When the

weather
outside is
frightful, what
could be more
delightful than
a hot toddy?
From the
scent of
nutmeg-laced

hot buttered
rum to the fizz
of a poinsettia
cocktail,
there's
nothing like a
classic winter
drink to bring
true festivity

to the season. And it's easy as pie—whipping up an eggnog from scratch is a whole lot simpler than cooking the perfect turkey, and your guests will appreciate the gesture as much as the taste. From spiced cider to champagne punch, Hot Toddies is the perfect little collection of winter refreshments, with fail-safe recipes that will make any holiday party shine. These delicious seasonal drink ideas are as

perfect for wintertime as a cold smoothie is for summer. Rather than offering guests the same lackluster wine, heat it with sweet spices, spike it with Aquavit, and serve up an authentic Swedish glögg for some true Christmas spirit. Tempt friends with the luscious richness of chocolate eggnog, topped with real chocolate whipped cream. Curl up on a blustery winter's day with a steamy,

frothy Irish coffee, or combine apple cider, bourbon, and spices for a Thanksgiving Day batch of harvest moon punch. In addition to these flavorful recipes, useful tips on everything from keeping punch cold to stocking a bar will help you concoct special drinks all winter long—even the whole year round. Whether it's a stocking stuffer, a hostess gift, or a great addition to your next

holiday party,
Hot Toddies is
the perfect
guide to
celebrating
the season.

HOROWITZ!

Respect,

Trust, and

Commitment

are the

cornerstones

of a dedicated

relationship

between a

teacher and a

student. For a
passionate
student
yearning to
learn and
understand
the essence of
a subject, they
must
demonstrate
these traits
before a
teacher will
take them
under their
wing. In this
case, the
teacher was
Thomas
Troward of
Cornwall,
England and
the student
was
Genevieve
Behrend. He
imparted his
personal
insight to the
one and only
pupil who
could

perpetuate
this
knowledge
and share it
with the
world. Not
long after her
time with
Troward,
Behrend
began her
mission in
New York City
where she
established
and headed
The School of
the Builders
until 1925.
She
established
another school
in Los
Angeles; and
then spent the
next thirty-
five years
touring major
cities
throughout
North America
as a

celebrated lecturer, teacher, and practitioner of Mental Science. Your Invisible Power was her first book and remains her most powerful and popular work. In this Original Classic Edition, Behrend presents the Troward philosophy at its best. Her incomparably direct and dynamic personality relates the life-changing concepts on a personal level. As Behrend says, "We all possess more

power and greater possibilities than we realize, and visualizing is one of the greatest of these powers." She will motivate and inspire you with a powerful, yet simple and easy guide to open up the way to the attainment of your desires. Open Road Media Kamala Markandaya, author of the classic Nectar in a Sieve, published ten novels in all, the last of which appeared in

1982. For the next two decades, till her death in 2004, she lived a life of near anonymity in the outskirts of London. But she hadn't stopped writing; shortly after her death, her daughter discovered the finished typescript of a new, unpublished novel: The Catalyst: Alias, Bombay Tiger. Set in the 1980s, Bombay Tiger tells the story of Ganguli—mercenary and larger-than-

life—who arrives in Bombay with little more than ruthless ambition, and becomes the city's biggest industrialist. A Citizen Kane-like figure—destined to become one of the most memorable protagonists in Indian fiction—Ganguli is emblematic of a changing India, post the era of high socialism, beginning to be transformed by private enterprise. This sweeping novel,

poignant and comic by turns, traces his dramatic rise and fall, his loves and losses, and his eventual redemption. Gloriously rich in incident and character and marked by Markandaya's deep humanity, *Bombay Tiger* is the work of a major writer at the height of her powers. *A Handful of Rice* Hodder Education Nominated for ten UK book awards, Theresa Breslin's hit novel tells of how two young boys -

one Rangers fan, one Celtic fan - are drawn into a secret pact to help a young asylum seeker in a city divided by prejudice. Now adapted for the stage by Martin Travers, the play has already been produced to great acclaim at Glasgow's Citizens Theatre. Graham and Joe just want to play football and be selected for the new city team, but a violent attack on Kyoul, an asylum

seeker, changes everything when they find themselves drawn into a secret pact to help the victim and his girlfriend Leanne. Set in Glasgow at the time of the Orange Order walks, *Divided City* is a gripping tale about two boys and how they must find their own way forward in a world divided by difference. This educational edition has been prepared by national Drama in Secondary

