For a long time I used to go to bed early. Sometimes, when I had put out my candle, my eyes would close so quickly that I had not even time to say "I'm going to sleep." And half an hour later the thought that it was time to go to sleep would awaken me; I would try to put away the book which, I imagined, was still in my hands, and to blow out the light; I had been thinking all the time, while I was asleep, of what I had just been reading, but my thoughts had run into a channel of their own, until I myself seemed actually to have become the subject of my book: a church, a quartet, the rivalry between François I and Charles V. This impression would persist for some moments after I was awake; it did not disturb my mind, but it lay like scales upon my eyes and prevented them from registering the fact that the candle was no longer burning. Then it would begin to seem unintelligible, as the thoughts of a former existence must be to a reincarnate spirit; the subject of my book would separate itself from me, leaving me free to choose whether I would form part of it or no; and at the same time my sight would return and I would be astonished to find myself in a state of darkness, pleasant and restful enough for the eyes, and even more, perhaps, for my mind, to which it appeared incomprehensible, without a cause, a matter dark indeed.

Swanns Way Graphic Arts Books

If there is anyone worthy of producing an intimate biography of the enigmatic genius behind Remembrance of Things Past, it is Edmund White, himself an award- winning writer for whom Marcel Proust has long been an obsession. White introduces us not only to the recluse endlessly rewriting his one massive work through the night, but also the darling of Parisian salons, the grasper after honors, and the closeted homosexual-a subject this book is the first to explore openly. From the frothiest gossip to the deepest angst, here is a moving portrait to be treasured by anyone looking for an introduction to this literary icon.

Marcel Proust Da Capo Press

A guide to three novels by Marcel Proust containing selections of critical essays, plot summaries for each work, and a biography of Proust.

Swann's Way Oxford ; New York : Oxford University Press

Oxford University Press published eminent literary critic Leo Bersani's first book, on Proust, in 1965, but the work has long been out of print. This new edition comes in response to a recent renewal of interest among philosophers of literature, among others, and features a new preface from the author.

The world of Marcel Proust OUP USA

This was Proust's first published work, appearing when he was only twenty-five, and it consists of stories, sketches and thematic writings on a variety of subjects. The attitudes reflect many of the characteristics of the "fin de siecle," yet Proust illumined them with the unique shafts of observation and gift of analysis that he was later to perfect in "The Remembrance of Things Past." This book is a period piece of intricate delights and subtle flavours that will be relished by the author's many admirers

Time Regainedby Marcel Proust

Proust Createspace Independent Publishing Platform

In Search of Lost Time or Remembrance of Things Past (French: ◆ la recherche du temps perdu) is a semi-autobiographical novel in seven volumes by Marcel Proust. His most prominent work, it is popularly known for its extended length and the notion of involuntary memory, the most famous example being the "episode of the madeleine".

The Sweet Cheat Gone BookRix

The Guermites Way (1920/21) is the third volume of Marcel Proust’s seven-part novel In Search

of Lost Time. Written while Proust was virtually confined to his bedroom from a lifelong respiratory illness, The Guermites Way is a story of memory, history, family, and romance from a master of Modernist literature. Praised by Virginia Woolf, Vladimir Nabokov, Michael Chabon, and Graham Greene, In Search of Lost Time explores the nature of memory and time while illuminating the history of homosexuality in nineteenth century Europe. The narrator moves to an apartment neighboring the home of the aristocratic Guermites family. He soon grows obsessed with the beautiful Mme. de Guermites, who refuses his invitation to meet. Disappointed, he rekindles his friendship with her nephew Saint-Loup, a soldier who introduces him to the salon of Mme. de Villeparisis. There, he observes Mme. de Guermites up close, but soon loses interest as he attempts to pursue Mme. de Stermaria. Only then, as his attention wavers, does he receive an invite to the Guermites home. As he grows and learns, he begins to recognize the reality concealed by convention: the secret liaisons between lovers; the petty competitions of artists; the fleeting nature of affection and lust alike. Written in flowing prose, The Guermites Way is a masterpiece of twentieth century fiction that continues to entertain and astound over a century after it appeared in print. With a beautifully designed cover and professionally typeset manuscript, this edition of Marcel Proust’s The Guermites Way is a classic work of French literature reimagined for modern readers.

Remembrance of Things Past: Penguin

Beginning with the remarkable essay "Contre Saint-Beuve," this surprising and stimulating critical collection presents Proust's views on the contemporary writing of his era, on painting and painters, and on such literary masters of the nineteenth century as Tolstoy, Goethe, and Stendhal.

Swann's Way Digireads.com

First published in 1919, *Within a Budding Grove* was awarded the Prix Goncourt, bringing the author immediate fame. In this second volume of *In Search of Lost Time*, the narrator turns from the childhood reminiscences of *Swann's Way* to memories of his adolescence. Having gradually become indifferent to *Swann's* daughter Gilberte, the narrator visits the seaside resort of Balbec with his grandmother and meets a new object of attention--Albertine, "a girl with brilliant, laughing eyes and plump, matt cheeks."

Les plaisirs et les jours Random House Digital, Inc.

A new translation from the original French manuscripts of Marcel Proust's *The Lemoine Case* (L’Affaire Lemoine). This edition contains a new Afterword by the translator, a timeline of Proust's life and works and a glossary of philosophic concepts in his body of work. Published in 1921 as a novella, this work explores themes of identity, deception, and the nature of truth through a tale about a man named Lemoine, who gains fame and adoration by falsely claiming to be a renowned military hero. In an argument for Nietzsche's Subjectivism, Proust questions the reliability of appearances and the power of social constructs in shaping public perception. The novella delves into the complexities of human behavior, offering reflections on the allure of personal narratives and the intricate interplay between truth and falsehood.

