Bury Me EverAfter
Romance

Drew and Jenny have spent years being the envy of their friends with their out of control sex lives - well, not really. Mostly it makes their friends want to throw up in their mouths a little. With two little kids and two busy lives, for the first time, Drew and Jenny aren't on the same page in the bedroom. Drew will stop at nothing to get his previously amorous wife back in the sack and Jenny will do anything for a full night of sleep. Carter and Claire, and Jim and Liz

are their usual (un)helpful selves and are full of advice for the discontented duo, wanting nothing more than to help restore order to the usually happy couple's lives. In the third and final installment of the Chocolate Lovers Series, will Drew and Jenny find the spark that's been missing in their marriage, or will the trouble they're having cause a stickier situation than the time Jenny poured honey all over Drew and he fused himself to a tree?
To Hate Adam Connor
Swerve
Brooklyn Manning thought her life was perfect in every way until it crumbled down around

her and turned into a dumpster fire. With her pride wounded and her tail tucked between her legs, she leaves New York and goes back to her tiny hometown of White Timber, Montana. No more twenty-four-hour taco trucks, no more shopping at the best designer stores within walking distance, no more giving taxi drivers the finger when they angrily honk at her. She didn't think it could get any worse. But then Clint Hastings walked into the room and insulted her. Her arch nemesis from high school is no longer a nerdy computer whiz, masturbating to pictures in PC World magazine in

his free time (allegedly). He's grown up to be a hot-as-hell cowboy, and she has no other choice but to be a smart ass right back to him. After all, it's what they do. It's what they've always done, and twelve years apart hasn't changed anything. Only this time, getting under each other's skin is a hell of a lot more fun than it used to be.

All his life Tate McCullom has been taught to be responsible, and he is the very model of what a respectable man should be. Until the night he gets drunk and sleeps with a woman he barely knows. Now, six weeks later, she's pregnant, alone, and broke. Once again, Tate must take responsibility for his actions, and makes plans to marry his child's mother. There's only one problem...he has to tell his fiancée. Abby Grayson hasn't had an easy life. As the daughter of the town whore, people either avoid her or think she's like her mother. For Abby, it's a struggle just to fill her belly and keep a roof over her head. Loneliness and a secret yearning for this man she thought she'd never have led her to spend the night with

Tate. But the last thing she needs is a baby when she can barely take care of herself. Desperate, but too proud to ask for help, she finally agrees to accept a job from Tate the job of being his wife. Now she has almost everything she's ever dreamed of. Unfortunately, only one thing will gain her Tate's love - his realization that the night he spent with her was no drunken accident. It was a last-ditch attempt to win the woman he really wanted. *Blockchain Chicken Farm* EverAfter Romance From the USA Today bestselling author of *The Story of Us* and *Fisher's Light* comes a new, standalone novel - a heartwrenching story about second chances that will make you fall in love all over again. Five years. I would've stayed away longer if I hadn't received the letter. Not a day has gone by that I haven't thought about her, haven't missed her smile, haven't wished that things were different. The last time I saw my two best friends, I vowed to not stand in the way of their happiness, even if that meant I couldn't be a part of their lives. Cameron James and her emerald-green eyes were too much of a temptation

and I couldn't stay and watch them together. Cameron deserved better than me. She deserved him. But now that I am back, things are different. I'm not going to stand by and watch the woman I've always loved slip away again. I'm done living my life with regrets and I'm ready to tell her the truth. And I'll do whatever it takes to show her that I always wished she was mine.

EverAfter Romance

Live in the best small town in the world?

Check. Have the greatest job ever working on my family's pumpkin farm?

Check. Marry the town pharmacist and have a nice, quiet life with our son? Check-check. "Oh, I'm sorry. Did you say you were happy?"