English experts Ruth Moore and Paul Bunyan. Published in Methuen Drama's Critical Scripts series the book: - meets the curriculum requirements for English at KS3, GCSE and Scottish CfE. - features detailed, structured schemes of work utilising drama approaches to improve literary and language analysis - places pupils' understanding of the learning process at the heart of the activities - will

help pupils to boost English GCSE success and develop high-level skills at KS3 - will save teachers considerable time devising their own resources.

Sunrise
 Orphanage is
 a happy place
 until the great
 sickness
 comes to the
 country, when
 the ten
 orphan
 children are
 left to fend for
 themselves.
 Normal life
 breaks down,
 and people do
 what they can
 to survive.
 Threatened
 with being
 taken to a
 labour camp,
 the children's
 only
 alternative is
 a perilous
 journey across
 the island.
 Sanctuary
 awaits them
 at Last Man
 Peak, but will
 they be able

to reach it?
 Unforeseen
 danger waits
 at every turn.
 No one can be
 trusted. The
 arduous trek
 would be
 challenging
 enough even
 without the
 need to avoid
 capture -
 capture which
 would mean
 the labour
 camp, or
 possibly
 something
 much worse.
 The journey,
 with only their
 wits and
 courage to
 help them, will
 change their
 lives for ever.

 receding past.
 In The World

Until Yesterday, Diamond reveals how traditional societies around the world offer an extraordinary window onto how our ancestors lived for the majority of human history - until virtually yesterday, in evolutionary terms - and provide unique, often overlooked insights into human nature. Drawing extensively on his decades working in the jungles of Papua New Guinea, Diamond

explores how tribal societies approach essential human problems, from childrearing to conflict resolution to health, and discovers we have much to learn from traditional ways of life. He unearths remarkable findings - from the reason why modern afflictions like diabetes, obesity and Alzheimer's are virtually non-existent in tribal societies to the surprising benefits of multilingualis

m. Panoramic in scope and thrillingly original, The World Until Yesterday provides an enthralling first-hand picture of the human past that also suggests profound lessons for how to live well today. Jared Diamond is the Pulitzer Prize-winning author of the seminal million-copy-bestseller Guns, Germs, and Steel, which was named one of TIME's best non-fiction books of all time, and

Collapse, a #1 international bestseller. A professor of geography at UCLA and noted polymath, Diamond's work has been influential in the fields of anthropology, biology, ornithology, ecology and history, among others. Difficult Daughters Penguin/Viking

g
 BURNING
 WATERS
 Designated Supreme Commander of the Allied Forces, Matt Reddy must now contend with a new threat; the Dominion—humans whose lust for power matches the Grik. But even though the Grand Alliance recognizes the danger of the Dominion, it must deal with the land-based Grik first, leaving the Imperial navy—and USS Walker—with little assistance. As war rages, more Japanese ships come through the time-space maelstrom that the Americans call The Squall. One is a “Hell Ship,” carrying prisoners of an Imperial Japan that is growing ever more ruthless in the face of looming defeat. Escorting it is a new, state-of-the-art destroyer, whose officers recognize no rules of war. Fighting on two fronts, Reddy is plunged into a firestorm of loyalty, betrayal, and sacrifice. But nothing can prepare him for a devastating new Grik weapon—a weapon that

could wipe out
all who
oppose
them...

