The Invisible Gorilla reveals the myriad ways that our intuitions can deceive us, but it's much more than a catalog of human failings. Chabris and Simons explain why we succumb to these everyday illusions and what we can do to inoculate ourselves against their effects. Ultimately, the book provides a kind of x-ray vision into our own minds, making it possible to pierce the veil of illusions that clouds our thoughts and to think clearly for perhaps the first time.

**Patriotic Favorites** Hal Leonard Corporation  
Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that's spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he's secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he's content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. Rock and Roll Will Save Your Life traces Almond's passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward

mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes:

- sometimes drunken interviews with America's finest songwriters
- a recap of the author's terrifying visit to Graceland while stoned
- a vigorous and credibility-shattering endorsement of Styx's Paradise Theater
- recommendations you will often choose to ignore
- a reluctant exegesis of the Toto song "Africa"
- obnoxious lists sure to piss off rock critics

But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at [www.stevenalmond.com](http://www.stevenalmond.com), for the express purpose of eliciting your drool. For those about to rock—we salute you!

**501 Writing Prompts** Penguin  
New York Times bestseller! Artemis Fowl meets Men in Black in this exhilarating debut middle grade fantasy, the first in a series filled with #blackgirlmagic. Perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. Amari Peters has never stopped believing her missing brother, Quinton, is alive. Not even when the police told her otherwise, or when she got in trouble for standing up to bullies who said he was gone for good. So when she finds a ticking briefcase in his closet, containing a nomination for a summer tryout at the Bureau of Supernatural Affairs, she's certain the secretive organization holds the key to locating Quinton—if only she can wrap her head around the idea of magicians, fairies, aliens, and other supernatural creatures all being real. Now she must compete for a spot against kids who've known about magic their whole lives. No matter how hard she tries, Amari can't seem to escape their intense doubt and

scrutiny—especially once her supernaturally enhanced talent is deemed "illegal." With an evil magician threatening the supernatural world, and her own classmates thinking she's an enemy, Amari has never felt more alone. But if she doesn't stick it out and pass the tryouts, she may never find out what happened to Quinton. Plus don't miss the thrilling sequel, Amari and the Great Game!

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils

down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

#### The Invisible Gorilla Hal Leonard Publishing Corporation

(Limelight). Half a century after its opening, *The Third Man* remains an unquestioned masterpiece of film artistry and, for many, the greatest British movie ever made. Whether it is Harry Lime's magical first appearance or the celebrated cuckoo clock speech or the climactic chase through the sewers beneath Vienna or the haunting theme music of Anton Karas, the film contains some of the most memorable moments in screen history. Drawing on both contemporary documents and accounts of the people involved, *In Search of The Third Man* explores the many myths that over the years have grown around this extraordinary film, and seeks to unravel the facts from the fiction. "...you'll want to read *The Third Man*...The story of the film's creation is as intriguing as the film

itself" Leonard Maltin, *Playboy*  
*Spy Runner* Hal Leonard Publishing  
 Corporation

A missing legacy, a stolen son, and one dangerous secret changed everything for them... SHE STOLE MY PROPERTY I'll never forget the night I caught her sneaking around my place. She thought she could steal from me and get away with it, but I have no intention of letting her get away at all. Mian Ross has a lesson to learn, and I'm going to be the one to teach it to her. HE STOLE MY SON I'll never forget the night I made the second biggest mistake of my life. It was supposed to be a simple job, but it quickly became so much more--one that cost my freedom and cost my son. Angel Knight became my worst nightmare... and now, he'll never let us go.

AN INSTANT #1 NEW YORK TIMES  
 BESTSELLER A USA TODAY BESTSELLER  
 A NATIONAL INDIE BESTSELLER "A bone-chilling standalone . . . which fuses Shirley Jackson's gothic horror sensibilities with the warmth and dark whimsy of Neil Gaiman."—Publishers Weekly, starred review "Gripping worldbuilding, well-rounded characters, and fantastic horror."—Kirkus Reviews, starred review "Unsettling and intriguing."—Bulletin of the Center for Children's Books, starred review  
 Everything casts a shadow. Even the world we live in. And as with every shadow, there is a place where it must touch. A seam, where the shadow meets its source. #1 New York

Times--bestselling author V. E. Schwab weaves a dark and original tale about the place where the world meets its shadow, and the young woman beckoned by both sides. The Secret Garden meets *Crimson Peak* in this stand-alone novel perfect for readers of Holly Black and Neil Gaiman. Olivia Prior has grown up in Merilance School for Girls, and all she has of her past is her mother's journal—which seems to unravel into madness. Then, a letter invites Olivia to come home to Gallant. Yet when Olivia arrives, no one is expecting her. But Olivia is not about to leave the first place that feels like home; it doesn't matter if her cousin Matthew is hostile, or if she sees half-formed ghouls haunting the hallways. Olivia knows that Gallant is hiding secrets, and she is determined to uncover them. When she crosses a ruined wall at just the right moment, Olivia finds herself in a place that is Gallant—but not. The manor is crumbling, the ghouls are solid, and a mysterious figure rules over all. Now

Olivia sees what has unraveled generations of her family, and where her father may have come from. Olivia has always wanted to belong somewhere, but will she take her place as a Prior, protecting our world against the Master of the House? Or will she take her place beside him? New York Times–bestselling author V. E. Schwab crafts a vivid and lush novel that grapples with the demons that are often locked behind closed doors. An eerie, stand-alone saga about life, death, and the young woman beckoned by both. Readers of Neil Gaiman, Holly Black, Melissa Albert, and Garth Nix will quickly lose themselves in this novel with crossover appeal for all ages.

*The Witch Haven* Ballantine Books

Documents a high school student's year-long attempt to change her social status from that of a misfit to a member of the "in" crowd by following advice in a 1950s popularity guide, an experiment that triggered embarrassment, humor and

unexpected surprises. A first book.