LOLOLOLOL!" ~ LifeEmber Hastings never thought she'd be dragged away from White Timber and everything she loved, thrust in the middle of a big city she hated, or have her husband of nine years say, "I can't do this anymore," all within the span of three months, yet here she is. She misses her family, she misses the farm, and she misses having a backbone and caring whether or not the stain on her shirt is

chocolate or shit. She works from home doing transcription. Does she really need to shower or leave the house? Baker Matthews has been bringing everyone down lately with his grouchy attitude. His job is stressful, and sometimes depressing, but he wouldn't change anything about it. When a glitch with the transcription company he's using mistakenly sends him notes he wasn't supposed to see, Baker finds himself laughing out loud for the first time in months. He's never met a woman who says whatever she's thinking and doesn't fawn all over him when she finds out what he does for a living. Until Ember Hastings comes barreling into his life, calling him Shit Mouth and asking if he has any balls. But she wants to keep this professional. She made him pinky swear, and you don't mess around with pinky swears. Baker will have to get creative if he wants to prove to Ember that he's just her type.

Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely lovable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after.
Book 2 - Futures and Frosting: Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From

bachelorette party hell, porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong?

EverAfter Romance
A struggling antiques collector finds herself falling in love with a millionaire playboy; but can she ever be a part of his world? Meet the Naughty Princess Club, a series from USA Today bestselling author Tara Sivec that brings readers to Fairytale Lane and the hilarity—and romance—that three women fall into once they decide to strut their stuff and bring on their own happily ever after. While her friends have broken free of their insecurities,

Ariel Waters is struggling to come out of her shell. Her ex-husband took away her voice and her self-confidence, and Ariel is drowning under a sea of debt to afford the alimony she has to pay him. She refuses to ever fall for a man's charms again, and is determined to make her own way. When her house and her beloved antiques are taken by the bank after too many missed payments, Ariel finds herself adrift until the infuriatingly charming Eric Sailor comes to her rescue. Although she can't stand the millionaire playboy, Eric's kindness and unconditional support reveal hidden depths and a love that Ariel never imagined she could find. But there are outside influences who will stop at nothing to keep them apart; can Ariel and Eric weather the storm and find a way to be together in *Kiss the Girl?*

Kiss an Angel EverAfter Romance

Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé

vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.

"I'm pregnant." Molly Gilmore had a good life before she uttered those two stupid words. While preparing to graduate from culinary school and building up the courage to make a move on her hot, sugar-cookie-smelling pastry instructor Marco,

she can't wait to finally have the GREAT life she's always dreamed about, instead of just the good one she's been living. Always known as the quiet ninja, she fully intends to stay hidden in the shadows with her nut-job family, so they have no chance to embarrass her around the man she's crushed on for two years. Unfortunately, her family has other plans. When they yank her straight out of her comfort zone, she finds herself starring in the craziest train wreck she's ever witnessed. Molly ultimately gets a more exciting life that doesn't revolve around school, but she's pretty sure the man of her dreams won't be sticking around long after her family gets ahold of him. There aren't too many guys who can handle smelling like pee, having the whole world know how he masturbates, and being forced to eat an entire bag of dicks. Join the Chocolate Lovers and Chocoholics gang for one final story about love, baked goods, making poor life choices, and remembering how important family is—even if they drive you insane. Mostly because it's illegal to kill them.

Wait for It Montlake

Romance
The entire Chocoholics series is now available in one, special edition book! *This series is a spinoff from the Chocolate Lovers books and should be read after that series.* Book 1 - Love and Lists: Twenty-five-year-old Gavin Ellis has always had the love and support of his family ever since he was a little boy and couldn't stop talking about his penis. He's also always had their unsolicited advice and uncanny knack of embarrassing him at all costs. Now that he's an adult and trying to convince the love of his life to love him back, things haven't changed very much from when he was younger. When Gavin's best friend Tyler suggests he make a to-do list of items that will ensure he wins the girl, Gavin is one-hundred-percent on board: after a few six packs, after puking in the shrubs, a bad experience with Viagra, a Sex-Ed course gone wrong, and a slew of other mishaps courtesy of his family and friends, Gavin is pretty sure this list will be the death of him. Sometimes, trying to make someone love you with a list isn't always the best idea. Book 2 - Passion and Ponies: Ava