bestseller is
the first
installment in
the explosive
tween fantasy
series by
famed
Hollywood
director Chris
Columbus (of
Harry Potter
fame) and
bestselling
author Ned
Vizzini (It's
Kind of a
Funny Story).
Siblings
Brendan,
Eleanor, and
Cordelia
Walker once
had
everything
they could
ever want. But
everything
changed when
Dr. Walker lost

his job. Now the family must relocate to an old Victorian house, formerly the home of occult novelist Denver Kristoff—a house that simultaneously feels creepy and too good to be true. By the time the Walkers realize that one of their neighbors has sinister plans for them, they're banished to a primeval forest way off the grid. Bloodthirsty medieval warriors patrol the woods

around them, supernatural pirates roam the neighboring seas, and a power-hungry queen rules the land. To survive, the siblings will have to be braver than they ever thought possible—and to fight against their darkest impulses. The key may lie in their own connection to the secret Kristoff legacy. But as they unravel that legacy, they'll discover that it's not just their family

that's in danger . . . it's the entire world.

Dark Holds No Terrors

Gildan Media LLC aka G&D Media
 "On 1 October 1949, the People's Republic of China came into being and changed forever the course of Asian history. Power moved from the hands of the nationalist Kuomintang government to the Communist Party of China headed by Mao Tse Tung. All of a sudden, it was

not only an assertive China that India had to deal with but also an increasingly complex situation in Tibet which was reeling under pressure from China. Clearly, newly independent India, with Prime Minister Jawaharlal Nehru at its helm, was navigating very choppy waters. Its relations with China progressively deteriorated, eventually leading to the Indo-China war in 1962.

Today, more than six decades after the war, we are still plagued by border disputes with China that seem to routinely grab the headlines. It leads one to question what exactly went on during those initial years of the emergence of a new China"--
Publisher's summary.
The Autobiography of an Unknown Indian
 Bantam
 A totalitarian regime has ordered all books to be

destroyed, but one of the book burners suddenly realizes their merit.
Professional Baking Lake Union Press
 "I am inclined to call this the last chapter, but how can an autobiography have a final chapter? At best, it can only be a penultimate one; nor can it be given a rounded-off conclusion, as is possible in a work of fiction." So begins the last chapter of *My Days*, the only memoir from R. K. Narayan,

hailed as "India's most notable novelist and short-story writer" by the New York Times Book Review. In his usual winning, humorous style, R. K. Narayan shares his life story, beginning in his grandmother's garden in Madras with his ferocious pet peacock. As a young boy with no interest in school, he trains grasshoppers, scouts, and generally takes part in life's

excitements. Against the advice of all, especially his commanding headmaster father, the dreaming Narayan takes to writing fiction, and one of his pieces is accepted by Punch magazine (his "first prestige publication"). Soon his life includes bumbling British diplomats, curious movie moguls, evasive Indian officials, eccentric journalists, and "the blind urge" to fall in love. R. K.

Narayan's larger-than-life perception of the human comedy is at once acute and forgiving, and always true to it. *My Days* Hyperion Books The New York Times Bestseller "There aren't many books this entertaining that also provide a cogent crash course in ancient, classical and modern history." -Los Angeles Times Beer, wine, spirits, coffee, tea, and Coca-Cola: In Tom

Standage's deft, innovative account of world history, these six beverages turn out to be much more than just ways to quench thirst. They also represent six eras that span the course of civilization—from the adoption of agriculture, to the birth of cities, to the advent of globalization. A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the twenty-first century

through each epoch's signature refreshment. As Standage persuasively argues, each drink is in fact a kind of technology, advancing culture and catalyzing the intricate interplay of different societies. After reading this enlightening book, you may never look at your favorite drink in quite the same way again. *House of Secrets* U of Nebraska Press The Coffers Dams Is An

Absorbing Tale About Mechanical Strength And Spiritual Weakness, Physical Certainties And Moral Doubts. It Is Set In Modern India But The Conflict Of Values At Its Heart Is Universal John Masters Clinton, Founder And Head Of A Firm Of International Construction Engineers, Arrives In India To Build A Dam, Bringing With Him His Young Wife, Helen, And A Strong Team Of Aides