Time Regained Independently Published

Cities of the Plain By Marcel Proust French novelist, essayist, and critic, best known for his extended memoir/autobiographical novel, À la recherche du temps perdu, (in English, *In Search of Lost Time*; earlier translated as *Remembrance of Things Past*), published in seven parts from 1913 to 1927. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to

ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

"MADEMOISELLE ALBERTINE has gone!" How much farther does anguish penetrate inpsychology than psychology itself! A moment ago, as I lay analysing my feelings, I hadsupposed that this separation without a final meeting was precisely what I wished, and, as Icompared the mediocrity of the pleasures that Albertine afforded me with the richness ofthe desires which she prevented me from realising, had felt that I was being subtle, hadconcluded that I did not wish to see her again, that I no longer loved her. But now thesewords: "Mademoiselle Albertine has gone!" had expressed themselves in my heart in theform of an anguish so keen that I would not be able to endure it for any length of time. Andso what I had supposed to mean nothing to me was the only thing in my whole life. Howignorant we are of ourselves. The first thing to be done was to make my anguish cease atonce. Tender towards myself as my mother had been towards my dying grandmother, Isaid to myself with that anxiety which we feel to prevent a person whom we love fromsuffering: "Be patient for just a moment, we shall find something to take the pain away, don't fret, we are not going to allow you to suffer like this." It was among ideas of this sortthat my instinct of self-preservation sought for the first sedatives to lay upon my openwound: "All this is not of the slightest importance, for I am going to make her return here atonce. I must think first how I am to do it, but in any case she will be here this evening.Therefore, it is useless to worry myself." "All this is not of the slightest importance," I hadnot been content with giving myself this assurance, I had tried to convey the sameimpression to Françoise by not allowing her to see what I was suffering, because, even atthe moment when I was feeling so keen an anguish, my love did not forget how important itwas that it should appear a happy love, a mutual love, especially in the eyes of Françoise, who, as she disliked Albertine, had always doubted her sincerity

Swann's Way by Marcel Proust Penguin UK

Proust's masterpiece is one of the seminal works of the twentieth century, recording its narrator's experiences as he grows up, falls in love and lives through the First World War. A profound reflection on art, time, memory, self and loss, it is often viewed as the definitive modern novel, and C. K. Scott Moncrieff's famous translation from the 1920s is now regarded as a classic in its own right.

Marcel Proust Independently Published

Reissued with a new preface to commemorate the first publication of "A la recherche du temps perdu" one hundred years ago, " Marcel Proust" portrays in abundant detail the extraordinary life and times of one of the greatest literary voices of the twentieth century. "An impeccably researched and well-paced narrative that brings vividly and credibly to life not only the writer himself but also the changing world he knew."-Roger Pearson, "New York Times Book Review" "William C. Carter is Proust's definitive biographer."-Harold Bloom Named a Notable Book of 2000 by the "New York Times Book Review""

Pleasures and Regrets Editions Gallimard

In Search of Lost Time or Remembrance of Things Past (French: À la recherche du temps perdu) is a semi-autobiographical novel in seven volumes Marcel Proust. His most prominent work, it is popularly known...

Swann's Way (Annotated) Penguin Classics

En 1896, M. Proust recueille en un volume l'ensemble des textes qu'il avait publié en revue depuis cinq ans, de manière à offrir une sorte d'agenda de l'existence, marquée par l'amour, l'érotisme et le passage du temps.

Marcel Proust, Selected Letters: 1880-1903 Frederick Ungar

Marcel Proust's *In Search of Lost Time* is one of the most entertaining reading experiences in any language and arguably the finest novel of the twentieth century. In the overture to *Swann's Way*, the themes of the whole of *In Search of Lost Time* are introduced, and the narrator's childhood in

Paris and Combray is recalled, most memorably in the evocation of the famous maternal good-night kiss. The recollection of the narrator's love for Swann's daughter Gilberte leads to an account of Swann's passion for Odette and the rise of the nouveaux riches Verdurins.

Marcel Proust London : Collins

Valentin Louis Georges Eugène Marcel Proust was a French novelist, critic, and essayist best known for his monumental novel *À la recherche du temps perdu* (In Search of Lost Time; earlier rendered as *Remembrance of Things Past*), published in seven parts between 1913 and 1927. He is considered by many to be one of the greatest authors.

Marcel Proust Newcomb Livraria Press

This is the sixth major part of Marcel Proust's *A la recherche du temps perdu*. When Proust set out to write the novel, he had in mind two volumes, which largely make up what are now *Swann's Way* and *Time Regained*. He ended up with five volumes in between. He didn't live long enough to see all of the novel through publication, and his first translator into English, C. K. Scott Moncreiff, died before translating the last volume. Proust worked on the book in pieces and large parts of it feel more finished than others. As one wades through Proust's famously elaborate sentences, one comes to this volume and finds it feels the least polished of the lot so far. --- At the end of *The Captive*, Albertine, Marcel's veritable prisoner, makes her escape back to Tansonville and Marcel is

shocked and, perhaps, heartbroken. This volume opens with no time having passed. Marcel copes with Albertine's audacity by becoming further obsessed over her homosexual proclivities. He held her captive in the first place, not really out of love, but out of his obsessive need to prevent her from having dalliances with women. The reader can be forgiven if he feels Marcel is a tiny bit off his rocker. Anyway, he eventually dispatches his longtime friend Robert de Saint-Loup to bribe Albertine into returning. At the same time, Marcel seems unable to realize the disturbed qualities of his obsession. Almost shockingly, in this interval, Marcel takes in a young girl. He bounces her on his knee and maybe fondles her a bit more. He finds himself up on charges for this behavior and is given a stern talking-to by a magistrate who just asks that Marcel be a bit more discreet.