Gilmore has the perfect life. She's surrounded by people who love her, she's having sex on a regular basis and her Coach bag collection just grew by three. The problem? She's expected to follow in her family's footsteps at Seduction and Snacks, working with sex toys and baked goods. Ava loves vibrators and cupcakes as much as the next person, she'd just rather play with them than sell them. With her shopping addiction reaching an all time high and her credit card bills piling up, Ava decides to put her obsession to good use and start a fashion blog. But she has one other problem - the guy she's having sex with has a My Little Pony addiction. While dealing with her family's disappointment and confusion over her choices, she finds support in the unlikelyst of places - Tyler Branson. Tyler has slowly wormed his way into her bed and her heart and he refuses to leave. Tyler has his own family problems to deal with and for the first time ever, Ava finds herself feeling bad for the annoying, immature guy and chanting "Friendship is magic!" during the sex she'd swore to stop having with him. Ava

needs to get her life in order once and for all before she finds herself doing something she never wanted to do – fall in love with a Brony. Book 2.5 – Tattoos and TaTas: Claire and Liz have always had a friendship that defied the test of time, but when one of them is diagnosed with a disease that every woman fears, their bond is put through the wringer. How do you cope knowing your soul mate could be taken from you? Filled with memories of their life long friendship, inappropriate behavior, bad tattoos and shaving cats, the two friends will realize that laughter really is the best medicine. Tattoos and TaTas is not your typical love story; it's a story of friendship and learning how to let go when something is beyond your control. Book 3 – Baking and Babies: "I'm pregnant." Molly Gilmore had a good life before she uttered those two stupid words. boy. Do not read this if you ARE a fifteen year old boy. This book is totally crude and inappropriate and uses the word "vagina" a lot. No, I mean A LOT. If you don't think people who are drunk are hilarious, you shouldn't read this book. You probably shouldn't read this book if you aren't drunk yourself. You should probably just put this book down and get drunk. You may think that no one in the world talks like the people in this book, but they do. They are called "people who are funny and inappropriate". This book is completely unrealistic; the author is aware of that fact and did it on purpose. 2012 Goodreads Choice Award Nominee - Best Romance Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when he's asleep) toddler a better life. I fell in love with a beautiful, broken boy. His whispered words of love were the sweetest of lies. He gave me his heart and destroyed mine. I am his. I fell in love with the beautiful man who broke me. His boldly spoken vow was the cruelest of cages. He gave me his name and destroyed my soul. He is mine. The boy I once loved is now a man. The man I once loved is now gone. We are us. I have been called many things. Victim. Survivor. Daughter. Sister. Wife. Now I am called something else. Murderer. Believe it or not, this is our love story. **The Simple Life** Forever Ex-model Paige McCarty is fed up with being just a pretty face. After her ex-husband's gambling problem left her royally screwed and tragically shoeless, she started Fool Me Once Investigations with her best friends, Lorlei and Kennedy, to prevent other women from being similarly played and dismayed. The job: act as bait for a cheating husband. The target: Matt Russo. The case should be as easy as getting a man's attention--and Paige has never had trouble with that. The problem is Matt--in all his nerdy-hot glory--turns out

to be not such a scumbag after all. And when the case hits closer to home than Paige could ever have imagined--landing her in a face-off with the mob--she wonders if taking the job just to prove that she has a brain maybe wasn't her best idea. This second outing for the Fool Me Once team follows in the same fun, feisty footsteps as bestselling author Tara Sivec's *Shame on You. Passion and Ponies* Independently Published Addison Snow is your typical teenager. She has a family that loves her, friends that make her laugh, and she's wrapped up in the excitement of graduating high school and going off to college to pursue her dream of becoming an author. When her mother, who also happens to be Addison's best friend, dies unexpectedly, her world comes to a crashing halt. Death changes everyone... To make the pain go away, Addison and her father travel down separate, dark paths. She chooses to end her grief forever, while he drowns his sorrows in the bottom of a bottle. How do you learn to live again when the most important person in your life is gone? Addison struggles

