A lively, original, and challenging history of stock market speculation from the 17th century to present day. Is your investment in that new Internet stock a sign of stock market savvy or an act of peculiarly American speculative folly? How has the psychology of investing changed—and not changed—over the last five hundred years? In *Devil Take the Hindmost*, Edward Chancellor traces the origins of the speculative spirit back to ancient Rome and chronicles its revival in the modern world: from

the tulip scandal of 1630s Holland, to “stockjobbing” in London's Exchange Alley, to the infamous South Sea Bubble of 1720, which prompted Sir Isaac Newton to comment, “I can calculate the motion of heavenly bodies, but not the madness of people.” Here are brokers underwriting risks that included highway robbery and the “assurance of female chastity”; credit notes and lottery tickets circulating as money; wise and unwise investors from Alexander Pope and Benjamin Disraeli to Ivan Boesky and Hillary Rodham Clinton. From the Gilded Age to the Roaring Twenties, from the nineteenth century railway mania to the crash of 1929, from junk bonds and the Japanese bubble economy to the day-traders of the Information Era, *Devil Take the Hindmost* tells a fascinating story of human dreams and folly through the ages.

In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his “prayer log.” There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.
