#1 New York Times Bestseller and #1 International Bestseller Soon to be a Peacock Original Series This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human

behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally bestselling author of The Rosie Project In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale

witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov’s experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust,

The Tattooist of Auschwitz is also a testament to the endurance of love and humanity under the darkest possible conditions.

The original work of Christian Warlich, Europe's preeminent tattoo artist in the first half of the 20th century, is brought back to life in a stunning new volume. Christian Warlich was a world famous German tattooist and his flash book is one of the most coveted objects in the tattoo world. It is now available in this exquisite edition that includes over three hundred hand-drawn designs restored to their original vibrant state. It also includes photographs and other archival material, much of which has never been published before. This book brings Warlich's career into new focus, reflecting the latest research on how his early years at sea may have influenced his work. Intricate renderings of cowboys and indigenous Americans, Chinese dragons and Japanese geishas, daggers, snakes, and skulls reveal not only Warlich's influence in the iconography of tattoos, but also suggest the interplay of ideas with tattooists

across Europe, North America, and Asia. The book also explores how the art of tattooing was reframed during the Nazi era and how Warlich's estate helped shape the state of tattoo art today. This elegant book is invaluable in understanding the importance of Warlich to the history of tattooing.