to pick up the pieces of her life. Instead of getting back to being the carefree teenager she once was, she's stuck handling all of the responsibilities that should have been her father's. She has no time to grieve, no time for emotions, and no time for happiness...until Zander Reinhardt walks in. All it takes is one little handwritten note on a napkin to kick-start her back to life and help her realize that maybe there's more to that life than pain. But can it really be that simple? Can she really trust this man who makes her feel alive again for the first time in a year?

Wish You Were Mine

Forever

For Lorelei Warner, being perfect isn't everything it's cracked up to be. She did what her straitlaced parents wanted: became a lawyer, married her college boyfriend. But since her husband ran off with another man and her career became a nonstop bore-fest, Lorelei has turned to her best friends and Fool Me Once Investigations to find fulfillment and adventure. When a routine subpoena-delivery turns up a dead body, Lorelei knows that solving the murder is exactly what she needs to

boost her confidence...until private investigator Dallas Osborne walks in and takes over the case. Dallas has always rubbed Lorelei the wrong way. It's aggravating enough that he's a pompous ass, but he's also entirely too good-looking. If she wants to catch the killer, Lorelei will need to loosen up and defy her parents--not to mention the law. And she'll need to partner with Dallas, working closer (much closer) to the sexy investigator than she ever expected. Join the feisty Fool Me Once ladies for another fun-loving romp from bestselling author Tara Sivec.

There's a sexy actor living next door... wouldn't you take a peek? Adam Connor is an award-winning actor and undeniable heartthrob. He's also recently divorced, a single dad and he happens to live right next door to Lucy. And it might be rude to stare but Lucy just can't help it. The ladder might have been a little much though... One night when she's indulging her stalker side, Lucy sees something

terrible and has no choice but to intervene. She had the best of intentions but Adam can't see past it and has her arrested. After that night, they're sworn enemies. Even though Adam knows he actually owes Lucy a lot and she can't pretend she doesn't still find the hot dad act quite appealing... *Kiss My Putt Swerve* A New York Times Book Review Editors' Choice "A brilliant and empathetic guide to the far corners of global capitalism." --Jenny Odell, author of *How to Do Nothing* From FSGO x Logic: stories about rural China, food, and tech that reveal new truths about the globalized world In *Blockchain Chicken Farm*, the technologist and writer Xiaowei Wang explores the political and social entanglements of technology in rural China. Their discoveries force them to challenge the standard idea that rural culture and people are backward, conservative, and intolerant. Instead, they find that rural China has not only adapted to rapid globalization but has actually innovated the technology we all use today. From pork farmers using AI to produce the perfect pig, to disruptive luxury counterfeits and the political intersections

of e-commerce villages, Wang unravels the ties between globalization, technology, agriculture, and commerce in unprecedented fashion. Accompanied by humorous “Sinofuturist” recipes that frame meals as they transform under new technology, Blockchain Chicken Farm is an original and probing look into innovation, connectivity, and collaboration in the digitized rural world. FSG Originals x Logic dissects the way technology functions in everyday lives. The titans of Silicon Valley, for all their utopian imaginings, never really had our best interests at heart: recent threats to democracy, truth, privacy, and safety, as a result of tech’s reckless pursuit of progress, have shown as

much. We present an alternate story, one that delights in capturing technology in all its contradictions and innovation, across borders and socioeconomic divisions, from history through the future, beyond platitudes and PR hype, and past doom and gloom. Our collaboration features four brief but provocative forays into the tech industry’s many worlds, and aspires to incite fresh conversations about technology focused on nuanced and accessible explorations of the emerging tools that reorganize and redefine life today.
