Lessons You Can Learn from the Bible

Our Bible Fun Factory Lesson Plans are "the essentials". The lessons that every single Christian child between 4-12 needs to be taught. As we explore Genesis, we find out that God is creative and he appreciates when we are creative as well. Lessons Included: Lesson 1:

God's Creation Lesson 2: Noah & the Great Flood Lesson 3: God's Promise to Abraham Lesson 4: Abraham & Sarah Have a Baby Lesson 5: Isaac & Rebekah Find Each Other We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher to teach. 2) They should be FUN for the child. 3) They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. -----

----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might need to grab a big spoon) -Complete Lesson (Including our much loved "teaching script" that tells you exactly what to say!) -Scripture Reading (we put

the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically one game is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level:

The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally "glance & go".

Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used.

This is the third book in a series of Bible study lessons from Genesis that advocates searching scripture to

discover the truth of God's Word. Questions in this book are designed to help understand the historical stories that the Bible describes for us in somewhat detailed chapter scenarios. Some illustrations are clearer than others; however, with cross-referencing and comparison of Hebrew and Greek translations, actual deductions can be made about what each word reveals. Translation choices are made easier because of the background of words used. These studies are designed for individual or group study. They do not suggest any particular time period. Use according to your unique requirements.

Genesis 12-50: A Narrative-Theological
Commentary uses narrative criticism to

bring out the theological aspects of the biblical story. While basing itself on the Christian belief that Christ is the goal of all Scripture, it nevertheless allows the Hebrew Bible to speak for itself and to show how its inner message may receive completion in Christ. Hence, it adopts what the author calls a "two-stage" hermeneutics. A particular contribution of this commentary is the comparison and confrontation of patristic and early rabbinic exegesis as Christians and Jews struggled over the same texts, using them to support their diverse beliefs. The discussion is geared towards the average educated reader.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions

designed to help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlighting the gospel of grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book’s difficult teachings on wealth,

anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

Abraham's life makes amazing reading. His Faith in God is inspiring even today. He was by no means perfect, but his failings help us to see a Man of God not as a remote and distant figure, but a fallible human, like the rest of us, except

one with great faith. Abraham walked closely with God, his humility and trust in God brought him through many awkward situations and offer us many useful lessons. Helpful notes bring the significance of these chapters into focus, and speak clearly to us today. Geared for Growth study materials encourage: A Daily Encounter with God: Your 10-15 minutes each day will strengthen the impact of God's word on your daily living. Group learning and sharing: Meet weekly in a small group, share your answers and be enriched as you learn from others. Spiritual Growth: You will be challenged to put God's Word into practice. Others will feel the impact as you obey, grow and mature: Church Growth: Introduce people to Spiritual reality. Your study group could be the

stepping-stone for others coming to faith.

This second part of Genesis is the story of God's choosing of the Jews. As you read and study your way through this second part of Genesis, I think you'll be struck, as I was, at what a total mess this chosen family was. And perhaps you'll come to the same conclusion I have: All families are dysfunctional in more ways than we know! Genesis Part 2 is full of hope and a little humor for all of us dysfunctionals.