And Skilled Men. They Are Faced With A Formidable Project, Which Involves Working In Daunting Mountain And Jungle Terrain, Within A Time Schedule Dictated By The Extreme Tropical Weather. Inevitable Setbacks Occur; Accidents And Friction Among The Mixed Labour Force Present Further Complications. But To Clinton The Building Of The Dam Is More Than A Challenge; It Is An	Obsession Not, However, Shared By Helen. Appalled By Her Husband S Concern With Structures Rather Than With Men, She Turns To The Local Indian Tribesmen, Finding In Them The Human Values She Finds Lacking In The British Camp. With Relations Between The Clintons Becoming Increasingly Raw-Edged, The First Rains Fall And, As The Torrents Sweep The Valley And The Level Of	The River Rises, So Does The Tension In The Beleaguered Camp. The Vital Question Looms: To Breach The Coffer Dams, Or Allow Them To Stand, Thereby Placing The Lives Of The Tribesmen In Jeopardy. It Is A Fundamental Question That Splits The Camp Exposing The Lingering Prejudices Of A Bygone Colonial Era. First Published In 1969, The Coffer Dams Is Vintage Kamala
--	---	--

Markandaya, A Pioneer Who Influenced Many Indian Writers In English. Vendor Of Sweets, The (modern Classics) Welcome Books Palace of the Peacock, the first of Wilson Harris's many novels, was published in 1960, just one year after his arrival in Britain from Guyana. In a richly metaphorical style, the book sets out the themes Wilson continues to develop in his writing to this day: the

ability of the imaginative consciousness to create worlds where disparate cultures and traditions are fused. Donne, an ambitious skipper, leads a multiracial crew up an unnamed river in the rainforest. He is searching for the indigenous people of the forest to exploit as cheap labour on his plantation. But the journey is beset with obstacles, and as the crew progress and their relationships

develop, it takes on a more spiritual significance, culminating with the crew and the forest folk finding sanctuary and resolution in the visionary Palace of the Peacock. *The Coffey Dams* Penguin Books India The Angry Therapist who has helped thousands of men find more happiness in their relationships and more purpose in their lives now shares his insights with everyone in this powerful guide—self-

help in a shotglass—covering essential topics, from vulnerability and posturing to workouts and women. Deep in post-divorce soul searching, John Kim came to an astonishing realization: he was a miserable f*ck who might just be to blame for the problems in his life. Armed with this new insight, he began The Angry Therapist blog—an admission that, while he was a licensed

therapist and life coach, he was no better than the people who sought his advice. In his first post, “My Fucking Feelings,” he wrote about the struggles and shortcomings that had led him to this point. As his work caught on, catapulting him into the role of unlikely and unconventional guide for thousands of people all over the world, Kim evolved from behaving like a boy to living like a

man—and showed his clients how to do so as well. In I Used to Be a Miserable F*ck, Kim delivers the dos and don’ts for stepping up and into manhood, which he defines by transparency and strength of character, not six-pack abs or a corner office. With his signature no-nonsense approach that will make you laugh and think, Kim takes you on a rugged, rough and tumble road trip of self-

exploration and discovery, sharing his wisdom and insights, such as why: Being nice is for boys, and being kind is for men
 Scheduling man dates could make you a better friend, lover, and human being
 Peeing in the shower is a sign of a larger problem
 Arguing, judging, and answering, "I dunno" are keeping you from a healthy relationship, a great career, and a happy life
 We are not born men. We are born boys.

The transition from misery to meaning is an internal process that requires work: reflection, pain, courage, and sometimes, a rebirth. Kim knows because he's been there. The truth is, men weren't meant to just pay bills and die. With this book as your guide, you will love hard, walk tall, and find a life filled with purpose and passion.
India Penguin UK
 The greatest Indian epic, one of the world's

supreme masterpieces of storytelling
 A Penguin Classic A sweeping tale of abduction, battle, and courtship played out in a universe of deities and demons, The Ramayana is familiar to virtually every Indian.
 Although the Sanskrit original was composed by Valmiki around the fourth century BC, poets have produced countless versions in different languages.
 Here, drawing

on the work of an eleventh-century poet called Kamban, Narayan employs the skills of a master novelist to re-create the excitement he found in the original. A luminous saga made accessible to new generations of readers, The Ramayana can be enjoyed for its

spiritual wisdom, or as a thrilling tale of ancient conflict. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of

the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
